# Presidents Report

To Our Sponsors, Patrons, Players, Partners & Families, Life Members and Supporters. Thank you all for your efforts and support during the 2022/23 season. It was definitely one of the harder on field seasons in recent memory with not much success for any team throughout the season. However everyone tried to make the best of what we had and in the end with 1st grade avoiding relegation and 5<sup>th</sup> Grade again making finals we give ourselves something to work towards for next season. At the moment our depth is lacking and this must be a focus for next season if we are to be successful in winning cricket matches.

I'd like to thank the committee for all their hard work again this season. We are in a very strong position financially and this is credit to all those who volunteer their time to help not only the club operate successfully each season but also hopefully grow over the next few years as well.

The highlight of the season was undoubtedly the 70<sup>th</sup> year anniversary luncheon. To see close to 100 past and current players, life members and genuine club legends getting together to reminisce and talk about what the club has meant to them was a very special day. A big thanks to all those who helped put together the day and a special mention to Jay Smith and Steve Shearing who worked so hard at late notice to make it a day to remember for everyone who attended. To Justin Warren, Jay Smith, Mark Petta, Cam McNab, Peter Smith, Mitch Crew and the other Captains, a special thank you for your all your hard work over the season on the cricket side of things. It is very much appreciated by the committee for all the work you have done over the past season.

On behalf of the club I'd like to thank our Sponsors for your support. As we look to continue to grow the club in coming seasons, particularly with the introduction of multiple junior teams, your ongoing support is going to be invaluable. To Neil Gardner who sadly left us on the 16<sup>th</sup> of March. Thankyou from the bottom of my heart for all you did for the club. You will be sadly missed mate. RIP.

Finally I'd like to thank all members of the club for this opportunity to be President for the past five seasons. It's been hard work but extremely rewarding. I've decided that it is time to pass the baton on to the next person and look forward to seeing them grow the club and return us to some well deserved on field success.

Sincerely

Chris Pritchard  
President of the Bentley Cricket Club

# Coaches Report

On behalf of Assistant Coach Tony Magill and myself, thanks to everyone involved in the 2022-23 Season!

It was tough going from start to finish and we didn't achieve the ultimate success that we strive for every year, a flag, but there were enough positives, that I am confident it won't be long and we will be standing in a circle once again singing 'We are the Bentley Blues' at the end of a Grand Final weekend.

Thank you to the Committee and the player group as a whole, because right from the first Wednesday 'Fitness Session' in August, I have had fun and enjoyed attending every training night and you have all helped make that possible.

A big thank you, to the players who assisted Tony and I at the nets over the season, the ever-reliable Omid Fanayan, Travis Keys, Ben Roberts, Cam McNab and Darren Leng. Our 'Most Improved' trophy (if there was one) would be going to Campbell 'Murali' Brown.

Campbell certainly added something to the group, his desire to improve and become part of a team, along with his determination to work hard, well and truly paid dividends when you see how far he has come already.

To the Cricket Department, thank you for your support and commitment, to the Coaches and what we were aiming to achieve. Together, I feel that we have put in place a training structure, that can stand as a platform for future seasons to build on and is something that we can all be proud of.

As a Club right now we are fortunate, in that we not only have some quality cricketers playing in our 1XI, they have proven themselves to be quality men as well. The manner in which they have dealt with the challenges we have faced over the past two seasons, while staying as focused and team orientated as they have, has been as professional as I could have asked for and I thank you all for your dedication and commitment.

Finally, the biggest thank you goes to the three people I couldn't have got through this season without, our Club Captain Mitch Crew, Assistant Coach Tony Magill and my everything Denise.

Mitch, you have been an inspiration in your attitude and commitment to the position, especially under some of the circumstances and pressure you have faced. I don't say this lightly, but in my opinion, you are the best Club Captain we have had since Steve Shearing (1999-2000) and it has been a privilege to have been able to work with you over the past couple of seasons.

Tony, when you agreed to be my Assistant Coach, I thought that was the last I would see of you until the end of the season, as has been the case every other time. Seriously, I knew once you came on board, you would approach the role just as you have done with all the others, professionally and with one hundred percent attention to detail. I had no doubt that you would see the season through and also, that we would achieve a lot more with you on the team and you by far exceeded my expectations in every aspect.

To my Luffly Denise, I love you for all that you are and all that you bring out in me.  
Thank you for helping me achieve everything I wanted.

Justin "Hollywood419" Warren

# Chairman of Selectors Report

Season 2022/23 was certainly not without its challenges, of the 1<sup>st</sup> XI Side which competed in the 1<sup>st</sup> grade grand final last season, only 6 players were available most of this season. It goes without saying this vacuum had ramifications right across our five sides. To coincide with the 70<sup>th</sup> season the committee undertook to award complimentary "First XI" baggy blues to every player representing the top side as well as introducing a numbering system for all first XI players and it turned out to be a prolific season in which to launch this initiative. From a GF run in 21/22 requiring 13 players only, we managed to avoid the dreaded relegation by one win, employing 21 players along the way in 2022/23.

