Presidents Report

Ladies and Gentleman,

It is with great pleasure that I present this my first and the Club's 57th Annual Report, which indeed is a reflection of the Bentley Cricket Club's 2009/2010 season.

Well, once again another year and cricket season has passed for our Cricket Club, with which I sincerely hope our Cricket Club and those involved within it, are a year wiser to the ways of people and cricket.

The fabric of our club this year was stretched to its limit on many occasions from various fronts from within and outside the cricket club. These included sad losses of loved ones to some families, happy and safe arrivals to others, and the joining of two families in a wedding. I dare say this is what makes Bentley Cricket Club a family oriented club.

I must start this report by thanking the hard working board, their support to myself and the cricket club didn't falter during what was at times, I would describe as probably the most difficult year at an administration level that has been experienced. The Committee has once again placed an enormous amount of time into a club that they love, in their endeavour to give an enjoyable game of cricket to members of the community at all ages and ability.

Our year started with a great deal of disruption due to the lack of availability of our change rooms. "The Merv Mac Pavilion" was still under restoration when the season started, although we were aware of this renovation happening, it can at times be inconvenient for both our club and visiting clubs. However, staying true to form, the BCC started the season like any other, with dedication and perseverance. Our centre wicket, like no other club, always takes a beating from the season of football that had been playing on it over the winter, but with dedication and a little TLC from Chris Prescott, that too was ready in time.

It was most pleasing to have Paul Coverdale, Darren Solomon and Greg Sheppard as coaches at the club for the season. With their continued support for the club, and knowing what is good for the players, it never ceases to amaze those who have associations with these three people. However, these coaches would find their job harder if they did not have the ongoing support from Graeme Verco, Wayne Riekie & Chris Prescott and not forgetting Neil Gardner as the nets captain. I would also like to thank the Chairman of Selector's Peter Smith, a job that rolls off the tongue very easily but at times this season it was probably the toughest of jobs at the club. To all of the gentlemen involved, my thanks for your never ending energy and drive to keep the club and players travelling in the right direction.

There are a few players that have met significant milestones this season, one of those being Greg Nairn, who took his 600th wicket for the club this season (with a career bowling average of only 14.25 runs per wicket). Not only is he a great clubman, but he has also worked hard for the club in previous years. Having left the club for a number of years to work overseas, he returned to be the Treasurer and reach a number of personal milestones including 200 games for the club during 2007/08. Congratulations Greg and also thanks for your continued support of the club.

Another Milestone was also met by Lloyd Dungey, who this year made it to 10,000 runs. Having been at the club for more than 40 years, it is hard to believe that this man has been a BCC member and also supported the club for as long as many of our players have been alive. It is most enjoyable to sit and have a chat over a cold beer and listen to the stories that are told from previous years, it's only then that you realize and appreciate the BCC and what the club means to the community. Congratulations to both of you on achieving these personal milestones.

This season, the Bentley Cricket Club was represented by six teams in the Western Australian Suburban Turf Cricket Association. At any given time on training nights, we had 40 - 50 eligible guys turn up for training, with family and work commitments, that was in itself a great achievement. Out of the six teams, we had five that reached the semi finals and three that reached the grand finals. I would like to thank all Captains for their dedication and perseverance in trying to achieve the ultimate goal and although finals cricket didn't eventuate for all teams, individual players put together many good performances throughout the season.

At this point in time I would like to congratulate Steve Paice and his 3rd Grade team for winning the 2009/2010 Premiership on what was a very successful season. The team was strongly supported throughout the season on and off the field and with the great blend of players and dedication it payed off, congratulations to this team.

I would also like to take this opportunity to congratulate our 20/20 captains and players on a job well done in winning this seasons Capture Sport 20/20 Grand Final. Congratulations to all players and supporters on what was a terrific season for all. On a personal note, I would like to thank the Captains representing the 20/20, Chris Prescott, Brendan Daye and Laurence Paice for working towards a Grand Final Victory. Well Done.

I would like to thank the Social Committee: Brad Keenan, Neil Gardner, Lachie Harris and Chris & Karen Lockyer for running the Social Calendar that catered for all players and their families throughout the 2009/2010 season, a job well done.

