President's Report

The major goal for the club this season was to gain promotion to 1st Grade. Our 2nd Grade side finished the season powerfully winning eight consecutive games to be Minor Premiers and gaining this promotion. In achieving this goal, season 2002/03 was a successful one. Additionally the club's 50th Anniversary and the successful celebrations and memorabilia that went with it, makes the year even more memorable. Certainly the most significant event highlighting this great milestone was the Celebration Luncheon held at the Mt Henry Tavern and the naming of "The Team of the Half Century". This was a fitting tribute to the champions of the club and I again congratulate the members of the selected team.

The down side of the season was the 2nd Grade not going on to win a premiership. The fact that this was the second consecutive season we lost the semi finals makes it even more disappointing. In my view, Bentley fielded the best team in the competition and it was unfortunate that 'luck' deserted us in the crucial match. There were several outstanding performers in the 2nd Grade, including Danny Arcaro, Tom Crossen, Hudson Trevenen (Club Captain), Sean O'Shea and Tony Magill. Some of the less experienced players in Russell Budd, Fab Fanayan and Paul Warren acquitted themselves very well. I believe the existing side has the quality and potential to be competitive in 1st Grade. This augers well for next season.

Our 4th, 5th & 6th Grades narrowly missed the final four. Lack of consistency and the inability to win those crucial games cost these sides dearly. The 7th Grade struggled for the first half of the season and came back strongly in the second. This fight back by our 7th graders was certainly a highlight of the season. In many respects however, the lack of success in our other grades does not reflect the effort put in to what was otherwise a very competitive performance by the club.

The efforts of the coaching team, superbly led by Brian Hayward and well supported by Tom Crossen, must be recognised and applauded. A vote of thanks also goes to first year Cricket Manager, Staffy Dawson and first year Chairman of Selectors, Greg Sheppard. I am sure both have learnt much from this season.

Off the field, the new look committee worked hard to meet our challenges and set the club up in a sound financial position. The tireless efforts of all the committee members, particularly Stewart Jefferys (Secretary), Tony Magill (Treasurer), Des Gascoigne (Vice President), Jo and Greg Sheppard, Steve Cairns and Steve Henshall must be acknowledged. Other club supporters also contributed strongly over the season. They include Glen Davies (auctioneer, race caller and fielding vote compere), Simon Magill for managing the club's website and providing the IT expertise, Dave Berry (QuizMaster), Lesley Magill (Quiz Nite), Russell Budd, Fab Fanayan, Karen Shearing and Natalie Jefferys all for assisting at various functions. The efforts of the 50th Anniversary sub-committee (Steve Shearing, Brian Hayward, Greg Dart, Lloyd Dungey and Stewart Jefferys) must also be acknowledged. The collaborative efforts of all concerned made this a very enjoyable and successful 50th Anniversary Season.

To all of our club sponsors, particularly Survey Graphics, Automated Instrumentation & Control Systems P/L, Striker Welshpool, Canning Sports Club, Harvey World Travel, Mt Henry Tavern, Franklin's Tavern, Fast Eddy's, Peet & Co and The Cricket Shop, a huge thank you. I also acknowledge and thank all club members and supporters for getting behind the club.

Next season will bring new challenges particularly playing 1st Grade. The club must be competitive at this level and remain a formidable force in the competition. The new committee and coaching team will need to do much work to ensure this happens. Hopefully the lessons learnt from the past, combined with good recruitment will bring success. Success in terms of winning premierships is paramount. Efforts to procure a turf wicket facility at Wyong Oval are progressing and the club is hopeful that with the approval of all sporting grants, this will become a reality.

In conclusion, I have no doubt that Bentley is and will continue to be a great club. I regret that I will not be standing for the President's role next year but will continue to be involved both as a player and perhaps on the Committee. I have found the last 7 years as President very rewarding and enjoyed the successes experienced by the club over that period. I am proud and privileged to be associated with "The Mighty Blues".

Best Wishes

Ron Fernandez

Coaches Report

The Club elected to continue with the three Coaches policy that had proved a success last year, amid much planning, hype and enthusiasm pre-season training finally began in early August with outstanding player support and commitment.

To Coach five sides and seventy plus players is not a one man job, it takes careful management, co-operation and teamwork and I would like to recognise the following who have contributed significantly.

Hudson Trevenen, the Club Captain and Assistant Coach, has become a fearless leader and mentor to his players, whilst Huddo is not the most enthusiastic of trainers, he does however make up for this by imparting his outstanding cricket knowledge in more specialised drills. My special thanks Huddo, your contributions cannot be underestimated.