My sympathies lie with first XI skipper Mitch Crew, who it seemed was afflicted by the misfortune usually reserved for skippers of the lowest sides. Crew had to deal with Saturday morning withdrawals, calls for sub fielders, calls for subs for sub fielders, scorebook debacles and player eligibility anxiety to name a few. The fact everyone made it through the season still in top grade and still mates is admirable and testament to some even-headed leadership. Neither of us will miss the Saturday morning phone calls.

The second XI had an equally forgettable season, captain Bobby Banerjee did his best with a side that rarely fired and often lost players to the top side late in the piece. Post Xmas saw other talent pushed into threes to chase finals, this culminated in a humiliating outright defeat for the twos in the last round of the season. The statistics make for grim reading with only one player scoring 200 runs for the season and no bowler taking more than 11 wickets. Bobby's enthusiasm for selections never dampened and was often picking his team on the Mondays, 'Bobbifying' players and on more than one occasion even the opposition into giving him the team he wanted.

The third XI being promoted into fifth grade was a bit of an unknown quantity as the club has not fielded a third XI against the best astro sides in the competition for some time. It was therefore very pleasing to see the side play finals yet again. Thanks to some cunning or lucky captaincy from UJ Bhan who convinced a finals rival not to chase outright against his team with only 9 bats available, and then winning outright themselves in the following round, the team made it in on quotient - only to fall to the old rivals from 6<sup>th</sup> grade Subiaco Marist. As in recent seasons, UJ was able to recruit players at will to fill his side. However, getting them and himself to games on time, training, paying fees and fines proved to be the greater challenge. Difficulties around selection were created by being unable to promote or drop players from the threes when they themselves were provided several priority picks from the club's limited squad to make finals.

After some September arm-twisting Darren Leng was installed as captain of the fourth XI, this season playing in 8<sup>th</sup> grade. Regrettably, the demotion did not see the team having an easier run or more turf matches as the side struggled to bat the overs or take the ten wickets. A great volume of dropped catches was the primary grievance aired back at the rooms most Saturday evenings as the 8<sup>th</sup> graders ploughed doggedly on through a tough season, made tougher when their gloveman was a priority pick elsewhere from R9 onwards. Darren at short notice had to rope in family, friends and whoever else was on two legs to fill his side on a Thursday night, to which the club and I are very grateful.

The 5<sup>th</sup> XI one day side enjoyed their season in OD4s, led by seasoned campaigner PC Smith the Bentley 'old boys' were on a roll early, winning the first 5 matches of the season. Players called away for State duties, injuries, and tougher opponents slowed the momentum but some January and February priority picks to sure up the finals campaign was successful and the side finished in third with a 9-5 record. Unfortunately, the R17 loss against Balcatta was replicated playing them eight days later in the well-attended Sunday semifinal. This was also the last match Neil 'Gards' Gardner scored for Bentley CC, his loss in the week after our season concluded was a shocking and deeply felt one. May he rest in peace.

We look forward to a new season in 2023/24 and I wish all the best to the next chairman of selectors to take on this rewarding role.

Jay Smith #801

# 1st Side Report

Coming off a very strong 2021-2022 season for 1<sup>st</sup> grade, there was a strong belief that we'd be able to build on that momentum going in to 2022-2023. Unfortunately, this wasn't to be, with a few personnel changes from the season prior, we were left struggling with depth across all grades. Player availability was also cause for concern as the season rolled on, with players being unavailable due to multiple reasons, we weren't able to achieve continuity. Twelve rounds passed and every game we were forced into a change, just highlighting the fact that consistency was hard to find. Though these issues plagued the club, it did give opportunities to a number of players to play in higher grades and get exposure to tougher opposition.

From a 1<sup>st</sup> grade perspective, the season on field wasn't off to the best start, losing our first four games and sitting near the bottom of the ladder, we were struggling to find what our best team looked like for us to be as competitive as possible. Although we lost, a major highlight from round 4 against Murdoch university was Mon Solanki's 7/69, who bowled superbly and kept us in the game against the top side.

Sometimes desperate times call for desperate measures, so we sent an SOS to Fab hoping we could convince him out of retirement for a game or two. Thankfully he said yes, and it instantly paid dividends. Playing round 5 against Swan Valley, Fab showed the experience we'd been lacking, scoring 49 not out, he was able to guide the team home for our first win of the season. This gave us the boost of confidence we needed, and the following week we knocked off North Perth in an all-round team performance, giving ourselves two wins in a row and some breathing room from the relegation zone. Unfortunately, we couldn't beat Fremantle Mosman in the last game before Christmas and went into the break 2 wins and 5 losses.

Post-Christmas we knew a couple more wins were crucial in avoiding relegation and beating Bedford Morley in round 8 gave us some more breathing room. In rounds 9 and 10 we came up against Murdoch and Swanbourne respectively and unfortunately, we couldn't get the wins, meaning we were now in a three-team race for relegation, between ourselves, Bedford Morley and High Wycombe. We needed some inspiration in round 11 against Balcatta, and Adam Palumbo delivered when required, taking his first hatrick for the club, we bowled exceptionally well and bowled them out for 107. We chased it down and set up a round 12 clash against High Wycombe where whomever lost was going to be relegated.