This brings me to the wonderful support given to our Club by all the sponsors large and small, without their tremendous contributions there just wouldn't be a "Bentley Cricket Club" as we know it. For that, I would like to thank you all.

At this point, I would also like to thank Mayor of the City of Canning Joe Della Donne, Ben Wyatt MLA and Counsellor's Lindsey Elliot and Graham Barry for their continuous support of the Bentley Cricket Club.

To all the partners and their families, I would also like to thank you for your support given to your loved ones and supporting them through what can be at times a thankless job. Thank you for the afternoon teas prepared and the never ending job of keeping cricket whites clean!

The future of the club this upcoming season looks very positive, with the same commitment as previous years there is nothing stopping Bentley Cricket Club achieving its goal. Hoping to secure overseas players yet again and with the present talent that we already have, there is nothing holding the club back moving forward. If considering your involvement in the club, keep in mind that new talent on the committee would be useful, not only for the club, but also for fresh ideas. All indications at this stage show quality cricket people should lead the BCC into the future with a new look and new ideas which will be a big positive for the club.

In closing, I wish to thank all those people involved with this club, those that have assisted during the previous year and many years prior, to make this club a very pleasant and rewarding environment for its members.

To all the players of our club, please remember that the board, sponsors and supporters of the club are there for one reason and that is to give you an enjoyable environment to play the game that we all love. Please have the respect for those holding positions at the club and give them your full support in every way possible.

Stafford Dawson
President of the Bentley Cricket Club

Words from our Patrons

It is incredible that another cricket season has come to an end and the wind-up is upon us! As usual, Bentley Cricket Club continues to field committed and impressive teams in many levels with five of the six teams making the finals! Having three teams making it through to the Grand Final again showed the depth and strength of the Bentley Cricket Club!

As a cricket tragic (literally), I would like to congratulate Lloyd Dungey who this year made his 10,000th run!! It still amazes me that Lloyd made his first run for Bentley Cricket Club four years before I was even a twinkle in my father's eye!! Also to Greg Nairn who took his 600th wicket this year! Both Lloyd and Greg represent the amazing spirit and camaraderie that pervade the Bentley Cricket Club.

As the local Member of Parliament I could not be more proud of the efforts that go into making Bentley Cricket Club what it is, its passion, drive and commitment to the local community provide an example to all other sporting clubs. Bentley CC has always been led by a strong and dedicated Committee and I would like to again thank Stafford Dawson, the President, and all the members of the Committee who work so hard to ensure that the Club not only fields great teams, but also that the bar is stocked and the BBQs are hot!

Always remember that the success of clubs such as Bentley CC are built on the commitment and effort of volunteers and the more who volunteer the easier it is!

I wish everyone all the very best for the 'off season'. Congratulations again on another wonderful year for the Bentley Cricket Club, a Club that I am so proud to be Patron.

Ben Wyatt **Member for Victoria Park** **Patron - Bentley Cricket Club**

As Mayor of the City of Canning, and on behalf of my fellow Councillors, staff and residents of the City, it is my pleasure to once again congratulate Bentley Cricket Club on its performance during the 2009/10 season.

This season, the Club was represented by six teams in the Western Australian Suburban Turf Cricket Association. Of the six teams, five played in the semi finals and three played in the grand finals.

Congratulations to the 3rd Grade team who are the 2009/10 Premiers and to the 20/20 captains and players who won the season's Capture Sport 20/20 Grand Final.

The Bentley Cricket Club is one of the highly successful sporting organisations that abound in our City and it is always my pleasure to recognise not only the wins on the field, but also acknowledge the individual achievements both on and off the field.

Having read each of the reports across the divisions, the achievements would be too numerous for me to mention. My sincere congratulations, however, to everyone who achieved a personal goal and to the teams who continued to show their sporting prowess and their true understanding of sportsmanship.

The strength of the Bentley Cricket Club comes from the level of commitment shown by your players and the dedication of your committee and supporters. This ongoing commitment has seen the Club rank as one of the best metropolitan cricket clubs.

It is also this level of commitment that has seen the City continue to offer financial assistance so that the Club can continue to grow and attract new players.

Each and every one of you who has helped make this Club the success that it is, can be proud of your role.

Congratulations to all and best wishes from me and my fellow Councillors for the future.

