FROM THE PRESIDENT

Another year has come and gone and it is interesting to reflect on where we were at last year at this time, in an attempt to predict where we will be in 12 months time.

A year ago we had come off a season where our top side had not won a game, but the lower grades were both competitive without making the four. At times during that season we struggled to get enough players to fill all 3 sides, but despite this the club had had a good year financially and was hopeful of performing better on the field during 1993/94.

There was a recognition around the club that it was time to appoint an "outsider" as coach in the hope of taking the club out of the doldrums. Enter Steve Shearing, a well respected opponent over many years at Victoria Park Cricket Club. Immediately the quality of training and enthusiasm around the club lifted several notches. Numbers at pre-season training reached a record high and the historic decision was made to enter a fourth team. A decision that was vindicated as the season wore on.

The on-field performances immediately improved with all teams playing with a new keenness. As the season rolled on, Steve's hard work and will to win began to rub off and at the end of the season, the club was winning more games than it was losing. Significantly the top team had won 3 games, been competitive in most of the others, and had managed to lift itself off the bottom of the table to a final position of tenth.

The club has quite clearly made great progress since this time last year. Bentley can quite rightfully face the 1994/95 season with confidence and anticipation. No doubt the credit for this improvement falls justifiably with Steve Shearing's professional approach, but I'm sure that Steve will agree that some credit will also go to the players who supported him this year.

Off the field the club celebrated its 40th year, the culmination of which was the reunion dinner. Past players and stalwarts commented that it was one of the best nights in the clubs' history. Socially, the club had a very good year with the highlight being a number of "inaugural" events.

Finally, it is with some sadness that the day has finally come where Geoff Farrall has played his last game for Bentley. Geoff achieved the wonderful milestone of 400 games for Bentley, but his off field exploits have also been unforgettable. Geoff has ensured that Bentley Cricket Club will continue in the fine traditions that he helped create.

To the committee, other helpers and the players thanks for your support. Your President says thank you.

Let the new season begin.

ANDREW 'ACE' HAYWARD
President
BENTLEY CRICKET CLUB

2ND GRADE

Bentley's top side experienced a season of frustration and finished 10th in 2nd Grade after winning 3 games. However, this does not accurately reflect the story of the season under new Captain-Coach Steve Shearing. The professional training methods and the attention to team building were highlighted throughout the season. Additionally, the introduction of some 9 new players into the side ensured that the latter season objectives of rebuilding and addressing our needs for the future were achieved.

The batting feats of Steve Shearing and Colin Dymock were outstanding (each scored 3 half centuries) their performances placed them in the top bracket of batsmen to have played with the club. Apart from Ian Dickerson the remaining players lacked consistency apart from the occasional innings of substance.

Spinner Colin Dymock capped off a fine season by being the leading wicket taker, twice taking stands of six wickets in an innings. Colin was ably supported by the consistent wicket taking of Steve Shearing, Colin Chilcott, Ian Dickerson and Tony Magill.

The fielding reflected the hard work put in at training with keeper Steve Tagliaferri and outfielder Tony Magill both outstanding throughout the season.

4TH GRADE

The 4th Grade began the season sensationally by winning two of their first four fixtures. (Including the first outright victory by this side in 10 seasons). However a mid-season slump that included 3 narrow losses destroyed any hope of making the four. To the teams credit they won the final 3 games of the season in brilliant fashion to finish with 5 wins and a position in the middle of the table.

Skipper Brian Hayward had an outstanding season with the bat (including 3 scores in excess of 60) however for much of the season his was a lone hand. Opener Steve Cairns started and finished the season with scores of 50 plus (his first in this grade in over 100 games) to provide some top order support.

The bowling department was led by Brian Williams and Mark Lukan, both bowled consistently and at times brilliantly throughout the year. Special mention must be made of Mal Dickerson's fine performance against Murdoch, combined match figures of 13/41 (6/27 and 7/14) placed him second only to the legendary Geoff Farrall (14/43) for the greatest number of wickets in a match in this grade.

In the field, keeper Glenn Davies was head and shoulders above his team mates, whilst slips specialist Brian Hayward and tyro Steve Thorpe provided support.

7TH GRADE

The 7th Grade began the season disastrously with 3 big losses, but settled down in the middle of the season to win two games and lose narrowly by 1 run in another.

Overall though their season performances of 3 wins was not up to scratch and may see them face relegation next season. The batting during the season proved to be consistent without being outstanding, despite this young players Kevin Magill and Paul Warren both batted in the top order and turned in their best season performances. Other solid performances were contributed by opener Damica Wickramaratne and Brendon Kelly from limited appearances before being promoted.

Captain John Williams capped off a fine all round season by being the leading wicket taker and continues to lead from the front. Greg Dickerson, although playing up and down the grades, provided strong support including a career best 7/14 against Dianella Alexander. Medium pacers Steve King and Lindsay Guy were useful contributors early in the season when the side was struggling.

The early season fielding form of Brendon Kelly proved to be outstanding, with keeper Damica Wickramaratne again reliable behind the stumps, whilst outfielders Kevin Magill and Paul Warren were tireless contributors.