At the commencement of the season, Tom Crossen a new player to the Club was appointed to the position of Assistant Coach, a former Curtin Victoria Park coach and Grade cricketer. Tom has had an outstandingly successful season, he rarely misses a training session and he has brought a new level of expertise and professionalism to the Club. Sincere thanks Tom, your offering of advice and great support have been well appreciated; you have been instrumental in our continued success.

To Steve Shearing and Mark Petta, thank you for once again providing us with the on-going use of Striker Welshpool, I'm sure many clubs would envy the opportunity to conduct their pre-season training in such excellent facilities. Although Steve stepped down from coaching duties due to injury, his contribution, particularly after Christmas, should be acknowledged with a number of players seeking him out for additional one on one coaching. The use of the turf wickets at Charles Veryard Reserve for the last five weeks of the season was vital in our push towards the finals. I would like to thank Mark through his association with the Tuart Hill Cricket Club for co-ordinating and making all of the arrangements.

My sincere thanks to Stafford Dawson, who managed to combine the very difficult roles of Cricket Manager and Nets Captain. His organisational skills and ability to ensure the nets run smoothly are first class as we've seen over a number years, whilst the managerial role involved, by his own admission a steep learning curve, his support and encouragement throughout the season was outstanding.

To the players, as always the biggest thank you, your solid contribution throughout the season is immeasurable. In my thirty plus years with the Club I've never been involved with a group of players who have given as much, your willingness to train at a consistently high level and accept direction as you have, makes coaching all the more pleasurable.

Once again we complete the season not winning that elusive Flag, promotion to First Grade is however some consolation, rest assured the Club is in a strong position and continued hard work will ensure our success.

Head Coach

Notes

This compilation of statistics has taken many hours to complete. There are bound to be mistakes, so if you do think you have spotted one, do not hesitate to see me. I am very interested in getting everything correct, and would appreciate any help or suggestions. There is also getting the name of players correct, as some only played a few games many years ago, we only have an initial rather than a first name. In this book, there will be few of these as generally the names that appear here have played for many seasons.

Some things that may not add up are the catches and run out figures that you will see. Players that were here early in the club's life were not credited with many as this statistic was not recorded as intently as it is today. There are some 700+ dismissals that were to an 'unknown' player. I would like to see how many catches and run outs Lloyd Dungey figured in, if these records were kept accurate 50 years ago. For the purpose of this exercise run outs were credited as 1 for a direct hit and 0.5 if the run out was shared, no matter how many people shared in obtaining the wicket. So if you see a figure of 12 in the run out column of a player, he may have helped dismiss as many as 24 batsmen to obtain this figure.

You will also notice that in most grades there has not been many players to reach certain levels to qualify, mainly fastest 1000 runs, 100 wickets and 50 dismissals. This is due to those grades only being in existence for relatively short periods of time. There is also the career and A Grade who do not have these entered as some of the older scorebooks are missing, and it was difficult in obtaining the information. If anyone can help in locating these books, do not hesitate to see me.

In some sections there are figures quoted for economy and strike rates. This will not be correct for players who have played for the club when we had eight ball overs. I simply ran out of time to go back and differentiate between six and eight ball overs. The figure you see is if you had bowled six ball overs for your whole career at Bentley.

I hope you all find this interesting and can reflect back on some of the highlights of your season / career at the Bentley Cricket Club.

Report

The season for us started slowly. Round one was a bye and we lost the next two games by a handful of runs. Then we had a few close wins and on outright. Our season was back on track, as we slowly moved up the ladder. After the Christmas break we continued to win games by playing good aggressive cricket.

With three rounds to go we had scraped in to the four, and had to play all the teams above us. This would either make or break our finals campaign. Bedford / Morley were first on the ladder, and we won in a low scoring encounter. This was followed by Nollamara, in which we set a club record for the highest team score, 380. Wembley were our last round opponents, and we were eying off top spot if we had a big win, or another game went our way. We did our bit by winning the game and Swanbourne did theirs by beating Bedford / Morley. First place was ours and with this brings automatic promotion to first grade next season.

Once again we lost the Semi final and the season is now complete. First grade awaits us next year and we look forward to consolidating our club in the first grade competition.

Special mentions need to be made to Danny Arcaro and Tom Crossen who both scored over 400 runs for the season. Paul Warren who was promoted to bat at number three and did so with distinction, he will only improve from here and may need to look at giving up the wicket keeping duties to fully evolve.

Shaun O'Shea had another great season taking wickets at regular intervals and demolishing the top order of some opponents.

Thanks to all who have helped and contributed this season. I look forward to seeing you all again very soon.

Report

This season the team's performance was not unlike the previous season with us missing the finals again by one win.

Some outstanding individual and team performances helped us win against formidable opposition, however some lesser team performances against Fremantle and Claremont cost us a finals appearance.