It all came down to this, one game would determine whether we'd stay in 1<sup>st</sup> grade next season or drop to 2<sup>nd</sup> grade. With it all on the line, we again called on an experienced player, Manuel Hunwick who had just arrived from Melbourne and was convinced to play. Well didn't he make a difference, batting first we only managed to score 146, where he scored 79 off his own bat. With the ball we were on top, and early on day two we had them 6/62 and ahead in the game. They put a partnership together and were all of a sudden 6/114 and it was coming down to the wire. After another excellent all-round season, it was Awais Mehdi who got the crucial breakthrough and between him and Tasman Harris they cleaned up the tail. We bowled them out for 118 and cemented our spot in 1<sup>st</sup> grade for the 2023/2024 season.

Although the season didn't play out as we had expected, it was a fantastic result for the club to remain in 1<sup>st</sup> grade and allow us to look forward to building a strong team for future seasons. I'd like to thank the club for being so supportive this season, we always remained positive and it made the challenging times just that little bit easier. To Holly and Tony, thank you for your incredible support this season, we caught up multiple times throughout the season and every time it was nothing but positive conversations, talking about what we can do to keep improving and making sure the club was in the best position possible for the current and future seasons. Although it had its challenges, I thoroughly enjoyed captaining my first full season and look forward to building on that into the next season.

Lastly, to Neil Gardner, these last couple of weeks have been difficult to say the least, and sometimes it's still hard to believe that you're no longer with us. Every week, without fail, you'd be at the game scoring, doing whatever you could to help not only the team but also the club. The Bentley Cricket Club will never be the same without you, Saturdays for 1<sup>st</sup> grade will be incredibly different next season not having you there to score and we will all miss you deeply. Thank you for everything you did and keep your scorebook up there with you to continue doing what you love. RIP Gards.

Mitch Crew  
1<sup>st</sup> grade captain

## 2<sup>nd</sup> Side Report

Bentley as a club went into the season with quite a few players from top grade dropping out due to various factors - interstate relocation, devoting time to family and not to mention retirement. This had a ripple effect on the subsequent teams, especially the second eleven.

I expressed my interest in captaining the side, more as a challenge to establish a core group going forward.

While we did not start the season well, we showed some very promising signs towards the middle and end of the season.

### Game 1 vs HIGH WYCOMBE

Bentley started extremely strongly, reducing High Wycombe to 4 for 39 and then 6 for 135. However, some lusty hitting towards the end propelled the score to 179. In response we were never in the chase, losing a cluster of wickets between 50 and 70 runs, eventually finishing with 133. Very economical bowling from Josh Ericson with figures of 1 for 18 from his 8 overs was the highlight.

### Game 2 vs BALCATT

Balcatta had a slow start. They would have been 4 for 67 but a very sporting decision brought back one of the batsman who had been given out by umpire. He eventually went on to score 59 runs out of a formidable 192. Bentley chased well with Kaushik Vidyadhar scoring a well compiled 38 on our way to finishing with a total of 161.

Again, losing wickets in clusters ruined our chances towards achieving their total. Andrew Stace finished the show with some lusty hitting against a bowler coming out of retirement.

### Game 3 vs WEMBLEY

Wembley, the strongest side in the grade completely outplayed us in every aspect of the game. They amassed a huge 336. Even though the scoreboard will not tell the story, Andrew Stace bowled a memorable spell. Nikhil and Mahendra batted well to give us some respectability even though we finished with a paltry 94.

### Game 4 vs MURDOCH UNIVERSITY MELVILLE

Bentley again had Murdoch reeling at 3 for 29 and later, 6 for 131. However, lack of sportsmanship saw a batsman not walking in a self-umpired game. He went on to score 94 not out with Murdoch posting 300. Bentley did an amazing effort in the chase with Lucky Singh scoring a brilliant 61 and Nikhil scoring 47. Throughout the chase, we were in the hunt - 4 for 196 with 105 runs to get with 6 wickets in hand. The middle to lower order failed to carry on the good work from the top order and we fell short by 58 runs in the end.

### Game 5 vs SWAN VALLEY

#### FIRST TASTE OF BLOOD

Swan Valley, along with Bentley went into the game not having won a game. Bentley finished off Swan Valley at 99, with Stace taking 4 for 11 and getting their skipper off a bouncer that bounced pretty much in front of Stace's feet. Bentley finished off the game with the loss of 3 wickets. Jessie Musitano making a brilliant and flamboyant 39.

### Game 6 vs NORTH PERTH

Bentley carried the momentum from the previous game to beat one of the premier clubs in the competition - NORTH PERTH. Ram Reddy took 6 for 38 and literally destroyed their batting on his own. North Perth were reduced to 4 for 54 but went on to make 185 due to a couple of guys making 50 and 46. We started very well, losing our first wicket at 44 and were then 2 for 92 which became 4 for 96 soon after. Ram and Mahendra to the rescue again scoring 54 and 51 – the final score being 6 for 229.

