Presidents Report

With the season now over, I sit back here reflecting on the wonderful year it has been. If I was told at the start of the season that the Bentley Cricket Club would have four out of its seven teams in the finals, let alone an A-Grade and 20/20 Div 1 double, I would have told them to stop talking nonsense. This success is a fantastic result and vindicates the hard work of everyone at the club.

I would just like to take this time to thank our wonderful committee, starting with our Vice President Chris "Wingy" Lockyer. Chris has many roles every year and continues to be a wonderful contributor to the Bentley Cricket Club on and off the field. To thank only Chris would be doing a disservice to his wife Karen and sons Jake and Matt. Karen and Jake are also on the committee and without their hard work, the club may well collapse.

Andrew "Ace" Hayward spent countless hours fighting the good battle for the BCC. His multiple roles included working tirelessly as secretary, being a major sponsor of the WASTCA as well as managing our off-season recruiting. Ace brought Tom Allin to the club which proved to be masterstroke as Tom showed himself to be one of the premier players in First Grade during his time with Bentley. Tom, we would dearly love to have you pulling on the whites for Bentley in the future and we wish you all the best for your career.

Where would a club be without a Barman? I believe his parents named him Justin because we know and love him as Hollywood. I know every year is your last year and every year I twist your arm because I know you bleed blue. Thank you for all your work behind the bar and on the field. I'm sure getting so close to success this season will drive you on to big and better things next year.

To our treasurer Brian Hayward, thank you for making sure all players and accounts were paid on time, every time. Brian is true stalwart of the club and came to our aid in a time of need. I'm sure, if asked, Brian would pull on the whites again if the club needed him to.

To our next wonderful contributor to the BCC is Greg Dart, a man who has been around the club longer than anyone. Greg is always willing to back up his ideas, always willing to help out on various functions on and off the field. Greg is tireless, no matter what task he undertakes. This year his roles ranged from A-Grade Manager, to Grounds Officer and even representing our players at the WASTCA tribunal. GD is a true champion of the Bentley Cricket Club and his pride, determination and work ethic rub off on everyone he deals with.

To our social committee chairman Neil Gardiner, congratulations on a number of great functions across the year. Neil and his team worked tirelessly to ensure a good time was had by all no matter how big the function was. Neil is the type of man no club should be without. He is constantly bringing new ideas to the committee on how to improve the club but more importantly he is happy to put in the work to see his suggestions realised. Gards' work as A-Grade scorer takes a lot of pressure off Laurence as a skipper and I know the team values his contributions.

Last but definitely not least Len Woodley. Len's the man who helps everyone out whether he's in the kitchen or helping GD with ground maintenance. It was a proud and pleasing moment to see him receive his life membership this season. Len is a true quiet achiever of the Bentley Cricket Club and is a man for whom many beers should be bought.

I would like to make special mention of and say thank-you to Blair Chapman. Unfortunately, due to work commitments, Blair is unable to be at committee meetings however; he has been outstanding in raising revenue for the BCC. Blair has championed major events such as the Bunnings sausage sizzle along with his work as stand-in captain of Sixth Grade. Blair often does his work by himself but hopefully in the near future we may see him and his great ideas on our committee.

I would also like to thank the wonderful 60th Anniversary Committee for their meticulous planning and hard work. I cannot begin to fathom the depth and scope of work the committee undertook but their efforts were justly rewarded with two great functions during the year.

Simon Cleary is a man whose best work flies under the radar. Simon is a great clubman and worked very hard to compile the statistics and text for this outstanding publication. Thank you and congratulations on your two tons during the season.

Tim D'Souza is another great clubman who invested a great part of his year ensuring we had a home ground to play at. Week after week of rebukes from the WASTCA must have taken its toll on our Nathan Lyon-esque curator-cum-off spinner but he and Tom Allin continued to pour their blood, sweat and tears into the pitch. Timmy's hard work was rewarded with a fantastic pitch for the Wyong A-Grade semi-final and the fact Wyong nearly hosted a grand final is testament to his dedication. After a year toiling away, I'm sure Michelle is looking forward to seeing Tim a bit more often during winter.

On the field, 2012/13 was a great year for the Bentley Cricket Club. We had club legend Steve Shearing pass 200 games. Steve and I have been friends for what seems like forever and seeing the big man get to this amazing milestone is truly special. We look forward to 100 more quality games from you Steve. Next year we will hopefully see a few more names added to the illustrious 200 games list.

Simon "Two Tons" Cleary, Paul "Cat" Warren and Raj Pachaiappan all scored their maiden hundreds this season. Cat's 101* in the Chuck Berry Memorial match will long be remembered as one of the most heartfelt moments. For a man who had come so close in the past without ever reaching the magic number to score his maiden ton to win match commemorating David Berry is a special occasion. I know Simon's 130 against Swan Valley was also a special knock

for him given the goings-on from the earlier fixture in the season.

All our captains this year led their side with aplomb. Laurence Paice continued to cement himself and his teammates in the Bentley record books by winning the A-Grade flag. Laurence is a fantastic captain and his formed a champion team from a team of champions. Steven Paice again took the reins in Third Grade and although the side did not make the finals, the performances of the team's younger players gives us hope for the future. I'm sure Paicey's highlight came off the field this year with the birth of his son Mason who will one day pull on the whites for his father and uncle's club. Kenny DeJager led from the front and then from the sideline as Blair Chapman took over as captain. Kenny's absence, although inexplicable, shows what his players mean to him. Ken put himself in physical danger to protect a teammate and was punished for it. We look forward to a full season from Ken next year.

Hollywood's side came within a lusty bow of taking out the premiership. Having forced their way into the four in the last rounds, Bentley pushed Ocean Ridge to the last over in what will surely go down as one of the finest grand finals in WASTCA history. Next year Seventh Grade will be back with a score to settle and will no doubt be hungrier than ever to bring the flag back to Wyong. The One Day team was led by a number of players, all of whom fostered the development of the club's more inexperienced cricketers. The task of captaining that side is immense and I thank everyone who put their hand up.

To all our sponsors this season we thank-you for your support without your assistance the ability of the club to function would be tested if not impossible. Special tanks to our ongoing Major Sponsors CaptureSport Australia, Sykes Transport for your year in year out support has been part of the reason for our ongoing success both on and off the field. We look forward to partnering with you in future. I also want to thank some of our new sponsors including the Bentley Hotel, The Aviary and adaptalift. The Bentley Cricket Club hopes that this year was as good a year for you as it was for the club and we continue to build our partnership moving forward. To our other sponsors thanks again for your support and we hope that we can continue this relationship in the 2013/14 season.