Joe Delle Donne JP
Mayor of City of Canning
Patron - Bentley Cricket Club

Cricket Managers Report

Once again this year through the very hard work and dedication of the coaching staff we at Bentley Cricket Club have produced a very strong player group. Our recruiting has been second to none and we picked up another overseas player in Jack Brooks along with having Paul Coverdale come back to coach and captain the A grade squad.

Although we only bought home two flag we saw six out of seven teams get into the finals with four of those entering the grand final. This reflects the depth and quality of players at the Bentley Cricket Club. To Steve Paice and his 3rd grade team congratulations on your well earned grand final victory. It was great to see some of our young players namely Chris Prescott, Laurence Paice and Brendan Daye put their hands up to Captain in the victorious Twenty20 side. It was great to see you guys go one better this year and take home the prize. To all the other teams that missed out this year I am sure that with the dedication and determination of the club, coaching staff, committee members and player group that there is no reason that we cannot have an even more successful year next year.

I believe that our A grade squad has is yet to see its full potential. With a young and talented mix of players greater success will come but not without a lot of hard work. I also believe with the strength of our club and the pride all our players have we will be able to sustain the level and continue to be the club who will be a power in the competition in years to come. All players in our club have aspired to become better players than they were the previous year. This is an asset to our club and something that is needed in order to achieve success like we have.

A big thank you to our coaches: Paul Coverdale, Greg Sheppard, Wayne Riekie and Chris Prescott, captains, all committee members and to everyone else who helped through out the year. Without your contribution success cannot be achieved. To our executive committee led by Stafford thank you for all your help and guidance throughout the season your tireless effort has been greatly appreciated on many levels.

Congratulations Bentley Cricket Club on a successful season. I look forward to the challenges of planning and playing another successful season in 2010/2011.

Ken Dawson
Cricket Manager

Chairman of Selectors Report

The job description for Chairman of Selectors involves 13 separate functions. I trust I have fulfilled each of these during this busy season. The task of selecting six well balanced and competitive teams is made extraordinarily easier when I have the opportunity of working with six captains of the quality the club had this season.

Solly and Paicey had very stable teams thru the year and my role with them was simply to ratify their thoughts with only the occasional question about team balance and availability. 1's being runners up and 3's with a storming finish to be premiers confirms their ideas were not far from always being correct.

The lower grade skippers were also positive with their selection ideas and my role was mainly to hurry them along, with my list of available players, so Staff could be ready with announcements at 7.30pm on Thursdays. When players became unavailable at the last minute the Skippers rearranged teams very professionally and on most occasions without my help.

Selections for finals are always more difficult than during the regular season and with five teams playing finals, this year was no exception. A lot of extra thought went into composing these sides so for those players who missed out – try a little harder next year.

I would like to thank Shep for his work as Coach and his astute observations of players on the training track, which helped me in my role.

A thanks also to Simon Cleary and Steve Paice for arranging to have the announced teams up on the website in a timely manner. I apologise to those players whose names I mispronounced on occasions and those few who felt aggrieved at the team they were selected in or not selected in.

PC Smith
Chairman of Selectors

Head Coach Report

Starting a fresh campaign after winning the one previously is always tricky to get right. There is the often natural and dangerous expectation from many that last season's success will flow on into the next one, and there is the crucial balance that has to be found between playing with the confidence that befits a team that are reigning champions and not allowing that confidence to become complacency. There is also the need to re-create the hunger and desire to start again after the previous season's high.

Bentley Cricket Club, through its leadership and character of the people involved, is never without hunger or desire. Whilst the 1st Grade eventually pulled up 40 runs short of achieving a repeat of the great success of 2009, the way the team dominated for the vast majority of the season and continued to strengthen in ability, spirit and professionalism was extremely pleasing. This has sent out strong messages to all outsiders and rivals that the 1st Grade is not just a one-time flash in the pan. Although we won last year and just fell short this year, I think many others who have watched us over the last 2 seasons would agree that we were a stronger team in 2009/10 than we were the season before – which is something the Club can be very pleased and positive about.