### Game 7 vs FREMANTLE MOSMAN PARK

Bentley travelled to Freo, carrying a rejuvenated spirit and did not disappoint with the batting. Fremantle had the best bowling attack in the competition, and we smashed them to score 186 off the allotted 40 overs. Kieran Smith scoring 67 and Nikhil Shekhar scoring 64 absolutely dismantled their bowling. While it is a very defendable score Bentley gave away too many runs in the first 8 overs. All in all, it came down to the last over of the day with 3 runs needed. Mahendra who had earlier lost his rhythm was entrusted with the ball, and he did not disappoint. A run out off the last ball saw a tied match. Matt Lockyer bowling a fantastic spell of 4 for 29 with Nikhil taking some brilliant catches behind the wicket along with a run out.

#### Game 8 vs BEDFORD MORLEY

Bentley went in with the strongest possible batting line up in the history of the competition. With 9 batsmen, confidence was high, however things sometimes don't work and that is exactly what happened with Bentley all out for 100. Ram scoring a very good 42 with the remaining 10 batsmen scoring only 58 runs. Bedford got the runs for the loss of 3 wickets.

#### Game 9 vs MURDOCH UNIVERSITY MELVILLE

Murdoch scored a strong 262 with some lusty hitting on a very hot day. Vishav Gill suffering a heat stroke and only managed to bowl 4 overs. Chasing, Bentley were all out for 152 with Mahendra scoring 41 runs. Quite a few batsmen had starts but failed to convert into large scores.

#### Game 10 vs SWANBOURNE

Game 10 saw us take on the eventual grand finalists Swanbourne who had just lost one game at this point. Batting first, Bentley scored 208 runs with Nishanth Sampath coming out of hibernation to score 88 off 85 balls, helped by Chris Pritchard (32) and Ram Reddy (22). Nishanth wasn't finished yet. The introduction of him to bowl the last over before drinks saw him go on to bowl 8.4 overs taking 5 for 11. Swanbourne who were at 1 for 111, finished all out for 159.

#### Game 11 vs BALCATT

Bentley restricted Balcatta to 165 with Nikhil bowling a brilliant spell of leg spin for figures of 3 for 26, supported by Mahendra (2 for 24) and Jay Smith (2 for 29). The chase had some hairy moments with wickets falling in clusters. However, we held our nerves to get past their score. Young Ben Whelpdale scoring an unbeaten 67, ably supported by Mahendra with 27. Bentley got there with 4 overs to spare.

#### Game 12 vs HIGH WYCOMBE

At this point there was some fatigue noticed amongst players. Plagued by 2 injuries and various commitments we were short of fielding 11 players at one point. Batting on a very bouncy and moving pitch we were rolled for 64. High Wycombe in return did not show any nerves to amass a score of 208 declared. Trying to bat out to save the game, we failed, being rolled for 72.

The ladder for the season may have been a disappointing one, however at one point we had 7 out of 11 players who had never played at this grade before. 4 out of those 7 hadn't even played on turf.

As the season progressed we gained some confidence and self-belief which saw some good results.

The most satisfying part of the whole season was to see a core group of players forming and standing up from lower grades. This will only get better in 23/24.

Bobby Banerjee

## 3<sup>rd</sup> Side Report

After two seasons of being involved in finals, the team gained promotion to 5<sup>th</sup> grade, a level that the Bentley 3<sup>rd</sup> team had not played since 2010/11 – so, an unknown for most players that have regularly represented this side in recent seasons.

Fixture one was a one day match at High Wycombe, they batted first and fought their way to 9/160, with a young player showing that if you bat time, the runs will come. He was the only player to score more than 20 (61 from 104 balls) – which proved to be the difference. When it was our turn to bat, quick wickets fell, at 6/28 the match was pretty much over, and the lower order got the score to 96 before we were bowled out in the 25<sup>th</sup> over. The match provided an insight into the rest of our season, bowling and fielding were good (with sharp catches taken in the cordon, and a variety of bowlers hitting the spot).

Next, we hosted Applecross, bowling first again, we restricted them to 8/138. The top order put up a better showing this time around, with the top 5 all getting to double figures, we passed their score 7 down in the 39<sup>th</sup> over.

Our first two day fixture was in round 3, and the first turf match for some of our players. Getting sent in was no surprise when the opposition captain won the toss, with all conditions (weather, pitch and outfield) suited to bowling. We made 6/205 from 72 overs, with Keg 91\* and some late hitting from Khush (40\*).

The 2<sup>nd</sup> week saw a freshly mown outfield, a sunnier day and harder pitch. Nine bowlers were used all up in trying to break partnerships, but they passed out score with plenty of wickets and overs in hand (5/220 when the match was called off after 60 overs). Most of the talk after the match from the opposition was how Keg would have scored 130+ if the outfield was similar the week prior.

In saying this, they did show us how to bat, letting the ball go, playing straight to keep good ones out, and when the bowler waivered, attack that one. They were the best batting side in the grade in my opinion.

Back to Centenary for round 4, Bedford Morley the opponents. They sent us in, we lasted into the 54<sup>th</sup> over making 174. They seemed a young side, and had a few familiar faces from seasons gone past, but we know we could put pressure on, especially if we could get their captain out early.