Finally to you, the reader, thank you for supporting the Bentley Cricket Club in season 2012/13. From Betty Dungey who has been coming to watch three generations of BCC players for the best part of 60 years to player number 1000, Christopher Cairns, and beyond the Bentley Cricket Club will always welcome you with open arms. This club is a special club, a special part of the community and a special part of life for every player at the club and I am privileged to lead it. Thank you to every player for representing Bentley in the manner we expect. To every wife, girlfriend and partner no matter how much or how little you watched the teams across the year, our players are reliant on your support in one way or another week after week. Best wishes to everyone for the off season and I look forward to seeing you al next season.

Words from our Patron

As always, it is a privilege to write a short piece for the Bentley Cricket Club yearbook.

And what a fantastic year for the Bentley Blues!

Not many active sporting and community Clubs make it to 60 years of age and I am incredibly proud to have been able to celebrate the 60th anniversary season this year. As we saw at the celebration function, the Bentley Cricket Club has been an important part of our local community for a long time. This means that the Club, its players, its committees and supporters have shown outstanding commitment over an incredible six decades. This is truly humbling and every current and former member of the Blues ought to be very proud.

Not only did the Blues celebrate a wonderful milestone, this season also saw some great success with the 1st Grade bringing home the Clubs second Premiership. It was an honour to celebrate the Premiership in 2008/09 and I look forward to celebrating again on presentation night!

I remember the disappointment last year when our T20 side made it through tot eh Grand Final but was not able to come away with the win. Well, the Club certainly changed this in 2013!! Not only did the Blues come away with the 1st Grade Premiership but was able to also pick up the WASTCA T20 win to become the first club to win the 'League' and 'Cup' double. Congratulations!!

As I do each year I want to thank and congratulate the Bentley Cricket Club Committee for your tireless efforts. Volunteer work is hard, however, rest assured that the strength of the Club, both on and off the field, is due to your commitment.

Again, I thank all involved in the Bentley Cricket Club, it is indeed an honour, as the local Member of Parliament to have a small role to play in supporting and sponsoring this great club! I am absolutely determined that 2013/14 will be the year I finally pull on the shirt of the Bentley Blues!

Congratulations on another successful season at the Bentley Blues!!

60th Anniversary Report

Season 2012/13 saw the Bentley Cricket Club celebrate its 60th Anniversary, after joining the W.A. Senior Matting Association in 1953.

From humble beginnings in 1953 the Bentley Cricket Club presently fields five senior teams in the W.A. Suburban Turf Cricket Association and two teams in the Capture Sport T20 competition, which is played on Sundays.

The Bentley Cricket Club is the oldest non-amalgamated club in the WASTCA.

The first formal meeting took place on 7 September 1953, with local shopkeeper J McKinnon being the first President, Jack Thomas the Secretary and Dennis Tobin the Vice President. A fortnight later at a meeting held at the shop of J McKinnon, it was moved by George Warner that the fledgling club's colours be Navy Blue. The "Bentley Blues" had been created.

Bentley Park CC had been accepted into the West Australian Senior Matting Cricket Association in "B" Grade, a 10-team competition. Due to a shortage of grounds for "B" grade, four games were played on two Saturdays, with the remaining games being played as all day fixtures on Sundays on a fortnightly basis.

A study of early minutes and correspondence reveals that the club had approached the Canning Road Board in an effort to obtain the recreation ground in Wyong Road. However it was not until season 1962/63 that Bentley Park CC was to play a home game at Wyong Reserve. Bentley Park CC finally tasted Premiership success in 1958/59, winning "B" Grade in what was by now the West Australian Minor Cricket Association.

Highlights of Our 60 Years

- In 1959/60 Bentley Park Cricket Club enters a second team into the West Australian Minor Cricket Association. At this time only one other club has more than one team.
- On Sunday 17 June 1962 the newly constructed Merv McIntosh Pavilion is opened and finally the Bentley Blues have a home.
- Season 1973/74 – first premiership in 15 years – Grade 3 with Wayne Pulver as Captain/Coach.
- Season 1985/86 – Second Grade premiership - Peter Taylor as Captain/Coach.
- Season 1998/99 – Second and Fourth Grades win premierships – Second Grade promoted to A Grade.
- In 2004 a Turf Wicket is installed and in November of the same year the first game is played on the new wicket.
- Seventh Grade – four premierships in succession – 2005/6, 2006/7, 2007/8 & 2008/9.
- Season 2008/09 the Bentley Cricket Club celebrates the winning of its first "A" Grade Premiership.
- E J Ireland & P J Pearce trophy, "Spirit of the Game", awarded to Bentley for season 2008/9.
- In 2011 Lloyd Dungey plays his 500th game. Steve Cairns plays his 400th game, joining Geoff Farrall who reached the 400 game milestone during the 1993/94 season.
- In 2012 Christopher Cairns became Player # 1000 for the club.
- Season 2012/13 Bentley wins its second "A" grade premiership as well as winning Division 1 of The Capture Sport T20 competition.
- 25 Premierships have now been won by the "Bentley Blues".

To celebrate the Club's 60th Anniversary two well-attended functions were organised, with the first being our "Season Launch" held at the Bentley Hotel on 2 October 2012. A highlight of this evening was the attendance of Player #2, Colin Fitzpatrick, who was a member of the first Bentley Park Cricket Club to compete in a fixture on 17 and 24 October 1953.

Graeme Verco and Len Woodley were presented with their Life Member's medals bringing the total to 30 across the club's 60 years.

The second function was held on 3 March 2013. The 30 Life Members of the club were honoured and presented with framed certificates in recognition of their service to the Bentley Cricket Club.

We can be proud of our first 60 years and confidently move on as a respected, successful club within the West Australian Suburban Turf Cricket Association, but well aware of the challenges that lie ahead of us as a club.

Finally may I offer my special thanks to the members of the 60th Anniversary Sub Committee in Keith Chapman, Brian Hayward, Stafford Dawson, Steve Shearing and Chris Lockyer for their help in a somewhat onerous but nevertheless enjoyable task, and also for the drinks and laughs that we had on many a Wednesday afternoon.

Hopefully we will all be helping out again in 10 years time.

Cheers

Cricket Managers Report

The Club set itself three objectives before the season started:

- To win a 1st Grade Premiership
- To field 5 strong teams
- To provide development opportunities for our talented group of youngsters

Very early on we decided that we would need some experienced Captains to achieve our objectives. Laurence Paice was the obvious choice as 1st Grade captain, whilst Premiership captains in Steve Paice, Ken De Jager & Justin Warren were allocated the next 3 teams. The omnipresent Chris Lockyer, was initially allocated the One Day side, which he subsequently handed over to another Premiership captain, in Steve Shearing, at the Christmas break.

Our pre-season preparation went well and we hit the season running. The 1st Grade went on an unbeaten 8 match streak, which included the thrashings of former power clubs in Whitfords & Swanbourne. Despite a brief hiccup against Applecross & Swan Athletic, the 1's regrouped, and won the flag like the champion team they are.