Ultimately this year our batting was disappointing with us not consistently scoring 200 plus. Our bowling on the other hand was probably better than any other in the grade.

Player unavailability in the top two teams inevitably cost us better performance with on one occasion the top three run scorers from the previous game were either unavailable or selected in A grade due to player unavailability in that grade.

Highlights of the year in my point of view were the last over wins against Swanbourne, Ocean Ridge and the outright against Kalamunda. Individually it was great to see the development of Chris Pritchard and Chris Prescott whose consistent performances earned them places in A grade where they also performed well.

All in all the season was a little disappointing with the team on paper expected generally to perform better.

5th Grade

Report

Season 2002/03 is one most 5th Grade players will want to forget. As Captain, I cannot, I must take a lot away with me, but as a team, unfortunately we failed more times than not and all we can do is work hard to improve our game before next season.

The Club should be proud of the way our 5th Grade side went about our season. After a couple of years of finals cricket, the last 2 seasons have been hard on us, but not once during the year did we drop our bundle or throw in the towel. Every game was played with the Bentley spirit and fought out to the end.

We went for over 200 only 3 times this season with our bowling and fielding holding strong for most games. After taking over with the gloves at the start of the season, Stewart Jefferys was a very worthy winner of the 5th Grade fielding trophy. Stewart's work after Christmas was exceptional and with a pre-season under his belt, I feel he can start to put pressure on our top sides keepers.

Our two best bowlers for the season were Dean Scott and Geoff Crogan. Dean, for the second season in a row, has taken the most wickets for 5th Grade with 27 at 17.03. It's a reflection of Dean's work rate and commitment and he thoroughly deserves the rewards he gets. Geoff's 23 wickets at 14.44 is a good return for any bowler, but when you consider he only played 7 games in 5th Grade, the achievement is much better. I was privileged enough to see the innings against my life last season and this season Geoff gave me the spell of my life. Defending 170 against Hamersley Carine, Geoff bowled 10.2 overs of sensational line & length taking 9/42. Unfortunately, the tenth wicket turned up at the ground no more than 10 minutes too late. Geoff actually took 10 wickets for the innings, bowling the 7th on a no ball. We went on to win the game outright and it was by far the game of the year for 5th Grade.

We had a lot of players bowl in 5th Grade this year and I only hope the likes of Phil Geary, Tim D'Souza and Sin Soeung, who all made there 5th Grade debuts, return next season and improve on what was an impressive introduction to 5th Grade.

Our batting this year was... terrible, embarrassing and self-destructive. I know this sounds harsh, but I ask any 5th Grade player to put it another way. Not once did we make over 200 as a side and only 2 batsmen passed 50, once each.

There were some fine individual performances, but as a team every innings it seemed like the mountain to climb got higher and higher and we have plenty to improve on for next season.

Steve Paice (206 at 29.42) and myself (253 at 23) were the only 2 players to make over 200 runs for the year. My 70 against Curtin-Vic Park was our top score and Stewart Jefferys, whose finish to the season was one bright spot, hit 62no against Subi-Marist. Stewart's last 3 innings produced 133 at 66.5. Rob Buckland improved with each game and Phil Geary showed in the last game of the year that he might be one of the top order batsmen we sorely missed.

I'd like to thank the 5th Grade squad for their efforts this year. It's been a tough one, but I urge you guys to return next season to have another go at it, at that's the only way to improve as a side and I'm very confident that if we stick together we can take that next step. Thanks again to the committee & coaching staff, especially Brian for their support. I would also like to thank Christie and Ella for always being there.

My final, but biggest thanks goes to my unofficial Vice Captain, Steve Withnell. Unfortunately, with a season like ours, Steve's performance with the bat was limited. His main highlight was in the last game against Wembley Downs. His 45 was a match winning knock, but I doubt it will be enough to get him back in white next season. What you will not see in any scorebook is the experience and knowledge Steve has been able to pass on, not only to myself, but to the whole team. Steve's passion and commitment to the game is second to none and I can't thank him enough for what I have learnt over the past two seasons. It will be very hard to find someone to replace him, if need be.

I look forward to the challenge of next season already, as I feel it is our time to succeed, but it won't come without hard work on everyone's part and this time there will be no excuses.

Before I summarise our season, I would just like to thank the Committee for allowing me the opportunity this year to Captain the 6th Grade side. After my first year in the job, I can now appreciate the tremendous responsibility placed upon captains and also how they must manage this between expectations from the players within the side, game day duties and also their own game. To all who made this job easier for me, I thank you.

