PRESENTATION NIGHT

1998/99 SEASON

FROM THE PRESIDENT

Season 98/99 has seen Bentley establish itself as a "Champion Club" in the competition.

This is most fitting considering our achievements in:

- * Fielding our top 3 sides in the Grand Final
- * Our top two sides winning Premierships
- * "Grade Premiers" in our top two teams
- * Promotion to 1st and 3rd grades
- * The Club's continued high rating in "The Champion Club" award

This season saw the best ever performance by our "A" team in 13 years and congratulations to "Buddy" and the boys for winning the flag. Brilliantly led by Buddy, they have been the trendsetters winning 9 qualifying games to finish on top of the ladder, the fact that two players in this side won Association trophies (Shane Paap for best batting and Matt Harmer for best fielding) reflects the tremendous depth and talent in this team. The performance of Scott Vallow, both with bat and ball, deserves special mention. He was unlucky to miss out on the Association bowling trophy. Solid contributions from other senior members in Dave Berry, Tony Magill, Serge Perrozzi and Ken Dawson are also acknowledged.

Congratulations to captain Glenn Davies and the rest of our 4th Grade side on winning back to back Premierships. Clearly they were the best side in that grade, finishing the qualifying rounds on top of the ladder. The talent in that team augers well for next season and provides the depth required to support the top side.

The performance of both these teams reflects the intensive planning, preparation and training which commenced back in May '98. The professionalism and dedication of our coaching committee, Steve Shearing, Dave Berry (Chairman of Selectors) and Brian Hayward (Cricket Manager) must be recognised and applauded.

Commiserations to the 5th grade. After an inspirational first-semi's win, it was disappointing to see the team go down in the Grand Final. I am sure that this loss will provide the side with the motivation to go that final step next season. Both our 7th and 9th grade sides were potential finals contenders, but missed opportunities during the season have proven costly.

Off the field the Club's administration continues to be sound. The new look Committee experienced a very challenging year and played an active role in contributing to the on-field success of the Club. The tireless efforts of all the Committee members, especially Lesley Magill, is greatly appreciated and I extend a grateful thanks to them for a job well done. A very pleasing aspect of the season was the assistance provided to the Committee by all players. In particular, I would like to thank Jamie George and Kirk Spencer for their work behind the bar and Stafford Dawson for his efforts as "Net" captain. I take this opportunity to thank all of the Club's sponsors and other members associated with the club, especially all the ladies who helped in one way or the other, for their tremendous support.

Although the Club will finish this season in a satisfactory financial position, promotion to 1st Grade will present big challenges in this area next season. The new Committee will need to work hard in raising funds, including finding new sponsorship. Strong support from within the Club will be essential for the future survival of the Club.

Where to from here? Again our focus must be on the top side and maintaining our quest to be the "Way 79 Perpetual Trophy Champion Club". We must be competitive and successful in the 1st Grade. Our recruiting Committee has already swung into action and we are confident of securing the services of two or three quality players. Consolidation in first grade is a priority. In regard to the Committee, it is essential for new players to be involved in the Club's administration. The changing of the guard must continue to ensure the future growth and success of the Club.

All in all, the 98/99 season was a tremendous year for the Club. Personally it has been challenging, tragic and most rewarding. As President, I am very proud of our Club and it's achievements. I look forward to seeing you all in August and earlier for those involved in pre-season training.

Ron Fernandez
President Bentley Cricket Club
14th April 1999

FROM THE COACH

Well what a season!

The old saying "Preparation is the key to success" could not be more appropriate to our on field performances this season. To Brian Hayward and Ron Fernandez your contribution was significant in laying the foundation for our pre-season goals. The preparation of club, team and individual goals although set high were achieved in many cases.

This as a Coach is all one can ask of his players.

David Berry's performance was outstanding and was the single biggest factor in a sensational year. As Chairman of Selectors he was cool and precise, I only hope that the few knockers we may have had during the year re: training methods and selection will make a big effort to congratulate and acknowledge David's efforts.

To my co-captains and their deputies well done. Your efforts have been outstanding in a demanding season. To Stafford Dawson our Net Captain, a special thanks for a difficult job well done, thanks mate.

Our contribution to Association and Metropolitan sides was well acknowledged. To Scott Vallow (seniors) Shane Paap, Justin Chandler and Anthony Brown (Colts) well done. Awards fitting of you efforts will be bestowed upon you in the coming weeks.