Whilst the 3rd grade was competitive all year, the continuing drain on backfilling 1's eventually took its toll.

Our 6's & 7's performed very well and both deserved their respective appearances in finals. The 7's semi-final victory against top side Whitfords, & an agonising GF lost by just 4 runs, were 2 of the best performances by the Club all year.

As is often the case, the One Day side changed personnel from week to week, but to their credit, they were still competitive right to the season's end.

The younger players, led by Ujjwal Bhan and Andrew Catterall, impressed throughout the season and should ensure the Club is well placed going forward.

My thanks and best wishes to all involved in the cricket admin part of the Club. From skippers to scorers & from curators to players, we are The Mighty Blues!

You don't leave it to the guy next to you when playing on Saturday, so don't leave it to him the rest of the time.

Andrew "Ace" Hayward

Cricket Manager

Chairman of Selectors Report

This is more of a Selectors Coordinator report than a Chairman of Selectors one, my role for most of the season has been to coordinate with the captains on selections and the updating of stats into MyCricket and making sure we had everything right to go each week.

Firstly, let me say that with 7 sides including the two T20 teams we have had 14 different Captains throughout the season and that in itself could make for a very difficult season as far as selections go. However, it is a great sign of a great club with great individuals working hard that I can't recall a tense moment or Captains not doing the right thing in working through selections with each other to make my job an easy one. I sent so many emails over the season that I'm sure by the end of it the guys were shaking their heads every time they saw one come through. I always received responses in such a timely manner and good cheer was sensational. I thank every one of our captains for the 2012/13 season for the efforts they put in, they are as follows:

- 1st Grade – Laurence Paice & Fab Fanayan
- 3rd Grade – Steve Paice, Chris Pritchard & Jai Thomas

We achieved a great result with 1st Grade & the T20 Division 1 teams winning the flag and having 4 out of our 7 sides making the finals was a sensational effort by the club after a couple of lean seasons. We were also one of the only clubs not on the list when the Association was following up on who had failed to complete all the MyCricket data input and had no fines over the season for not doing the right thing., An amazing effort well done all!!!

As they say, a captain's job does not begin and end on a Saturday with the days play, there are many things on the to-do list. Our captains this season ticked all the boxes all season long, thanks again to all of the Bentley Captains for the season.

High Performance Managers Report

Well done to Bentley Cricket Club on what was a very successful season with the 1st Grade being premiers 6th Grade playing finals and 7th Grade missing out on a Grand Final win by only 4 runs.

With regard to 1st Grade congratulations must go to Laurence Paice who led the side brilliantly culminating in being Premiers.

All players are to be congratulated on such a consistent season and to only lose 2 games throughout the year proves what a great season we had.

Brendon Daye winning the association medal was well deserved and Omo's Grand Final inning was out of the box and confirmed that he has arrived as an A grade player of quality.

It was a pleasure to front up to the cricket each Saturday and always enjoyed the banter between Gards, GD and Ace when he was there. Gards & GD worked tirelessly all season and really deserved the success that we enjoyed.

Finally thank you to Stafford and all the committee for their support and please remember that we still have to raise the bar next season to make sure we are successful again and can defend our title.

Cheers

Head Coach & 1st Grade Report

There was a bitter taste in the mouth of every person involved with the A Grade squad after the heartbreaking end to 2011-2012. We were beaten in the last round by High Wycombe, who as a result took our rightful spot in 4th place and 3 weeks later, they were holding a Premiership flag, wowee, 12 months is a long time in cricket.

Throughout the pre-season, we were well represented at training and were primed for Round 1. We had 3 major inclusions to the squad in 2012-2013. English gun recruit Tom Allin, former Rockingham-Mandurah 1st Grade Captain Shane Saxon, and youngest member of our 2008-2009 premiership side Jack Duffy. Everything was in order for a great season.

Round 1 was against the elevated Tuart Hill, who would later go on to win the Minor Premiership. We were sent in on a flat Charles Veryard wicket and found ourselves reeling at 8/158. A gritty 9th wicket stand of 70 between our bowling all-rounder Tom Allin (61) and the best number 10 around MounEEK Solanki (16) saw us to a total of 236. After only 5 overs on day 2, we were washed out and had our first points on the board courtesy of a draw.

We then entered a 'soft' part of the draw in which we beat Western Suburbs by 111 runs, Whitfords by 8 wickets and Swanbourne outright. These 3 sides finished 10th, 11th and 12th respectively. All players performed at a high level through these 6 matches, highlighted by Brendan Daye amassing 111 runs and 8 wickets, Omo Fanayan with 91 runs, Shane Saxon with 11 wickets and Hiten Shah with 8 wickets. Lusty hitting from Tom Allin and Christopher Bradbury was also key component to these wins.

Then to some real opposition. Round 5 saw us take on the runners up from 2011/2012 Bassendean. The match was reduced to a 40/40 as a result of rain. We batted first and posted a very respectable 6/200 with Brendan Daye again the star with 53no. Omo Fanayan also posted 38 in good time. Bassendean began their chase very well and at one stage were 2/86 off 18 overs. We rallied well, mainly due to the "spin twins in Daye" (3/21) and ever reliable Jai 'Daddy' Thomas (3/27) and dismissed Bassendean for 124.

The last fixture before Christmas held the biggest challenge for our group to date. High Wycombe at Scott Reserve. We were inserted on a lively pitch and after being in a good position at 1/54 (Smith 22 and Paice 44) we again stumbled and found ourselves at 7/145. Enter Jack Duffy (79) and Jai Thomas (17) who compiled a brilliant 68 run partnership to swing the match back in our favour. We posted 236 for the second time in 6 matches.

We were then clinical with the ball and in the field, without our champion seamer in Hiten Shah, rolling the reigning premiers for 128 on their home deck (which was substantially flatter on the second day). Bowling honours were shared with Daye (4/19), Saxon (2/38), Allin (2/17) and Solanki (2/27) doing the damage. This win was monumental. We now believed we could beat any side at any ground.

Round 7 took us to Pat Goodridge to tackle the star studded Wembley side. Batting first, we AGAIN stumbled to 8/107, a trend that was becoming a worry for the captain. Late order heroics from Thomas (26no) Solanki (21) and Shah (18) allowed us to get to 176 a total that we could defend. 65 runs from our bottom 3 batsman. A sign that the side had character that it would later need in spades. Having to bowl 19 overs on Day 1, we rattled Wembley's top order to have them on the ropes at 4/37 at stumps. Shah continued his stellar season picking up 3 wickets, and Tommy Allin taking 1. We continued to take wickets regularly on day 2 and dismissed Wembley for 131. Four Wickets for Shah, 2 for Allin, 2 for Daye and 1 to Saxon. Another win on the board. Unbeaten after 7 games.