Wickets fell regularly, and a win was achieved early on the second day. We did bat again, calling the match off early, at 2/70, we were very happy with this match.

Home again, this time to Wembley Districts. We bowled first, restricting them to 167. After a great start (57 run opening stand), things started to fall away. Vihaan Salaria was starting to be consistent as an opener and made 41 (his highest score to date), but the match belonged to Dendi Reddy, making 104\*. Their score was passed 8 wickets down and Blake Foggo at number 11 stuck around long enough for the 100 to be scored (35 run last wicket stand).

Round six was our second turf match, this time against Murdoch University Melville. They won the toss and batted the majority of the first day, making 191. A lack of turf experience saw us lose a few top order wickets (not getting forward), their 11B taking 5 wickets (regular 3<sup>rd</sup> grade bowler coming back from injury), a loss resulted, 142 was our final score.

Sitting at 3 and 3, the last match before the break was a pretty big one in trying to finish the year in the top 4. It was against Subiaco Marist, who we have played finals against the past few years, and not been able to beat them. They sat comfortably on top of the ladder, not dropping a game, and this was no different.

Batting first, they made 199, being bowled out for the first time all year. In reply, we made it to 7/142, with them having 6 fielders on the boundary for the majority of our second 20 overs.

First up in 2023 was Bedford Morley (another turf match), we batted first and got to 7/257. Top scorers were Andrew Stace (66), Vihaan Salaria (49) and extras helped out with 43 wides and 9 no balls. Again, their lack of depth shone through, with young players not being consistent enough. We ran through their batting line-up in the 23<sup>rd</sup> over, bowling them out for 71.

We then hosted Western Suburbs, who opted to bat first, and made their way to 167. A bright start, then a few wickets started falling, it was left to Nikhil Shejwal and Ujjwal Bhan to get us over the line. They had an unbroken 50 run partnership and pretty much a run a ball, we passed their score 7 down, with 14 balls remaining.

Momentum was starting to build and Applecross was up next, surely we would account for them after seeing what they had in round 2. Nothing could be further from the truth, their side had dramatically changed for the better, we were bowled out for 98 (16 for Lucky and Vihaan at the top of the order, and 48 for Magill were the only double figure scores). Day two was hot, we only had 9 players and were in for a long day. We eventually bowled them out in the 85<sup>th</sup> over of the innings for 357. The talk amongst our group earlier in the day was about them passing our score, getting quick runs (which seemed to be the way when their number 4 raced to 82 from 56 balls), and putting us back in to try and obtain an outright (as things were getting close in the middle of the ladder, 4 sides vying for 2 spots). The heat probably put them off, and after the match their captain said they had already obtained an outright result, so it would not have made a difference.

The following day was the one day semi final against Western Suburbs, with many of us feeling the effects of the previous day. We lost the toss, fielded first and held them to 131 (Darren Leng taking 3/19 in his only match in this side for the season). We lost regular wickets and were bowled out for 91.

High Wycombe at home was our next fixture, they won the toss and batted, with us bowling them out for 83 halfway through the day. We made our way to 123 early on day 2, and put them back in. They fared slightly better second time around, making 89. We had 15 overs to score 50 runs for an outright and put us right back in finals contention. We achieved the runs in the 10<sup>th</sup> over, with Jesse Musitano finishing on 35\*.

If Applecross had improved greatly, high Wycombe had gone in the opposite direction. The team we played in round 1 was far superior to the one we had just played.

Subiaco Marist was our opponent in the last fixture, and we struggled with the bat, only making 81. They passed our score towards the end of the day, making it not necessary to turn up for day 2. Those thoughts changed during the week, when trying to qualify players for finals and Applecross looking to turn this into a forfeit so they could get into 4<sup>th</sup> spot made a second day a must. It was a circus, but photos were taken to prove we were there. The scores were being uploaded to Mycricket, and we ended up in 4<sup>th</sup> position at the end of the regular fixtures. Subiaco Marist undefeated all year, were then our opponents in the semi, at the same ground (so 3 weeks in a row travelling to Lukatina).

Batting first they made 9/230 from their 72 overs. We never looked like getting there, losing consistent wickets and finally being bowled out for 121.

## 4<sup>th</sup> Side Report

The 4<sup>th</sup> XI 2022/23 season was one of missed chances but also one of great opportunity and development. As is the lot of the 4<sup>th</sup> XI, there are often regular changes in players week to week and this season was no different with twenty-five (25) players having played for the 4<sup>th</sup> XI including ten (10) debutants for the 4<sup>th</sup> XI.

The season started with optimism and a team filled with experience and four (4) debutants (Kishore Mahendran, Campbell Brown, Anil Katariya and Muhammad Ali). The season started with a 1-day game at home to Fremantle Mosman Park, a loss of the toss and given the ball. Clint Mc Murray started the season with a bang, taking a wicket with the first ball of the season. This continued with all of the first three (3) wickets going for 0, having Fremantle 3/5 after 3 overs. A great all round bowling effort saw FMCC all out for 111 with Kishore Mahendran taking 3/16 on debut. Steady start by BCC, however a bit of a look into the season to come, BCC started to lose wickets at regular intervals seeing the 4<sup>th</sup> XI 8/77 off 30 overs. McMurray and Leng steadied the ship. With 3 overs left BCC were 8/99 and entered the last over needing 2 to win, which we did with 4 balls remaining. A great, albeit nervous, start to the season.