The most pleasing success story for the A-grade squad however this year has come from Steve Paice's 3rd Grade side. For the past two years, the 1st and 3rd Grade captains - Darren Solomon, Steve Paice and Simon Magill (who shouldn't be forgotten about in this resulting 3rd Grade success) – have really worked hard to instil the policy and culture of the top two teams being one collective unit and training and playing in this manner. As a result of this and of the hard work that each player has put in, we now have two very strong top teams and a much wider spread of ability to select from. It is great to be able to boast – and prove – that there are at least four or five players now in that 3rd Grade team that are genuine contenders for 1st Grade spots every week, and when guys have come up they haven't simply made up numbers they have played proper roles. This is something we want to go on building and building as an A-grade squad and it will undoubtedly lead to further successes for both teams.

Another point to mention I think has been the efforts of the Lower Grade Coach, Greg Sheppard, this year. Shep has brought a great deal of structure to the sessions that he oversees. It was great to see that guys were increasingly taking this on-board and starting to change their approaches to things such as: warm-ups, methods they are looking to use when batting or bowling in the nets, fielding drills they are getting involved in when not batting or bowling in the nets, etc. It often fails to get the recognition it deserves, but managing a training session of anything from 20 to 70 cricketers - all needing to be given the right amount of time to practice each discipline of the game - is an extremely challenging task. I for one am very grateful to have had Shep there to take practically all of that off my hands on the Tuesday and Thursday evenings.

To conclude, this year has been another extremely enjoyable and successful one for all players and followers of the A-grade squad and, as Coach, I would like to thank all those that have put in the hard yards and strived to keep improving as players and as a squad. I am very confident that next year will see continued and further success.

Paul Coverdale
Bentley Coach

Lower Grade Coach Report

As another season closes, the saying that "The price of success is hard work, dedication to the job at hand, and the determination that whether we win or lose, we have applied the best of ourselves to the task at hand" certainly applies. The hard work started in mid-August and the success came at the end of the season in 5 of 6 sides making the finals, 3 sides making Grand Finals and 1 side winning a Premiership. To the Premiership players, you have done yourself proud and the medallions you have received are a well-deserved memory befitting a group of individuals whose hard work, determination, competitive drive and dedication to the task at hand, provided the ultimate success.

On a personal note, I would like to thank the committee for giving myself the opportunity to coach such a wonderful club. It has been a great learning curve and one I have thoroughly enjoyed. To the other coaches, Paul Coverdale and Chris Prescott, thank you for your assistance and advice during the year. And now to the players, I would like to thank each and every one of you for the time and support you gave to me personally and my coach methods during the season. I hope I was able to provide some form of wisdom and knowledge into improving you as cricketers throughout this past season.

Tonight we enjoy each others performances and accomplishments as we should, but remember the hard work and challenges will soon start again, as we strive to keep the mighty Bentley Cricket Club a leader in our competition.

Greg Sheppard
Lower Grade Coach

1st Grade Report

Season 09/10 was one full of great individual and team performances. If you look at the stats you will see the likes of Brendan Daye, Jack Brooks and Chris Prescott with some great one off bowling performances and also season figures. The batting stats will also show that Paul Coverdale, Arden Wittensledger and Omo Fanayan had very good seasons. What is most pleasing are the even contributions made by everyone who played 1st grade this year.

After a bad start losing to Swanbourne in the first game of the year the team really clicked and played some great cricket, winning most games. The tightness of the group with some great fielding and good batting came to the forefront and our finishing position of second was thoroughly deserved, a result of lots of hard work by the lads throughout the year.

In hindsight losing to and pushing Wembley in the grand final was a very good effort. Because of the high standards we have set we are disappointed however I'm sure the club will be keen to move forward and give ourselves the best possible chance again next year. On behalf of the 1st Grade a big congratulations to Steve Paice and the 3rd Grade, we witnessed firsthand their hard work and the win was much deserved. Congratulations must also go to the rest of the club on their seasons.

On a personal note as outgoing captain I would like to thank the Bentley Cricket Club for the honour and privilege of being able to lead the club over the last 3 years, BCC is a great club! In those 3 years I have thanked many people who have helped me, you know who you are and I thank you again. Finally thanks to the boys this year and also the previous 2 years, we have become a more professional and consistently competitive side which has always been our goal.