Questionable fixture programming meant a captains' agreement between the Doubleview's skipper and myself to play a one day 40/40 game instead of playing on Australia Day. We bowled first and restricted DC to 150 from their 40 overs, which was a respectable score considering we were playing on the slowest outfield in cricket history. Wickets were evenly spread, and we had a good chase on our hands. Saxon was out in the first over. We then steadied up with a 77 run stand between Smith (49) and Paice (25) to be 1/77 off 18 overs. A few wickets fell, but we eventually got the job done reasonably comfortably in 35.5 overs with 5 wickets in hand. Unbeaten after 8 rounds. No games at Wyong as yet. Every game on the oppositions home turf. How easy is this? And then boom. A reality check!!

Bentley's bogey side in Applecross was next on the agenda away from home, for a change. Batting first, one ball before tea, we were 2/156 with Omo Fanayan (62no) and Paice (63no) in cruise control. Omo was then dismissed just before tea, Paice just after, and a horrendous collapse saw us all out for 204 having lost 8/48. Had we blinked and could we be made to pay? You bet your bottom dollar we were made to pay. Applecross passed the target 6 down and then proceeded to pile on 9/287. Given, we were without two of our front line seamers in Hiten Shah and Shane Saxon, however this was a game that we had in complete control with the bat. We left the door open for a good side to capitalise, and capitalise they did. The first dropped game. We'd come back and win the next game right? Wrong!!!

We ventured to Wyong for the first time all season to play Swan Athletic. The skipper won the toss and, incorrectly, batted first. We were then skittled for 69 in just 31 overs, with the only resistance coming from Matty Smith with 22. We rallied pretty well and bowled Swan Athletic out for 130 to end day one. Day 2 started horribly again. 3/12 and still 49 runs behind Swan Athletics first innings score. A crunch 37 from iceman Omo Fanayan and a timely 40 from Shane Saxon saw us out of immediate danger. 4/100 and we as a side were simply looking to bat the day and restore something from the match and some form heading into the finals. Dismissed for 172, we then had 12 overs to bowl with Swan Athletic needing 111 off 12 overs to pull off an outright win and restore their finals hopes. We weren't going to let that happen, and ended the match positively taking 4/47. Still we had gone from being unbeaten after 8 rounds, to losing 2 straight games and needing to win the last fixture against Swan Valley to finish in the top 2 and secure a home final.

To "The Valley" we travelled. Batting first, we knocked up 8/245. Elevated to the top of the order, Jai Thomas started with a rock solid 20. Omo Fanayan was again the star with 65, Brendan Daye made a stylish 55, and 42 from 58 balls from Leigh Martin at the end helped lift the score to a respectable total. Brendan Daye, elevated to the role of taking the new ball, was fantabulous with 5/61 from 27.3 overs. Two wickets for Shane Saxon, 1 each for Hiten Shan and Jai Thomas and a run-out from the evergreen Matty Harmer rounded off a very good all round matches for the side.

Finals time. Wyong the ground. Applecross the opponent. A tough week at the selection table saw Matt Harmer and Chris Bradbury left out of the XI for the semi-final. The fact that two guys of this ilk were left out of the team was a reflection of the quality of the squad rather than the form of the two individuals. Heavy rain leading up to the game had meant that pitches were slightly soft around the metro area. Stand-in and stand-out groundsman Tim D'Souza had done a remarkable job to get the wicket up and despite the midweek rain, the pitch at Wyong was fit for play (unlike 5 other pitches around the competition, tip of my hat to you Timmy)

We were inserted and ground our way to 141, mainly on the back of a master class 49 from Brendan Daye, and cameos from Laurence Paice (26) and Omo Fanayan (19). Not many sides would back themselves to defend 141 on a featherbed, and something extraordinary was needed from the group to get the job done. Fortunately, this is an extraordinary group of blokes, and we had earned our Grand Final spot in the most incredible manner. At 3:40 on Day 2, Applecross were skittled for 122. Brendan Daye, again, was the star with the ball, with figures of 4/60 from 30 overs straight. Hiten Shah was amazing with 2/14 from 13, Shane Saxon with 2/31 from 8, and Mounseek Solanki 2/12 from 8 in a match turning spell. What a time to bowl the spell of your life hey!!

Grand Final time. Fate had pitted us against High Wycombe. The side that knocked us out of the finals race some 12 months earlier. Hold onto your hats, this is going to be big.

We won the toss and batted first at Pat Goodridge. After assessing that the opening spell from HW's front line bowlers was the key to the match, Matt Smith and Jai Thomas went out and got to work, and what a job they did. A 51 run opening stand had us away to a flier before Smith was cruelly run out for a majestic 29. Paice then came and went quicker than a B Daye in ducker and we were 2/63. Another 50 run stand from Jai and Omo had us in a great position. JT's dig came to an end at 37 off 130 balls. A terrific job done. Daye came and went quickly, before a 75 run stand between Omo and Shane Saxon (35) swung the match heavily in our favour. We batted the day out to be 9/244 at stumps. Omo Fanayan, continuing his Grand Final heroics, scored the most beautiful 86 to steer us to a great score.

We were confident that if we bowled and fielded at the standard we had all season that we would win this game. Could we do it? Never in doubt!!!

Before any of us could really blink, we'd reduced HW to 7/104 due to 4 wickets from Brendan Daye (3/53 from 25) 3 wickets to Shane Saxon (3/44 from 12) and 1 wicket to Hiten. However, HW hadn't fluked the last two premierships in first grade and battled to be 7/174 with 16 overs left in the day. 70 runs off 96 balls. 3 wickets to get. Was this going to be a Grandstand finish? No it wasn't.

Hiten Shah then bowled a magical spell to take the last 3 wickets in the space of 14 runs to give him match figures of 4/52 from 23.4.

WE'D DONE IT. THE PREMIERSHIP WAS BACK WHERE IT BELONGED!

Man of the Match was Omo Fanayan for his spectacular 86 and 3 catches. To highlight what an amazing big game player Omo is, take this in. Bentley have played in 3 A-grade grand finals in the last 6 seasons. 2 of those we've won, and Omo has top scored for Bentley in all 3 games!! Now that's a big game player folks.

Another mention must go to Brendan Daye, who stamped himself as the best player in the competition winning his 2nd Dennis McInerney Medal. The man is a champion of the competition and arguably, the greatest cricketer in the history of the club.

To my VC Fab Fanayan, well done big guy! Every captain needs a great deputy, and there is no question you have been a pivotal member of this squad, a great leader and a better mate. Enjoy!

So there it is. A premiership to savour. A win for the good guys. 11 regular season games. 10 of those away from home. Throw the kitchen sink at this squad and we'll throw the whole kitchen straight back.

To all involved and all who've supported me and the side over the last 3 seasons, thank you so very much. I won't go one by-one through everyone. Not until the wind-up anyway, this truly is a club premiership and one for everyone to enjoy.