As a Club to set a goal to gain "A" grade status is an unbelievably high goal to set. To achieve it speaks highly of all individuals who have contributed to their own goals, their team goals and our club goals.

To our Premiereship teams you have done yourselves proud. The Premiereship Medallion you will receive tonight will be a fitting memory of a group of individuals who as a team are invincible. A group of men with a common attitude and a will to win.

Tonight we celebrate and justifiably so, but soon we will be challenged again. New strategies will need to be set and our skills will be tested.

But the friendships, team sprit and camaraderie will remain with me forever. Thank you for making this such a memorable moment in my sporting career.

With thanks, Coach of the Mighty Blues.

FROM THE CHAIR

The season has finally drawn to a close. Once the Wind-up is over I'm sure one and all will sit down and access the season that was. The 1998-99 season will be remembered as the season that the Bentley Cricket Club came of age. From my own perspective it was a season that I shall remember forever and for this I would like to thank everyone who played or was involved with the Club this year.

To Steve, " WE DID IT BUDDY "

To Glenn, you are not going to Third Grade as a passenger, you are going there on your own merits.

To Greg S. (5th Grade Captain), the job you have done this season is a credit not only to yourself, but also to all who played in the side.

To Greg D, at times your body wanted to give in, I wanted you to give in! No only joking. You will go down in Bentley folklore as one of the best skippers to have played at the Club and I know your team this year gave all they could.

To Waz, it's never easy having to skipper a side that has so many changes to it's personnel. You actually had me convinced that you enjoyed the job! To yourself and your team, well done.

Once again I would like to thank all the players for making the job of Chairman of Selectors such a pleasure. No I'm just kidding... and I would be making the same statement if we didn't have the success that we did this year.

To Ron, Brian and the Committee congratulations on making this the finest year of the Bentley Cricket Club. The work done behind the scenes has made the on-field success that much more enjoyable.

And finally, to my wife Robyn, thank you for your support during the year.

David Berry
Chairman of Selectors

PS: To next years Chairman, all the best.

2ND GRADE

PREMIERS & GRADE WINNERS

Well, finals is what cricket is all about, the win is of course paramount.

But the trials and tribulations leading up to the finals and then the Grand Final itself is a real buzz. To see your mates perform, stick to the plan, work through the difficult times and come out on top, together as a team. Well it's just the greatest.

Of course a lot of the hard work is done during the pre-season and qualifying games.

To Scott Vallow and Tony Magill your bowling was outstanding, many games were set up and indeed won from your individual efforts.

Our batting was led by Shane Paap and undoubtedly his score in excess of 200 against Nedlands was a personnel thrill for Shane. Shane's leadership qualities are becoming more evident and will be a strong leader in the years to come. Matt Harmer's performance along with Shane as our opening pair was explosive. The pair not only set up victory, but also actually won games before we had lost a wicket.

The addition of Ken Dawson was a highlight, he along with Matt Harmer, Tony Magill, Mark Lukan (all of whom played in last years 4th grade Premiership side), Justin Warren and Shahid Ghauri, all deserved their spots and were significant contributors to our success this year. All will play a major role in the challenge of next season.

To my right hand man and a very good friend David Berry, thank you for your advice, your keeping, your batting during the season and your Man of the Match (In my opinion) performance in the Grand Final. Together with Serge Perrozzi and Scott Vallow, the generals of the team, can be well satisfied with your efforts. Those June meetings in my spa must have worked.

To Glad Sheppard thanks again for a wonderful job, those bottles of champagne certainly worked well. To Steve Paice thanks for your efforts during the Grand Final and your entertainment at Rottnest.

Congratulations to Glenn Davies and his team on your Grand Final success, commiseration to Greg Sheppard and his team.

Special thanks to my team, it was an honour to have captained such a wonderful " TEAM ". The challenge is there for the first two teams next season. the challenge must be acknowledged which I do, but certainly should not be feared. We are capable of further honours.

Finally thanks to the Bentley Cricket Club, The Mighty Blues for the opportunity to lead, and to my wife Karen whom I love very much.