For the 6th Grade this year, the team finished 8th (from 12) but I feel this did not truly reflect the potential of this side. A close loss to Nollamara put us out of reach of the finals and this was further capitulated by the side just missing out on an outright victory against South Perth. However, our cause throughout the season was made difficult by our inability to (a) make big scores and (b) chase seemingly modest totals. We scored over 200 in only two first innings and four times scored under 100. Had it not been for Greg Sheppard's superb batting at times throughout the year (341 runs @ 31.00) and Pete Smith's valuable contributions in the middle order (189 runs @ 18.9), our final position on the ladder may have been much farther south.

In saying that, we did not allow many sides to score big totals against us. The average first innings total by opposition teams was only 162 in a competition where 200 is considered a good score, with only three sides scoring this against us during the season.

Terrific contributions with the ball were made by the mainstay of our attack this year, particularly by Jamie Hendry (25 wickets @15.80), Luke "Taz" Self (14 wickets @13.79) and myself (32 wickets @ 13.97). The emergence of Timmy "Passions" D'Souza (9 wickets @ 17.33) as a spinner was one of the highlights both for the club and for the grade. I have no doubt Timmy will be playing in either of the top two grades soon as the first choice spinner. His enthusiasm and competitive nature makes him an asset to any side. I was also disappointed I did not give more of an opportunity to Luke, whose marathon 25 over spell against Swanbourne indicated he was an emerging swing bowler of high calibre. His 6/35 against Bassendean was also an outstanding achievement. But as the most economical bowler in the club this year, he should be proud of all his efforts.

I must make a special mention of Sin "Mortal" Soueng. I am a huge fan of Sin, him having come to the club this year having not played cricket at all and with a very erratic bowling action. It took but a few games to iron out his rhythm and he soon became one of the first picks for me at selection. His excellent nature endeared him to all in the side. I am positive he will take a load of wickets next year (just keep it up and on the off-peg Sin!). He is also still the only person I know to have bowled someone, run down the wicket and scream to himself: "Sinny! Well bowled!"

There are many highlights that stick out in my mind for the year. Some of these are as follows:

- the nail-biting 10th wicket partnership of 42 between Sin and Timmy which helped us get over the line against Melville;
- Brett "BJ" Joseph's and Luke Self's 53 run partnership against Bassendean;
- Jamie Hendry's (51 with 5 sixes) and Matt "Fig" Sandison's (78n.o.) innings' against South Perth and Balcatta respectively; and
- Luke Self's 6 for 35 against Bassendean.

But probably the game that mattered most to me this year was against Doubleview. After Bentley was rolled for only 96, Doubleview were being very 'confident' about their chances in the match, as this was mentioned to our batsmen being shown the direction of the pavilion at each dismissal. Being the last man out (after yet another dodgy LBW decision), I charged back to the changerooms snorting and seeing red like a bull. I recall saying to the boys (repeatedly), who were all very fired up, "We're gonna get these f@#kers", and sure enough we did, rolling them for 85 with Jamie Hendry taking 4 for 40 and myself taking 5 for 44. We were all mindful to remind Mr. Millett of Doubleview the direction of the rooms, as he was kind enough to offer some of us the same service earlier. This game however, showed that we had a commitment to victory and the belief in ourselves to achieve the objective.

Special mention must go to several other people who made this season very enjoyable. Matt "Lance" O'Leary was always willing to accept the difficult opening position. Lloyd "The Legend" Dungey who continually offered me advice on the game when I needed it. Chris Scott for his wonderful work behind the stumps and to his girlfriend, Karen (phwoarl) who was there, supporting the boys, almost every week. Andrew "Teddy" Thomas who never said much, but just went out there and did the job. An extra thanks goes to Pete "PC" Smith, another invaluable provider of advice and to my VC, Sheppy - thanks mate, I would've made a lot of mistakes if it weren't for you.

Thanks also to all the 37 different people who played in the 6th grade this year - I can't mention each of you personally, but make no mistake - I appreciated your efforts and I hope you had fun.

Derek "Dez" Gascoigne

Report

With the top two sides having a bye in round one it was a good opportunity for us to have some more credentialed players for the clash with Balcatta. It was a one day game which we won by a couple of runs. The boys held firm defending a reasonable target. Sadly this was our only win before Christmas.

The break gave us some rejuvenated players and we seemed to gel a bit better as a team, and had some great individual performances. We stormed home to win the last three games, beating some of the top sides in our grade. With a bit of luck going our way it could have been a whole different story.

Individual performances of real note were Gino Terriaca's 98, and Darren third's 7 wicket haul. Though everyone who played in this team had some bright spots during the season.

To the young guys who played, there was plenty of improvement as the year went along. So come back next season and continue to develop, and push up the grades. To some of the older guard, thanks for the advice and encouragement over the year, I learnt a lot.