From me, hopefully I get the chance to captain this proud club again in 2013/14. Two seasons ago we were trying not to get relegated. Now we are the champions...

SOAK IT UP!!

Gards Season Review

At the time of writing, we are coming off a very big week for the club, with celebrations and reflections going long into Sunday night and well into Monday for some.

I will start with the year that was from a committee perspective – with several changes to the committee, including the addition of the brothers Hayward – Ace and Brian who both took on senior committee roles and managed several other jobs manfully. Replacing the likes of Steve Shearing, Sibbo, Puff Keenan and Lachie Harris over the past couple of seasons wasn't going to be easy, but those who stepped up did so in an effortless manner.

Whenever something was asked of Ace or Brian, it was forthcoming and they did so with a beer in hand and smile on face. I thank them personally for all they've done, as they've always done it efficiently. Ace's work on the club website, advertising functions and events or club news, milestones and stories is fantastic, as is his ongoing sponsorship of our club and the association through Capture Sport Australia.

Other strong contributions were led by Stafford Dawson, who led the club admirably, especially when pitch issues resurfaced or there was any other issues to be dealt with. Our club has a good standing with the association, because of our off field strength and we are always there to front up when required.

Staff always fronted up to support his fellow club members when required.

Special mention must go to Holly for his dual roles of 7th grade captain – we all agonised and felt every inch of his pain as skipper of that magnificent 7th grade side – we admired their courage and strength in showing a brave face on the night of the grand final when the first grade were celebrations. Holly also displayed a great aptitude behind the bar with several functions and always had help on hand to assist with making the quiz night, band night, grand final night, as well as selections and general presentations worthwhile. His Chase the Ace draws are more popular than ever and got the boys back several nights a week to keep the bar ticking over.

In conjunction with Freighter, Ed and Culver, the band night was a huge success and hopefully will be an annual event.

Thanks also to Greg Dart for his brilliant dual roles, as a committee member, where he liaises with the curator and council, as well as monitoring work on the pitch and reporting back to the committee regularly. GD also assists on game day as team manager for A-Grade and is always there with a drink for a thirsty player.

His other project this year was organising the 60th Anniversary show at the Bentley Hotel, a superb event that attracted current and former players and partners to celebrate the club's history and achievements. Unfortunately, many of the A-Grade squad were unable to attend, due to a clash with the T20 Grand Final, but our guests enjoyed the drama unfolding as the final result was relayed back to them from Charles Veryard – the first of our League/Cup Double for the year (pinched that one from Ace).

He was also the voice of the association on SportFM on Saturday Mornings, co-hosting the association radio program and attracting many esteemed guests.

Also to Lenny, Michelle and Anita – thanks for the brilliant job with arvo teas – unfortunately I only got a few of them, due to fixturing. I look forward to more next year.

To Wingy, Karen, Jakey and Matty – thank you guys so much – for your friendship, support and for all your undying hard work to organise and cater for functions, selections and presentations. To see Wingy and Jake at the crease together in that 7th grade final and to watch them so bravely get us so close made us so proud to have these guys at our club.

To Timmy D'Souza – the bloke who copped more flack than anyone and came out of it producing an absolute pearler for the first grade semi v Applecross, despite filthy weather leading up to it.

We were able to play a home semi in front of our own supporters and this gave us the edge. We prevailed in a tense struggle thanks to a brilliant double of 49 and 4/60 from 30 unchanged overs from Brendan Daye.

Well done to our association award winners. Brendan Daye showed why he is unrivalled as the best cricketer in our comp by romping home in both A-Grade awards and Brad Holly also showed his value, winning a trophy for 7th Grade.

Both were massive contributors in our finals push.

To Vercs as well, always there with a word of wisdom – a wonderful calming influence on everyone and a great friend to everyone around the club. He and Lenny were given deserved life membership at the Anniversary celebration.

To Hoover and all the boys in first grade, thanks again for having me as part of such as a special group. I am truly proud and honoured to help these lads each week. I love the way they play the game – in true spirit and they will always win more than they lose, because it's our culture!!!

We were always confident of earning a crack at the big dance. First we had to overcome Applecross in a low scoring struggle at Wyong after making only 141 on the back of Dayesy's patient 49 and Hoover with 26. They had a steady start and were 1/27 before Daysy weaved his magic and had them reeling at 5/29, including Chellev in the shed without scoring.

Walton and Christie got together to push them along, before both fell with the score on 74.

Steady bowling from Hiten, Sacko and a brilliant spell from Mauneek, which had batsmen hopping about resulted in them being 7 down and struggling to hold us out. After tea, Hiten came back on and kept up the pressure to see them fall to 9/111. The last pair stonewalled for ages before Wyong went into raptures with McBride falling LBW after a marathon stay for not many. The song was loud and the Blue Boys were going to the big dance.

The lead up to the event was great. with Daysy taking all before him at the awards night. Omo also gave us a good omen by winning the Kookaburra raffle – a new kit worth nearly \$1000.

Now to the big one – Grand Final v High Wycombe – Sat 23/3 & Sun 24/3/2013 at Pat Goodridge Reserve.

We had no fear about returning to Pat Goodridge, the scene of our previous A-Grade flag four seasons earlier.

After a nervous week of training, planning, getting to the ground, we waited patiently on the toss – Hoovs lucky coin came down our way again and we had no hesitation in batting first, even with a bit in it early.

JT and Smithy got off to a steady start and gave us a great foundation, before Smithy was run out for a swashbuckling 29 in a stand of 47. Hoovs came and went for 6, but we were still positive. Omo joined JT and they rotated the strike very well, to push the score to around 100 before JT fell. Omo was joined by Daysy who rode his luck and survived a dropped chance off the keeper before he scored. Daysy was out for 13.

This bought Shane Saxon to the crease and he was determined to make a score. He and Omo added a brilliant 70 run partnership to put the Blue Boys right on top – Sacko had an extra hit during the week and it really showed, getting his eye in and then pouncing on some loose back up bowling and tired opening bowlers from High Wycombe. Omo batted beyond the 40 over mark, where we were 5/202 and could mount a real decent score from last ten.

We played it smart, knowing Hort and Meaden were only bowling short spells and not taking risks against them. We had hit the bad balls and pushed singles, taking Hort for 4 runs an over (despite him being the pick off the bowlers).

When Sacko was dismissed for 35, Duffman and Lethal followed soon after, but the score was mounting.

Fab joined Omo briefly before Omo was out for a brilliant 86 – trying to up the ante and leaving us in a solid position.

With Fab pushing it along, Mauneek was run out, but Hiten hung around for the last couple of overs to get the score up to 9/244 from 80 overs.

We were confident – all the things you want – at least three 50 partnerships and one that goes on – we did that!!!