Round 2 saw us head off to Bassendean for the second 1- day game and another debutant (Ebin Abraham). Another toss lost and into the field for BCC. BCC down to 10 players at the start due to a miscommunication at selection. Early into the game BCC were down to nine (9) fit players due to an injury to Watson. Steady bowling, and some dropped chances, saw Bassendean make 197. BCC started the chase quickly, but lost wickets early slowing the run rate. Don McKeig (Keg) settled the innings with Beaucasin, putting together a partnership of 92 before Michael Beaucasin fell for 44. McKeig upped the run rate, hitting some superb sixes before falling for 61. The fall of McKeig's wicket put the brakes on the BCC chase with the team failing short by 27 runs. The dropped chances were a glimpse of things to come.

Round 3 had BCC host Subiaco Marist in the first 2-day game of the season. The game welcomed another debutant (Thomas Johnson) and the return of Dan and Blake Foggo to BCC. BCC lost the toss (again) and were sent into the field. A steady start with the ball had SM 2/30 after McMurray removed K Waqar with a superb out-swinging delivery caught behind by McNab. However, SM steadied, rode their luck, and scored a solid 235. Day 2 started gloomily with some rain around, but fortunately had no impact on the day's play. BCC started 1/0 as the 11B was absent due to illness. Gray opened the innings, his first time for BCC, and got us off to a solid start with Ed Daquino, falling when the teams score was on 78. A couple of quick wickets fell thereafter. D Foggo batted well while wickets fell around him, remaining not out on 60, with BCC finally dismissed for 125. D Foggo scored his first 50 and his highest score for BCC.

Round 4 had BCC hosted by North Perth in another 2-day game with Elijah Callis making his debut in the 4<sup>th</sup> XI side. BCC won the toss, and with a strong bowling attack, elected to bowl first...Not a great decision by the skipper as we watched Norther Perth amass a total of 325. Given the BCC batting form leading into the game, this seemed a bridge to far. As it turned out, this was true. However, BCC batted with conviction and held out into the 72<sup>nd</sup> over, finishing 8/193 with Cam McNab the outstanding performer with 55 not out with the bat, complementing his 2 catches and an assisted run out.

Round 5 had BCC play Fremantle Mosman Park at a small school ground (Mann Oval). BCC won the toss and elected to bat. A far too familiar pattern emerged with BCC losing early wickets and never established any significant partnerships. Krishnamoorthy was the standout with the bat, making a quick fire 41 in a total of 81 with a number of shots into adjoining gardens and yards. FMPCC batted day one out, passing the BCC score to be 2/115 at stumps. An outright appeared to be on the cards. Day 2 started with FM batting quickly to get to 181 (Leng 5/32, Gray 1/13) before sending BCC back into bat chasing an outright not before Brown making his debut with the ball, with a steady 0/2 off his overs. BCC started the 2<sup>nd</sup> innings steadily losing the first wicket on 24. However, wickets then fell at regular intervals. A good rear-guard fightback by BCC advanced the score to 7/126 when the game was called, ensuring we would not lose outright. Laurie Gray continuing his development as an opener and some good signs with Campbell Brown and Elijah Callis adding to the bowling depth.

Round 6 had BCC host Applecross with BCC winning the toss and electing to bat. Unfortunately, the ghosts of games past came back to haunt us, seeing us dismissed for 72. Although the team had been struggling with performances, there was never a lack of desire or intent. This was never more evident than in the Applecross first innings. We entered the field with a determination to make things difficult for Applecross chasing a low score, and that we did. Some good bowling, backed up with good fielding put pressure on Applecross, resulting in us taking early wickets to have Applecross 7/68 at stumps still needing 5 runs for victory. Day 2 started with BCC chasing an unlikely victory, but with an air of optimism. Unfortunately, Applecross managed to edge their way past the BCC score, finally being bowled out for 86 (Leng 7/34). BCC batted a second time wobbling to 7/89 when the game was called (Beaucasin 20 no). More work to be done with the bat.

Round 7 saw BCC hosted by Subiaco Marist in the last game (a 1-day) before the Christmas break. BCC was sent into bat after losing the toss and our batting struggles continued, with us getting to 8/135 off the allotted 40 overs. SM batter K Waqar opened the batting putting on a clinic, hitting some classic shots, audacious shots and some of the best hitting we witnessed all year. SM chased the score down in the 21<sup>st</sup> over with Waqar 110 no. A well needed break....

Round 8 had BCC host North Perth in a 1-day game and NP won the toss electing to bat. Some good bowling resulted in a lot of chances. Unfortunately for us, we could not take them. We ended up dropping or missing 17 chances, however still managed to restrict NP to 148 (Callis 2/30, McMurray 2/28). BCC lost some early wickets, quickly falling behind the run rate. Ed Daquino batted well taking his score to 50 before departing when the score was 104 for 7, with BCC then all out for 106 shortly after. Usama Ishfaq played his first game for the 4<sup>th</sup> XI. This was a game that definitely slipped through our fingers...literally.

