EDITORIAL

The Wind Up, and the end of the season, is a time when we can look back on the season just past and contemplate the next season less than 6 months away. Undoubtedly the highlight of 1986/87 was the 5th Grade Premiership won by our Number 2 side. Congratulations to all associated with this first-ever flag for our 2nd side, and special congratulations to captain Phil Roberts who proved to be a leader in every sense of the word. Another highlight of the season has been the professional administration of the Club. President Andrew Hayward has led a hard working committee and Bentley's financial future is very sound whilst the season's Social Calander was a resounding success. Another member deserving recognition is our coach PETER TAYLOR. Peter has indicated that he will step down from the coaching position, what a gap he will leave! In just 2 years Peter has become a vital part of the Club and his astute cricketing knowledge has been behind 2 Premierships. Finally well done to all the trophy winners. Their individual efforts have been acknowledged throughout the season and their reward at the trophy presentation is recognition of these efforts.

Looking towards 1987/88 we cannot afford to become complacent. Although we have unearthed some young players of obvious talent, and these players will play a big part in the future of the Club, the fact remains that a large proportion of our leading players are no longer young men. This is particularly noticeable in the bowling department where the top 2 wicket takers in 1st Grade, the leading wicket taker in 5th Grade and also in 7th Grade, are all well over 40.

To continue to progress as a Club we need to continue to infuse new young blood into our teams. Now is the time to start looking for players to do this.

Thanks to everyone who helped make 86/87 a memorable season for me personally, and I look forward to continuing our association next season.

C.A.

NUMBER 1 SIDE

As has been the case in the past, Bentley found the transition from 2nd to 1st Grade beyond them and, with just 1 win, finished bottom. Generally the batting lacked substance with only 4 players scoring half centuries. ANDREW HAYWARD stood out in this department after experiencing a slow start (in his last 8 visits to the crease he amassed 304 runs at an average of 60.8 and was only dismissed 4 times by the bowlers). PETER TAYLOR actually had a higher average than his 85/86 figure and he showed that 1st Grade isn't that much tougher, BRIAN HAYWARD was consistent (reaching double figures 10 times) but he never really went on to build a big score, PETER QUARTERMAINE was the second highest run scorer but this was due to 3 innings (52, 44, 65) and, by his standards, he had a poor season. If the batting was thin, then the bowling was transparent! Last season the quartet of ANDREW HAYWARD, GREG NAIRN, IAN DICKERSON and JOHN WILLIAMS took a total of 125 wickets. This season their combined tally was just 39. JOHN was the most successful of the 4 with 15 wickets including a 5-34. The chief wicket-taker was veteran TONY MALINS who regularly made early in-roads into the opposing side's batting. His figures were marred by maulings at the hands of WAIT and Nollamarra (95 runs conceded in 16 wicketless overs). The fielding was sound, led by PETER TAYLOR (who took some spectacular catches), LLOYD DUNGEY and BRIAN HAYWARD.

NUMBER 2 SIDE

After the previous season's disappointment when Bentley was relegated from 4th to 5th Grade, our number 2 side bounced back in the best possible manner - with a Premiership. All round team efforts were the order of the season with the side having a good blend of experience and youth. Captain PHIL ROBERTS had a splendid season with the bat and he was well supported by gutsy opener PHIL KENRICK and JEFF KOZAK whose batting average took on Bradmanesque proportions. JOHN FORD improved as the season went on, and GREG NAIRN had claims of being a true all rounder. It was, however, in the bowling department where Bentley had real depth. Veteran GEORGE WOODHEAD enjoyed a fine season and fellow slow bowler MAL DICKERSON began to realise his potential. The pace bowling was handled by GREG DICKERSON (another fine season), GREG NAIRN (who maintained a fine line and length throughout his games), TONY MALINS (who saved his best for the finals), KIM FOWLER and JOHN FORD. MAL DICKERSON stood head and shoulders above his teammates in the fielding department while JEFF KOZAK was a real find behind the stumps and CHRIS LOCKYER was as fit and enthusiastic in the field as ever.

NUMBER 3 SIDE

Despite registering 3 wins (including 1 outright), Bentley appears to finished 2nd last in 7th Grade this season and may well find themselves in 8th Grade next season. This represents a huge slump over recent years as it was only in the 81/82 season that Bentley's number 3 side was in 5th Grade. The reasons are quite obvious. We simply have not been able to give our "C" team the stability required for success, this is evident by the fact that 26 players represented our 7th Grade side during the season, and the loss of key players in the upper grades (Steve Cox, Steve Carr, Chris Hansen and Tony Fisk spring to mind) result in a drain on our "C" team's strength. Veteran STEVE CAIRNS stood out head and shoulders in the batting department whilst youngsters DOM CHEMLAL and MATT HARMER showed great potential. The young legs of this pair saw them dominate the fielding votes with STEVE KING doing extremely well from limited appearances. In the bowling, evergreen GEOFF FARRALL continued to lead the way while PETER ROACH jnr gave good support. RAY BAND returned some excellent figures (including 7-53) while CHRIS LOCKYER and KEN HARMER (the latter taking a hat trick) performed creditably in limited appearances.

FOR THE RECORD

The 1986/87 season was a quiet one in terms of milestones for bowlers. However, 1987/88 promises to see much more action. GEOFF FARRALL should pass the 1200 mark, GEORGE WOODHEAD is capable of becoming the 3rd Bentley bowler to take 500 wickets, ANDREW HAYWARD should pass the 250 mark, JOHN WILLIAMS, GREG NAIRN and PETER FARRALL (if he bowls) can take their 200th wickets while GREG DICKERSON and PETER ROACH jnr are approaching the 100 mark.

Congratulations to KEN HARMER on taking a hat trick. He joins a select band that will be detailed in the next full record up-date.