High Wycombe came out cautiously, with Corcoran falling early in the piece to Daysy, who backed up from his marathon semi-final spell. Sacko was swinging the ball a mile and got the nicks as well. Superb bowling. Hiten just hit his areas and also had a wicket.

Scardifield then nicked one and was out cheaply, followed quickly by Hort – 3/30 and three big guns in the shed. We could sniff something here. Madin was a mainstay, but was out trying to force the tempo, Jose and Summerfeldt all fell cheaply and they were 7/116.

The run rate required was up around 4, so we knew they'd have to go at some stage even if they got a partnership going. Meaden and Murabito, the pair who rescued them in the semi v Tuart Hill were together and were going OK, but the required run rate was climbing steadily and we knew they couldn't afford a mistake. Tea came at the right time for us to regather (they were now 7/160) and emphasise the plan to keep it tight and steady. They had to re-start which is never easy. Hiten hit the length again and drew Murabito into a nick which was accepted gleefully, leaving them eight down. Then the one we wanted. Meaden went the big heave across the line and lost middle stump. We were sniffing it now at 9 down.

Jones is a true no 11 and played and missed several times to Hiten. Kujawski tried to hit a few over the top, but we weren't worried now, just stick to the plan boys.

Then the moment came – Hiten to Jones – draws the nick and Omo accepts it gleefully in the gully.

The flag is ours – HW all out 188.

The jubilation was shared by all support staff, partners, committee members and supporters who turned out to cheer them on – hugs aplenty, followed by one giant rendition of the club song in the middle of the ground.

We commiserate with the 7's as well, but they did us so proud with their efforts.

3rd Grade Report

I approached the 2012/13 season with high hopes for 3rd grade, with a number of key players coming back and some exciting youngsters also pressing claims. While we headed to Xmas in 3rd spot coming off a fantastic win against eventual premiers High Wycombe, the lack of batting consistency and bowling penetration led to a poor finish.

The unavailability of Wyong meant we played the first four games away from home, and weather cost us a win in the first round against Tuart Hill after a team effort had bowled us into a winning position. We then played Western Suburbs, and another solid team effort saw us defeat them comfortably.

The third round match saw poor weather wash out the first day, and we lost to old foe Whitfords in a one-dayer on the second week. Round 4 saw a very heated game against perennial rival Swanbourne, and we handled the tensions and angst in the best way possible by comfortably chasing down a decent target.

Round 5 saw a return to Wyong, and the well-documented abandonment of a fixture played as a one-day game after rain washed out the first week. We then faced High Wycombe in unfamiliar circumstances playing on astro turf, with a team effort with the ball and crucial innings by stalwart Chris Pritchard anchoring the win.

After Xmas, we found ourselves outclassed by Wembley and Doubleview in Rounds 7 and 8, leaving a critical match against Applecross in Round 9, which we needed to win to remain in finals contention. We posted a reasonable total but ran into a team anchored by a chanceless hundred and fell well short; this innings proved that the inability of our batsmen to play an innings like that at any stage during the year was ultimately the difference between competing for finals and languishing in the bottom half of the ladder.

The season finished with losses to Swan Athletic and Swan Valley, with Matt Harmer playing a brave knock and almost leading us home from an impossible position against Swan Athletic after the top order failed against an honest attack.

There were a number of consistent contributors throughout the season. Chris Pritchard continued to lead with the bat; Don McKeig proved he is a very capable higher grade keeper/batsman; Tim D'Souza toiled away with bat and ball in often unfavourable conditions and Matt Harmer keeps on keeping on as a high class 3rd grade player with the bat, ball and in the field.

We were able to blood a number of youngsters who all showed they would not be out of place in the future in 3rd grade and perhaps above for many years. In particular, Andrew Catterall and Ujjwal Bhan both took the new ball with aplomb throughout the season and Scott Hayward showed enough with the bat; these kids are all keen to learn and provide enthusiasm as well as being fine young men. Later in the season, Sindhu Govindu and the Lockyer brothers Matt and Jake had opportunities and provided glimpses of ability to show they can be 3rd grade regulars in 2013/14 and beyond.

Of the remaining 3rd graders Stevie Daye, Jai Thomas, Sheahan Dungey, Amal Eranda, Leigh Martin and Jarrad Sibson made meaningful contributions and provided depth and strength.

In addition, I extend my thanks to Tim, Chris, Matt, Jai, Jarrad, Leigh and Stevie who all demonstrated experience and positivity as part of the 'leadership group' with special thanks to Jai and Chris for captaining in my absence.

To my brother Laurence, what a brilliant effort it was to lead the club to a first grade flag – I know how much passion and devotion you bring to the table and you are a credit to yourself with the way you lead the team; I couldn't be more proud as a brother.

To my fellow captains Ken, Blair, Fab, Jai, Chris, Steve, Holly – fantastic job lads; while some of us will be less happy with our results than others we never once let up or played with anything other than the Bentley spirit.

To Tim D'Souza – the result you have achieved at Wyong is nothing short of remarkable. The fact that A grade played and won a semi-final there and that the deck was in contention for a Grand Final is credit to a guy whose unbridled passion often see the countless hours he puts in and his expertise overlooked.

To Justin Warren – you fell short at the last hurdle but once again did an amazing job on and off field; enjoy the break.

To Andrew Hayward – your passion and knowledge is amazing and I value your counsel on all things cricket.

To Graeme Verco – I appreciate the input and advice mate, and trust you had a few quiet ones celebrating the flag.

To Chris, Karen, Gards, Staff, Greg – it is a thankless job to run a club and every member appreciates the effort you put in week after week to make the Bentley Cricket Club somewhere we all want to come back to, so thanks.

To my fiancée Peta and sons Tye and Mason, you are the reason I get up every day and I am thrilled to have been able have you involved at the club and share this part of my life with you all.

And lastly if I can self-indulge for a minute, I have thoroughly enjoyed captaining 3rd grade over the last few years but it is time for someone else to take over the captaincy for 2013/14 – WE ARE THE BENTLEY BLUES!!

6th Grade Report

Looking back to what can only be described as a good year with an unfortunate ending.

We started the year with a plan to blood some youth through the 6th grade side and just see how things went not worrying about the win/loss ratio. But due to the usual goings-on at a cricket club (people missing games etc.) through the season this was a difficult thing to get a consistent run at as players moved between grades on a regular basis. However, through all these personnel changes we were still able to keep winning cricket games and by half way through the season, we sat just outside the top 4. After Christmas and back for the new year 6th grade took a step forward and started to put some good wins on the board against some good opposition. By the end of the year the boys had pulled the side right up to finish 2nd on the ladder and earn ourselves a home final, which unfortunately we did not win (A great effort by all who played 6th grade this season – I was very proud of our achievement). Well done boys hope to see you all back here at Bentley next year for another crack at it.