Round 9 was a bye for BCC 4<sup>th</sup> XI.

Round 10 had BCC host Bassendean and with challenges with availability had BCC debut a number of new players (Lee Soa and Max Bailey) and Abdul Hamid playing his first 2-day game. BCC won the toss and elected to bowl. A good start saw Bassendean 1/0. 2/18 and 3/47. Some solid batting from experienced Bassendean batters saw them build some partnerships, eventually making 8/180 (Leng 5/51, McMurray 1/47, Krishnamoorthy 1/5). Availability of players provided opportunities for other players to adapt to different roles with keeping duties shared between D McKeig and Jithu Krishnamoorthy, who did a great job. BCC batting woes continued early on day 2, with BCC falling for 52 off 25 overs with Bassendean enforcing the follow on. BCC opened steadily losing the first wicket at 40 and then second at 52. Ed Daquino and Michael Beaucasin batted solidly until the game was called with BCC 2/65, again avoiding an outright.

Round 11 was the last game for BCC 4<sup>th</sup> XI due to the uneven number of teams in the grade. This game had BCC hosted by Swanbourne at Allen Park. Swanbourne won the toss and sent BCC into bat. The BCC XI saw a number of changes with J Marlborough returning to the team for his first (and only) game of the season and Rob Ellis making his 4<sup>th</sup> XI debut and Ishfaq playing his first 2-day game. BCC batting difficulties continued with BCC all out for 122 in the 72<sup>nd</sup> over (Leng 31, Watson 26). The innings from Watson showed further evidence of individual development in a tough year with a very good, controlled innings, holding the innings together. Campbell Brown scored his first runs for the year, celebrating with a kiss of the helmet and Usama scoring his highest score for BCC. Swanbourne started day 2 steadily giving few chances to some solid bowling, passing the BCC score and eventually declaring their innings at 1/186 after Ed Daquino dismissed the opener for 99. Thanks to Rob Ellis and J Marlborough for sharing the keeping duties.

I'd like to thank all of the players for their commitment, passion, banter, humour, enthusiasm and overall support for your teammates and the Bentley Cricket Club. I would also like to thank the coaches (J Warren, T Magill), the other captains and the BCC committee for their support during the season.

Season 2022/23 was challenging, however it also presented opportunities for players to develop and grow. We have seen club debuts, team debuts, maiden runs, maiden wickets, maiden overs and highest individual scores during the season. We have seen players adapt to new roles as batters, as bowlers and as specialist fielders. As a team we were challenged at times, but continued to support each other and play with passion, integrity and good humour. Some notable mentions with Cam McNab topping the batting before leaving to play in the 5<sup>th</sup> XI and Clint McMurray, Jithu Krishnamoorthy and Laurie Gray continuing their solid bowling throughout the season.

It has been an honour to captain the 4<sup>th</sup> XI team this season and hope to see as many of the 24 players back for 2023/24.

Darren Leng

# One Day Side Report

Our One Day Team got through to the semi final this year losing to Balcatta after finishing third.

We won 9 (including the first 5 straight) and lost 5. Our biggest win was by 10 wickets against Curtin Vic Park and our biggest loss against eventual premiers Kalamunda (they scored 270 in 35 overs). One of our earlier wins was against Kalamunda.

After finishing last the previous season we dropped to OD 4 and that was a more appropriate standard. In a major coup Matty Lockyer was recruited by his father Chris and he was primarily responsible for our early success with his positive batting and veteran Les Saxons early wicket taking exploits. In fact, Mat scored 212 runs at 106 in batting 4 times in those first five games and Les took 15 wickets at 8.8 in the same period. At that stage we were super confident knowing Kizza Smith would soon join the team to further consolidate our batting. We then dropped 3 successive games. Matty and Kieran played in the higher grades from that point, several regulars were unavailable, and the opposition teams bolstered their line ups with experienced players. Three successive wins in January improved our confidence again and ensured our finals spot. A loss to the low-ranking Bedford Morley in round 13 was not ideal. With an odd number of teams in our competition we only played 14 games for the season which is well down on the usual 18 games in the one day comp. We were in with a great chance in our semi final against Balcatta. Their batting got away from us a bit after Greg Nairn bowled his 8 overs for 8 runs to reach 162. But when we reached the 20 over mark in our response none down, things were looking good. Balcatta's bowling improved after the break and we lost 7 for 19 in one period and finished a disappointing 8 for 121. Balcatta then got thrashed in the GF.

Some more stats for the season. Cam McNab had the highest individual score with 95 against Curtin VP. Cam joined us in the latter part of the season to give us a keeper. Thanks to Lengy from 8<sup>th</sup> grade for not complaining too much about his defection to us. Evergreen legend Lloyd Dungey featured in the highest partnership of the season of 96. This was during the Curtin VP contest. We had 34 different players representing the Blues during the season in our team. 8 of them did not get a bat.

Our lowest total was a miserly 52 with 10 players. We never bettered our first round total of 238.