This team earned promotion to 1st Grade for next season

4th GRADE

PREMIERS & GRADE WINNERS

This concludes another successful season for the 4th Grade. As reigning premiers the side looked forward to season 98/99 with great expectations, back to back premierships being the seasons main objective. Of course, this is made easier by finishing in first or second spot on the ladder, so a top two finish was another priority, we know very well what happens to the teams that finish 3rd and 4th when the rain comes in semi final week (and it always rains in semi finals).

This season had many highlights. The first highlight for the season occurred in the first game of the season against Kalamunda, both Ken Dawson and Justin Chandler scored 69 runs which was to be the highest score made by a 4th Grade player this season. The brilliant performance by the left handers enabled them to share a 4th wicket partnership of 142. After this game Ken was promoted to 2nd Grade for the remainder of the season.

The next highlight came in the following game but this time with the ball. Mark Lukan mesmerised the Melville batsmen with a sensational display of swing bowling. Mark finished this game with the figures of 7 for 37 from 12 overs, 5 of these wickets came in his first 4 overs. This wasn't a once only performance, Mark also had a fantastic game against Bedford Morley in which he took 6 for 39 from 11 overs including 5 maidens. This was another great performance from Mark, at one stage Bedford Morley were cruising at 1/56, 20 overs later they were all out for 103.

There were many milestones this season, but none came close to the 300th game for Brian Hayward. This was a must win game for this team, all the players were aware of the performances and work Brian has done for this Club over the 30 years of his involvement. There was no way the team was going to let Brian down. At 7/86 chasing 103 a win wasn't guaranteed but a fine 29 run partnership by vice captain Kirk Spencer and captain Glenn Davies enabled the team to get across the line, and allow Brian to celebrate his milestone in style.

There were numerous team highlights for this team, the outright win against Thornlie after losing on the first innings was probably a minor one. The game against Nedlands when Shahid Ghauri pushed the last ball straight to mid on and raced through for an impossible single to win the game outright was the most exciting game of the year. Sid had been run out twice in previous games trying to do the same thing. Finishing minor Premiers was also a great team effort.

Obviously the greatest high for this team was winning BACK TO BACK PREMIERSHIPS. With the rain once again doing the right thing and washing out the semi final, the team entered it's third Grand Final in a row. For the second season in a row this team saved its best batting performance of the season for the last game of the season, an unbeatable 9/306. Vice Captain Kirk Spencer top scored with 59 and shared a 90 run 8th wicket stand with Captain Glenn Davies (52 no). Damien Rickards (52) and Justin Chandler (43) also shared a fantastic 4th wicket stand of 77.

With a score of 306 Vic Park were never in the hunt against the quality Bentley attack. Vic Park were all out for 184. all the bowlers were superb with K.Spencer, M.Dickerson, A.McLevic and A.Brown taking two wickets each, C.Rickards and J.Chandler chipped in with a wicket each. The fielding was again of the highest standard, as it has been all year.

5TH GRADE REPORT

Firstly, I would like to congratulate the Committee and the Coaches for putting together the most successful year in the history of the Bentley Cricket Club.

Fifth Grade finished the season with a six win five loss ratio that saw us sneak into the finals in fourth position, a tremendous improvement on the previous years tenth place.

The semi-final saw us play topside Wembley. In a heart-stopping climax to the game we managed to dismiss Wembley 10 runs shy of our total of 135. This was due to the outstanding performances of our bowlers Glen Hewitt 3/40, Martin Masee 3/28, Dino Elpitelli 3/35 and Gus Edmonds 1/20. Our batting was held together by Ron Fernandez 40, Paul Warren 27 and a last wicket stand of 28 by Glen (19 no) and Gus (7).

The Grand Final saw us play Whitfords, unfortunately we lost this, probably playing our Grand Final against Wembley the week before.

The individual highlights of the season were Brian Hayward (71), Craig Rickards (72, highest score for the Club), Greg Sheppard (63 and 76) and Ron Fernandez (84 no) making well-compiled half centuries. Our bowling highlights included Glen Hewitt (6/29 best figures for the Club), Dino Elpitelli 5/25 and Gus Edmonds claiming 19 wickets in the final four games.

The batting was led by Greg Sheppard (357 runs) and he was ably backed up during the season by Dino Elpitelli (297), Ron Fernandez (222), Lloyd Dungey (188), Andrew McLevie (138) and Paul Warren (138). The bowling honours were shared by Gus Edmonds (25 wickets), Dino Elpitelli (20), Glen Hewitt (18), Mal Dickerson (12) and Craig Rickards (12). Lloyd Dungey led our fielding superbly, well backed up by Stafford Dawson (our emotional leader in the field), Paul Warren and Mal Dickerson.