This year was a strange one for myself as I was suspended for 8 weeks by the tribunal for trying to stop the abuse towards one of Bentley's players. Nevertheless, from my troubles I think something good came of it as I saw Blair Chapman take the reins of 6th grade and showed his true value to the Bentley Cricket Club as a leader. He did a great job with leading the boys in my absence and was a great help as my Vice Captain for the year. So thankyou Chappy for just being yourself.

We also had some great individual performances in 6th grade this year but the standouts were:

- Simon Cleary 130 vs Swan Valley
- Ujjwal Bhan 5/41 vs Applecross

I would like to congratulate both 1st Grade and 7th Grade on making the grand finals this year – a great achievement.

It was great to hear that 1st Grade got home to win another premiership – congratulations guys, and heart breaking to hear 7th grade getting so close to eventually miss out – my heart is with you guys – better luck next year.

So hopefully we will see everyone back next year as we go for more premierships as we are the BENTLEY BLUES.

7th Grade Report

I'm not one to make excuses, I stand by my call over the years that you finish the season where you deserve to and I have no problem saying that in season 2012/13 the 7th Grade side finished second by a mere 5 runs. The landscape for 7th Grade changed a lot from the start of the season and a lot of the experienced players I thought I would have before the season started unfortunately were unable to continue in the two day format. This meant we were faced with on a lot of changes each week and found it hard to settle a lot of the side before the break. For the guys to be able to adjust and continue to perform at the level we did was a credit to everyone who played and there were 33 players used over the season.

It was a sensational effort for the 7th Grade side just to make the finals after sitting 6th on the ladder with one game to go. A great team effort in the semi-final victory over Whitfords meant we earned the right to play in the final game of the season against Ocean Ridge who also had a great finish to the season. I said to their Captain before the game it was the two form sides of the grade and we both played as such. To fall an agonising 5 runs short is something that will take me a long time to get over. However, I said to the team after the game that it will be one I look back on in time as being a great game to be involved in. I added that I hoped the team could be satisfied with the efforts we put in over the two days.

With so many changes to our side during the season there were no standout performers to me, we did it so well as a team throughout the season that when a batsman or bowler missed out another one was there to take up the work load. To have players over the season like Scott Hayward, Jake and Mat Lockyer, Josh Ericson and Jay Smith, all young players still learning the game and developing, was great for me and the future of the club is in good hands with these guys coming through.

Our batting was shared around by a number of players with Majeed (MJ) Khan making 53 in Fixture 2 before moving up to play 6th Grade the rest of the season. Serge Perrozzi made 70 to get us over the line against Ocean Ridge before being one of the landscape changes I mentioned earlier and moving down to the one day side. Ben Millett had a great start to the season with a 48 and then 52 in the couple of 7th Grade games he played and again moved up to 6's before work commitments made him generally unavailable. Steve Shearing's effort in the Dave Berry game against South Perth not only set us up for a victory it also enabled us to achieve our only hundred for the season with Paul Warren hitting 101no to seal the win. That game was one I will never forget and put us back on track for a crack at the finals.

Our bowlers generally shared the wickets taking 2 or 3 each match. Brad Holly was the pick of them with 22 wickets @ 10.82 which also saw him with the Association bowling award which was a great achievement. Jay Smith took 4 wickets in the rain effected one day game verses Ocean Ridge. His good mate Josh Ericson opened the bowling for us against Western Suburbs and took 3/14 in 7 overs which showed he was certainly not out of his depth at this level. Culver Chappelle showed there was more than keeping gloves in his kit bag by taking 4 against Murdoch-Melville and Mick McInnes was a great addition to the club for the season and had a day out against Freo Mosman taking 6/24.

Finally, to my Vice Captain Geoff Dart and my unofficial DVC Paul Warren, two of the best cricket brains I've had the pleasure to play with and have as my sounding boards, not only for the season but over my years as Captain. As a Captain there is so much going on that to me you are kidding yourself if you think you can see it all and do it all yourself and the success we had this season was in no small part to the roles they each played.

Thanks to everyone who played 7th Grade this season, I hope you all enjoyed it as much as I did.

One Day Grade Report

Thank you to the committee for giving me the honour of Captaining again, in different circumstances, Chris Lockyer relinquished the role and I took the reins of Captaincy after Christmas.

Bentley sides expect rightfully so to play in finals and this was not different to us. Our year was not a good one although there were some solid wins, some indifferent performances with bat and ball.

Paul Linehan was the stand out with the bat, 371 runs at an average of 33.73. A consistent year to follow up on the back of a solid season last year. Rajesh Pachaiappan made 335 at 55 with a few strong cameos and Simon Cleary's 113 no out against Fremantle Mosman Park was an outstanding effort.

Our bowling after Christmas was steady at best. For too longer periods we would consistently bowl on both sides of the wicket and generally several shortish deliveries would accompany each over, not a good recipe on One Day Form of the game.

Josh Erickson was the best of our bowlers taking 14 wickets at an average of just over 20.

In what is becoming a ritual Captains like I congratulate other Captains on outstanding years and certainly, Laurence Paice's ability to mould the "A" Grade side was outstanding. When I look back on the year the amount of negative non-productive time that was wasted on non-core club activities, clearly has an impact on our performance.

To achieve what Laurence & Co has done only further cements their place in the Bowels of the Bentley Cricket Club & WASTCA's history books.

Let us continue to drive forward in all grades and in all aspects of the club.

To Paul Linehan, Serge Perrozzi, Les Saxon & Rod Duncan thank you for taking on roles to assist in making a Captains life "easier".

On a personal note it was a pleasure to hit the winning runs bring up a 50 remain not out in my 200th Game a smashing win against Subi Marist.

Well done to the club as we continue to remain a force in a strong competition.

Twenty20 Division 1 Report

Another year for the exciting side competition that is Twenty20 cricket, and whilst this is not the ultimate glory we aim for during the year it certainly is still something we want hanging from the Wyong walls!

I had the privilege to Captain the side again this year and we were out to rectify the grand final loss from last season. The year started as it always does, the first game sneaking up on us and players not being available to play on the Sunday. One benefit of this team is to try out different players in roles for the team. Our first game was against Melville out at the new ground behind Murdoch Uni, and it was a scratchy performance by us. With the weather looking like it would pour down any second we batted first and made 114, with even contributions from most. Our bowling and fielding let us down and we were not able to defend the score.

Our second game against Subi Marist was a much better outing with a stronger team available. Again batting first we put up a good score, Bradbury, Saxon and Daye amongst the runs giving us 136 to defend. Our bowling plan came together very well and we bowled them out for 98, D'Souza 3/8 and Solanki 2/30.

The final qualifying game had us in the mix to play finals if we won due to our NRR, so we faced Western Suburbs knowing a win would secure another chance at the flag despite our slow start. I managed to win another toss and batted first, the boys batted well with C Bradbury 26, Mat Smith 63, and O Fanayan 48 giving us a great score of 168! From there our bowlers did the rest and held them to 9/96 with T Allin 2/13, D'Souza 2/15 and U Bahn 3/19.