Kind Regards

Darren Solomon
1st Grade Captain

1st Grade Coach Report

After a successful 2008/2009 season, we always knew how hard it would be to follow up next season winning another premiership. Well we went within a whisker of obtaining back to back premierships and unfortunately fell just short on grand final day. In hindsight, losing 3 games for the season has to be classified as a successful year. Do not ever underestimate the leadership qualities of Solly, whose last 3 seasons as skipper have been absolutely outstanding. This year Pressy & Daisy backed up by Brooksey, all had outstanding years with the ball and batting wise Covers, Arden and all batsmen at some stage stood up and contributed to the team effort. The most pleasing aspect of our batting was that in most games we batted the full 80 overs. To take the next step and win another flag we probably all need to increase our effort by 5% and I am sure we will be extremely competitive next season.

From a personal view, I have really enjoyed my involvement this year and it was an absolute pleasure working with Solly, Covers, Arden, Daisy & Laurie Paice as the 1st Grade leadership group. Congratulations to Steve Paice and his boys on an outstanding grand final win and also well done to Steve, Ken, Brad & Holly and their teams for very competitive seasons. Remember Whitfords used to be the benchmark but that baton has now changed to Wembley and we are not far behind, but as previously mentioned we all need to improve that little bit extra to get to the top.

Finally, thanks to Greg Dart (outstanding job as 1st grade manager), Kenny, Shep, Pete Smith, Gards, Solly snr, Len, KB, Jenny, Big Tony and all the committee and volunteers who make this club tick. To Stafford, Lachie, Brad and Steve as senior people you have been tremendous and should feel satisfied with this seasons results.

Thank you for the opportunity.

Gards Season Review

Season 2009-10 has passed like the Indian Pacific. It only seems like yesterday that we had pre-season with Shep, Reiks and senior players leading the way for our Saturday Morning training sessions. The 1st grade were still riding the crest of a wave, following a breakthrough premiership last season and despite the loss of a couple of senior personnel, were still going to be a force to be reckoned with.

Soly took on the captaincy once again, due to the unexpected delay in the arrival of Paul “Lord” Coverdale, due to work commitments in the UK. We were slow out of the blocks against Swanbourne in Round 1 and paid the penalty for some dropped catches and lethargic fielding. We still restricted them to a reasonable score, but lost wickets regularly in the chase and were rolled about 50 runs shy of the total. Not a good start.

The next few games were about consolidation and we tried a mix of old and new, with Laurence Paice and newcomer Aidon Thomas forming a strong partnership at the top. Arden at No 3 making it a formidable top order. We won the next 8 games straight and were buoyed by great efforts from Hoover, with several solid starts. His 60 in the last game at Wyong was a stand out. Aidon with a maiden 1st grade ton against Melville and Arden with some brilliant cameo batting including a brilliant 120 against Western Suburbs as a highlight. Jack Duffy also contributed solidly at No 5 and made several patient scores within going on to a big one. Omo also deserves praise for several gutsy knocks in the middle order, including his half century at Wyong batting with a runner, after a below the belt knock. He also copped a black eye from a top edged sweep shot later in the season.

The post Christmas period saw the arrival of Lord Coverdale and he took the competition by storm, scoring runs at will, including two brilliant hundreds, an eighty and a T20 80 at Balcatta, which included a monster six, which went into a different postcode. Along with Covers, came Jack Brooks, a favourite with the ladies and a handy cricketer too – he made a great all-round contribution and was Man-of-the-Match in the T20 victory, with a brilliant bowling and fielding display, backed up by solid cameos with the bat. We missed his contribution come finals and one can only speculate what difference he'd have made to the outcome.

Dayesy and Chris Prescott was at times a two-man band, combining to bowl three quarters of the overs and still going strong at the end of 80 overs. Both blokes combined for 101 wickets between them in the top grade, they were responsible for changing the course of several games. Squid's effort at Veryard was incredible. His figures went from 0/36 from 10 overs to 9/52 from 19 – a mere 9/16 from 9 overs. Hiten bowled as tight as ever and took his into the

wind role with great aplomb. He was badly missed after he broke his thumb. Covers also bowled handy overs and gave a lion-hearted display in the grand final with the ball.