In closing it was good to see players (Brian Hayward, Craig Rickards, Mal Dickerson and Andrew McLevie) coming through this Grade and playing important roles in the Premierships of the 1st and 2nd teams. At the start of the season our aim was to produce cricketers for the higher Grades and to this end I believe the 5th Grade did their job successfully.

Congratulations to Steve Shearing and Glenn Davies in leading their respective sides to the Premierships in 1998/1999.

7TH GRADE

First of all, I would like to thank the 34 players who have played in this Grade during the season. It was a year of mixed fortunes, winning 4 out of 6 at the Xmas break to be placed in the four. Unfortunately the remaining 5 games produced only 2 wins, which was not sufficient to gain a finals berth.

If there is a problem to be ironed out it would have to be the batting, we never scored 200 or more in any game, although we declared early against a couple of lower sides. In contrast, the bowling was very good, with only one side scoring over 200 against us.

Some highlights with the bat were John Katsikis 84, Kevin Magill 66, Martin Massee 66, Ian Dickerson 53 and 52. There were also some good performances with the ball, Derek Gascoigne 6/27, Gary Edmonds 4/28, Martin Massee 4/24 and 6/36 in a match, Brendon Horne 7/41 and Rick Pugh 4/52.

Congratulations to young Geoff Dart in scoring the most fielding votes, after taking up the gloves for the first time, and with maturity can only improve further.

Well done to Greg Dart in passing the 200 game mark, it has been a pleasure having you in the team.

Top marks to the first three sides in making the Grand Final. In closing, I would like to say it has been an honour to play for the Bentley Cricket Club and a privilege to have been acquainted and associated with all the people around the Club.

9TH GRADE

Our season can be summed up as frustrating and difficult, particularly with regards to our batting.

No batsman passed 200 runs for the season. Steve Paice, Mick Jolly, Steve Henshall and Steve Delane all had reasonable years, with Delane and Henshall showing the top order what can be done.

Our bowling and fielding on the other hand were of a very high standard all season, with only three sides scoring more than 150 runs against us. We were well served with the ball by Mick Jolly, Warren Shaw, Steve Henshall, Anil Pillai, Doug George-Kennedy and Lindsay Guy, until the latter two were rewarded with promotion to 7th Grade. Anil and Steve showed the benefit of coaching by some of the more senior players in the Club and should continue to improve and be an asset to the Club for many years to come.

In the field Steves' Paice, Delane and Henshall led the way, with John Katsikis, Andrew Fogg and Steve Delane sharing the wicket keeping duties. At stages our fielding was described by Steve Cairns, as the best seen by a 9th Grade side.

Finishing 7th out of 8 sides in the competition was not really a true indication of the ability within this team and I'm sure that with a lift in our batting we will play a part in the finals next year.

I would like to take this opportunity to thank Jon Nicol for his assistance in carrying the gear during the season and to Steve Cairns and John Katsikis for their support and guidance on the field.

I must also thank Laura Delane for being there every week and helping in running around picking up things I had forgotten and for scoring for the second half of the season. Thanks also to all the wives, girlfriends and families of players who came along and watched us during the year.

All the best for next year and thanks again.

Warren Shaw

CURRENT PLAYERS IN BOLD PRINT

Kirk Spencer for the second year in a row was voted by the umpires as the Fairest and Best player in the Grand Final. Kirk top score with 59 batting at nine, and also bowled very well for the figures of 2/22 from 8.5 overs including 4 maidens.

The great thing about this teams Premiership this year was the fact that the side only contained 3 players from last seasons victorious team. After Christmas the team changed dramatically with the introduction of 4 new players. Special mention should be made of Craig Rickards who came into the side and more than adequately filled the void left by Mark Lukan. Andrew McLevie also came into the team and filled the trouble spot of opening batsman superbly. By the end of the season Andrew joined Anthony Brown at the bowling crease to provide a formidable spin twin combination which most batsmen couldn't contend with.

In summary it was a fantastic season and winning a Premiership in Brian Hayward's last game for the Club put the icing on the cake !

This team earned promotion to 3rd Grade for next season.