Curtin VP scored only 88 when we recorded our biggest 10 wicket victory.

Simon Cleary took the most catches but the catch of the year belonged to Saxo on the boundary in the semi final. Rob Ellis won the fielding award in a consistent effort all year. Josh Ericson as a substitute fielder had the best individual game with 4 catches against North Perth.

Les Saxon collected the most wickets (25). The best bowling performance of the season came from Les with 5 for 39 including a hatrick with his last 3 balls of his eighth over against Swan Valley. The only other 5 wicket haul for the season also came from Les in round one. PC Smith bowled when it suited him (sorry Chappy for getting you on when the slogging started) and he won the bowling average (10.82). 14 different bowlers took wickets throughout the season. Simon Cleary got better as the season progressed and had the best figures (3 for 36) in the semi final loss. Greg Nairn increased his lead in the club history of maiden overs bowled. 22 of his 94 overs this season were maidens.

A thankyou to Ed Daquino for coming into the team at the end of the season to replace Muhammad Ali who became unavailable and scoring more than everyone in the last two games.

Elijah Callis made an impact and showed remarkable improvement in his 4 games before being promoted up through the grades.

All teams we competed against this season were considerably younger than our line ups. In the final we only had two players under 40 but had two over seventy. We lacked one more batsman who could score rapidly and big. Our bowling was steady but our lack of mobility and throwing arms was noticeable. Nobody tries to drop catches but the games we lost invariably included several dropped chances at crucial times.

To finish a few thankyou's. To the committee. Thanks for a well run club. Chairman of Selectors Jay Smith continues to be one step ahead of most captains.

Coach Holly. Always there and positive. Rob Ellis and Cam McNab attended the most training sessions for our team. Our afternoon teas were of a high standard so well done to all who contributed.

Thanks to Les Saxon for filling in as captain when I was absent mid season. Les, Cam and Chris for helping to set up for home games.

Steve Shearing and Chris Lockyer for their never ending enthusiasm on the field – thank you.

Greg Nairn and Chris Lockyer did most of the umpiring this year and there were no howlers – thanks.

Simon Cleary was most efficient with the scoring, MyCricket and associated reports – thanks.

Simon also helped with after game drinks and the fines sessions.

During the year Lloyd, Greg (opened the bowling with Josh when Josh could play), Vlis, Chris and PC got to play with their sons in the same game. Hopefully Les can go again and have a game with his grandson(s) next season.

We may be a team of experienced cricketers who have not won a premiership for several years but we still get out there and enjoy the game. Remember if you don't use it, you lose it.

PC Smith

# Neil Gardner

Neil joined Bentley in the 2008/2009 season and first took on the role of 1<sup>st</sup> grade scorer.

His first season coincided with the club winning its first ever 1<sup>st</sup> grade premiership after 55 years in the competition. From that season onwards Gards was a fixture at our club and spent the next 14 seasons scoring for the 1<sup>st</sup> side, spending time on the committee, scoring at the association level for the WASTCA representative sides and helping out around the club when things needed to be done. He was very generous with his time in helping out in any way he could. He spent countless hours chatting away in the clubrooms to us all about cricket and footy stats, results in games whether that be a recent game or a game from 20 years ago as only Gards could do. If there's one thing he loved it was sport, particularly cricket & footy.

He was an extremely valued member of our club and this was recognised in 2018 when he was nominated for and received Life Membership for his special & valuable service to the club. Gards was so proud of this achievement and you couldn't wipe the smile off his face the night he received his life membership badge. In the 70 years the club has been in existence 46 people have been awarded Life membership. Of those 46 only 4 were based solely on their off field service. This puts Neil in very select company. We are extremely proud to have Neil Gardner as a Life Member of our great club.

He mentioned a few years ago that whilst he was never able to play cricket or footy himself at senior level he loved to be involved in clubs that took him in and made him feel like he was apart of something special. He loved being around people. He was genuinely happy to watch people play the sport they loved and to have the success they worked hard for and he was happy to support them in whatever way he could so they could play well and the club could be successful on and off the field. That was enough for him.

We had a 1<sup>st</sup> grade semi final two seasons ago which Gards scored which he described as the most amazing game he has ever seen in any form. The other team needed 3 runs to win with 4 wickets in hand, a couple of overs to go and the boys took 4 wickets for 1 run to get us over the line with a direct hit runout winning the game and sending us into Grand Final by 1 run. We all ran onto to the field to celebrate and sang the club song as loud as we could and he was in his element. Gards messaged me the next day and his words were as follows "I want that feeling we had out in the middle yesterday again. That was just pure elation. It was great to share that moment with everyone. That's what you join clubs for" And that was Gards in a nutshell just happy to be involved and share in the success of others.

We all have so many stories of his time at the club, whether it be his famous multi tasking whilst scoring, his ability to talk for hours on end, his yearbook summaries or the facebook posts where he would tag 20 of us in because he wanted to share something he thought we might find funny or interesting. All these things make up the Gards we knew so well. But the one thing we will never forget about Gards is the genuine care, support & loyalty he showed for every single one of us at the club during his time with us.