9TH GRADE

For the first time in Bentley's forty year history a fourth team was entered and placed in the 1 day 9th Grade competition. Association rules and lack of numbers saw the team short of players early in the season. This was rectified as the season wore on with a nucleus of good players being available for each fixture. Including a forfeit Bentley won 5 of the 18 games to finish in the lower half of the table.

First year skipper with perhaps one of the most difficult jobs in the Club led the team and the batting with distinction. Newcomer Shaun Bryce and part timer John Atkinson provided consistent support. Outstanding one off contributions by Ken Sloper, Mick Kennedy and Phil Crockenburg indicated that they all have the ability to play in higher grades in the future.

The bowling honours were shared evenly with part timers Frank Matera and Gus Edmonds being the main contributors, Frank's 6/14 against Shenton Park was the single best performance where bowlers are each limited to a maximum of 8 overs.

Shaun Bryce was outstanding in the fielding department to top off a fine debut season and an excellent all-round performance.

BENTLEY'S CRICKET GURU

The 1993/94 cricket season saw the introduction of a new Captain/Coach. Steve Shearing arrived like a breath of fresh air. His arrival saw sweeping changes to many aspects of Bentley's cricketing heritage. Changes not for the sake of change but for Bentley to again become a significant force in the Suburban Turf Cricket competition.

Among the changes recommended by Steve and adopted by the committee were the purchase of club training shirts and club shirts to be worn to games. Both of these purchases were well received and found all regular players sporting their new Bentley attire with pride. Pre season training began in earnest in July and immediately results were noticeable. The numbers were excellent and this continued throughout the cricket season despite the reality that all teams would not make the finals after 10 rounds.

As a player in the same side as Steve I saw his many sides. Firstly, his competitive instinct is enormous. His positive attitude in this regard reflected on his team and despite some ordinary results, the three wins was a significant improvement on the previous season and a lot of the top sides achievements this season can be put down to Steve's direct influence.

Secondly, his ability to communicate with all of those around him. He always makes time to talk to players individually and listens as well as advises. I believe his communication skills have allowed Bentley to recruit and retain players this season and negotiate the changes with the committee that he feels is necessary to make Bentley a great cricket club.

Finally Steve's many quotable quotes "look at me", "at a hustle" and is there anybody Steve does not know? It would seem not, as he calls everyone he meets "buddy".

The committee has shown great foresight in negotiating with Steve to remain at Bentley for the 1994/95 season with an option for 1995/96. Steve has built a significant base to build Bentley into a great force in this competition. I am sure we will see the fruits come finals time next season.

C.C.

2ND GRADE

1993/94 SUMMARY

A SOLID PLATFORM TO BUILD ON!

The season began with the anticipation of significant improvement from the 1992/93 season which was winless. With new Captain/Coach Steve Shearing leading from the front and the addition of new all round Colin Dymock adding to the solid nucleus from 1992/93 more wins than losses were expected.

After game 1 against Bedford it didn't look good after being caned all over the park and then being rolled for a meagre total it looked as if 1993/94 would be a repeat of last season. This was not to be although our final record of 3 wins and 8 losses is not exactly awe inspiring, it did show that positive signs are emerging.

The wins against Melville, M.N.O.B. and Girrawheen were obtained achieving basic goals we had discussed at the start of the season. Each time we achieved these aims we won. Each time we didn't, we lost. In all it was that simple although there were some games which we threw away either by the loss of quick wickets, poor bowling or dropped catches.

There were some very good performances from individual players during the season. Colin Dymock always looked to be our best batsman and although he did not achieve what he would have liked he did compile 370 runs including a magnificent 91 no, 80 and 63. Significantly we won all three games in which he made these scores. Colin also took 28 wickets with his well flighted leg spinners including hauls of 6/43 and 6/66. Steve Tagliaferri was promoted to the top side early in the season and was like a breath of fresh air. Not only did he complete 25 dismissals (19 catches and 6 stumpings) but he often provided solid support with his batting which provided him with a club record 10th wicket partnership with Ian Dickerson and also earned him a promotion into the middle order by the end of the season. The other significant all round performance for 1993/94 was that of Steve Shearing. His total of 389 runs included 3 half centuries of which his 84 against M.N.O.B. from the opening position provided a solid foundation for our moral boosting victory and saw him robbed 16 runs short of his maiden century by probably the worst LBW decision in the history of the game. Steve also took 19 wickets and often achieved breakthroughs at important times with his stump to stump medium pacers.

There were some fine individual performances by players in particular games. Tony Magill took 5/33 against Bassendean, Colin Chilcott 5/49 against M.N.O.B., Ian Dickerson 6/76 against Bedford were good bowling performances whilst Peter Quartermaine's 57 against Murdoch, Ian Dickerson's 57 against Wembley and Colin Chilcott's 66 against Nedlands showed some good batting form on those occasions.

In summary, there is a platform to build on for the 1994/95 season where as there really wasn't at the end of last season. The players showed admirable commitment and steadily improved over the year which culminated in an emphatic win over Girrawheen. With perhaps the addition of a genuine fast bowler and another batsman I believe the 1994/95 Bentley Top Side will play in the finals.