Finishing second in our group we faced Swanbourne in the Qualifying Final out at Allen Park after trying to host the game at Wyong. In staying with the season's game plan, we won the toss and batted first again. This was the ideal start to a T20 final with L Paice 50 and O Fanayan 71 no guiding us to 172. From there, Swanbourne were never in the game being bowled out for 105. J Thomas 3/9, T D'Souza 2/24 and the rest with 1 wicket each.

With a wedding to attend and the Club's 60th Anniversary celebrations, the side was without the Captain and more supporters than would normally be at the Semi/GF. Laurence did a fantastic job in leading the troops for the big day. Our Semi final played against Swan Valley and our chance to redeem ourselves from last years GF loss. After a slow start, L Paice 43 and B Daye 21 gave the bowlers something to defend. Runs on the board can never be underestimated. With an outstanding display, we bowled them out for 60 with H Shah 3/19, B Daye 3/4 and T D'Souza 2/10!

Grand final time! We played Ocean Ridge who took care of Kalamunda easily. Our winning formulae had to change, we had to bowl first! After a good start by their batsmen, we pegged them back to 109 at the close of 20 overs. Solanki 3/21 and Saxon 2/19 best performers. Our turn to bat, a cautious start by us until Bradbury 22 hit sixes to get things moving, tight batting in the middle over saw us consolidate but slowly creep behind the required run rate. Lethal and Brendan assisting Laurence who made it an exciting last over of the game, hitting a six to bring things back to even. We end up 5/109 after the final ball.....confusion and talks of super over were had until the confirmation....we had only lost 5 wickets to their 9....making us the CHAMPIONS!

Fantastic season by all involved and great to have CaptureSport sponsor the fun event. Thank you to all who helped out during the year with drinks, scoring and support!

Twenty20 Division 2 Report

It was a great experience to Captain the clubs Division 2 side for the T20 2012-13 Season, my first time in the shortest version of the game and one which I learnt a lot from. As we all know the Twenty/20 game is a different game to play and can be won on the toss of a coin or just one performance with the bat or ball or even in the field. Unfortunately for the Division 2 side this season we were only able to win one of the three games and did not get a chance to play in the final, but it was still an enjoyable experience and one which saw a number of players get the opportunity to play on turf and have some fun.

It was great to see the likes of Jos Welsh and David Sykes dust the whites off and play a couple of games and also to see Don McKeig, who was undoubtedly our best player of the season, get the opportunity to go up and play Division 1 in the finals and win a Premiership for the club. Don top scored in all three Division 2 games with 90 runs for the season at an average of 45 and a strike rate of 138, well done Keg!

Other notable performances from our games were Jos Welsh making 29 off 32 balls and Jake Lockyer's 2/26 off 4 overs v Subi Marist and Ben Millett's 33 off 41 balls in the win over Western Suburbs.

Well done to Fab and the Division 1 side for another great season and another flag for the club in the T20 Competition!

Steve Shearing 200 Games

So much has been said about Steve Shearing during his 20 year career with the Bentley Cricket Club. Outstanding administrator, purposeful leader, solid accumulator of runs, reliable fielder to name a few however almost every club member would call him mate. Steve fittingly led the 1 day side to victory in his 200th game this season on the 12th January 2013 against Subiaco Marist topping off the day with 50 not out. Steve came to the club in the 1993/94 season to be the Club Captain/Coach. Steve better known as a bowling all-rounder at that time soon showed his skills with the bat and ball during his early career with the Mighty Blues. Steve is player number 443 he debuted for Bentley alongside many of the greats and soon to be greats of the Bentley Cricket Club. The side that day contained no less than 8 life members of the club. In his first game he led from the front against Bedford at Wyong scoring 53 on Debut however the team went down in the game. Over his 1st 3 seasons with the club Steve scored his first 1000 runs at an average of 31.48, he also took 62 wickets at 14.48. His Career batting average has remained almost the same ever since with it still remaining above 30 at the time of his 200th game for the club. Steve went on to Captain the 1st side for 7 straight seasons securing the 1998/99 2nd Grade Grand final which elevated the club to the premier grade. Steve has captained more 1st grade games than any other player with 76 games as captain with a winning percentage of 42% one of the best in the club records. Steve was the inaugural winner of the Hayward medal backing it up with a 2nd win in his 2nd season with the club. He has continued to take on the role as captain in the lower grades captaining a total of over 110 games maintaining a win percentage of over 40%.

Steve was awarded life membership of the club in 2001 after only 8 seasons with the club highlighting the regard he is held in by his fellow members he is probably more recognised for his off field efforts for the club. Steve went on to be president of the club for 6 years being elected President of the club in 2003/04 season a position he held until the 2009/10 season when he stood down and took up the role of Treasurer for 2 seasons.

Steve had one of the longest waits of any great player at Bentley to secure his first ton being achieved in his 142 game for the club in the season 2006/07 with 108* against Balcatta in 4th side. He then got moving in the 100 club ranks scoring his 2nd ton only one month later and now has three to his name his last coming in the 2010/11 season which is his highest score of 114*. Steve holds the Club Record partnership for the 4th wicket, with the late great David Berry. The great mates put on 156 in the 1st side against Melville in 1995/96 season. Steve was honoured with selection in the team of the 1st 50 years of the club in the 2003/04 season along with his great mate David Berry. Steve has played in a number of grade finals over his career being the winning Captain of the 1998/99 season and including 3 wins in the 7th grade side from 2005/06, 06/07 and 08/09.

Below is a brief summary of Steve's record across the five sides which he has played in in his career to date for the Bentley Blues. We all hope there are a few more good seasons in those dodgy calves yet so we can see 1 more majestic ton or reflex catch in the gully or to lead a premierships version of "Everywhere We Go!!!" as has been traditional done.

- Strike Rate (SR) calculated only on games where balls faced have been recorded. Excludes Runs scored against Applecross and Esperance in 2009/10 Season.

Twenty20 statistics have been kept totally separate. These results do not include any invitational or club game results and have only been maintained since the 2008/09 season. They also include both Div 1 and 2 in the one summary.

Additional Authors Note

Trophies have been awarded as per the Club's constitution with all grade (except 20/20) and club performance awards based upon non-finals games.

Finally, all statistics for 2012/13 in this Yearbook have been obtained from MyCricket, as at 30 March 2013. Any omissions/errors will hopefully be rectified when scorebooks have been received and checked and the Club's statistics database has been updated by some poor unsuspecting person with lots and lots of time on their hands.

More statistics can be found at the club's website www.bentleycc.com and will be updated when available.

The author would like to thank all those who have contributed to this years book and especially Justin Warren and Sheahan Dungey. I would also like to thank all contributors and suppliers of photos.