After a hiccup in the penultimate round vs Applecross, we bounced back in the last round at home, where we controlled the game. Late in the season, Tristan Francis came into the side after a big hundred in the 2s and showed he has a future in the top side, with his bludgeoning willow. He only knows one way. If it's in his area – he hits it!!! Jaxon Thomas also showed promise in his A-grade debut, the semi-final and played his role in getting us to the big dance. A real chance he'd have played the final if available. Others to play in the top side for the first time were Chris Bradbury, Jai Thomas, Steve Daye with Evan Britton getting a return during the season and bowling gallantly in the grand final.

Brendan Daye contributed solidly with the bat, but it is his bowling feats, for which he will be remembered this season. Dayesy saved his best until second last, with a brilliant spell on a wet track and made Swan Valley play every ball. His return of 8/11 from 10 overs was brilliant stuff, as we spun them out for 72. What came next was incredible, losing three wickets in the first over (including a hat-trick) to be 3 for none, but thanks to the grit (and a bit of luck) of Fabby and Soly, we got over the line, scoring 128 before the game was called off.

So to the grand final, we came up against a very strong Wembley Districts side at Jones Paskin Reserve. They won the toss and batted. After a solid start, Dayesy was introduced, again, with immediate effect. We had them 3/90 and then they consolidated to 4/140. We bowled very well to keep them to a 195, particularly with Geoff Cullen as gritty as ever in his 85. Dayesy was superb with 5/59 from 29 overs, ably backed up by Squid with 3 wickets and Covers with two. After going to stumps none down, our curse hit again, early wickets. 4/90 and it required some real commitment to the cause. Enter Omo once again. In partnership with Dayesy, they combined to push the score up to 140 before Dayesy played on. The run rate required was also creeping up and we needed to take risks. Omo combined with Fabby and Soly to edge past 150 before we had several run outs to fall short by 40 runs in a brave effort. Just by the emotions on several players faces after the game, we'll all be back to have another crack at it next season. I must pay homage to Arden. I hope this isn't the last we see of him. A brilliant player for the club and a true leader amongst the team. All the best mate. Ace also supported the boys each week and was a great team mascot once again.

Thanks to everyone associated with the A-grade squad, from Darty's efforts as Team Manager, Verca's a calming influence on everyone, Soly snr, great supporter and loved by all the boys, Jen for her efforts in keeping the boys on the park. I also thank the committee, who welcomed me on board this season, the coaches, in particular Shep. Sorry mate, but some of us can't quite make your 4.30pm starts. I also thank the likes of Wingy and Karen, along with Jakey and Matt, for your tireless work and friendship, Lou and Big Tony for their efforts behind the bar, Lenny for his humour and tucker. Jules and Paicey for their website work. Thanks to all the boys from for your friendship. To Paicey and the 3's on winning the flag against the odds – a brilliant effort fellas. Well done 6th grade for making the gf also. Come back better for the experience next season. To all the other grades who made finals – you did us proud and the club was strong on and off the field. Let's come back better and stronger in 2010-11. Well done also to Steve Shearing and fives, who missed finals, but had players move through the grades to perform on the big stage (particularly Brownny, whose final wicket clinched the 3rd grade pennant).

Neil Gardner

1st Grade Score and Net Captain

3rd Grade Report

After falling agonisingly short in 5th grade last year as a Grand Final losing skipper, I was keen for retribution and when I heard the current captain and Bentley stalwart Simon Magill was not applying for the 3rd grade job, I applied knowing it was a challenge but one I thought I was up for.

I sit here writing this a few days after achieving a lifelong dream of becoming a premiership captain, and I couldn't be more comfortable with my decision.

Coming into the season the team had players who had played a lot of top grade cricket in such as Shaun O'Shea, Evan Britton, Ben Mitchell and Tim D'Souza but also a lot of players who had come up from lower grades but would prove to be key team members, like Chris Pritchard, Leigh Martin, Jarrad Sibson and Steven Daye.

The first game saw us thrash a very weak Swanbourne team but that game was followed by being massacred by Wembley, a loss that would sit with me until finals time and hurt our percentage. Our inconsistency was shown leading into Xmas as we proved very strong at Wyong beating Bedford Morley, but we continued to be totally uncompetitive away being thrashed by Melville and Western Suburbs. That was a particularly painful loss as Shaun O'Shea and Simon Magill (two players I saw as crucial members of the team) suffered serious long term injuries. In the change rooms after that Western Suburbs loss, the team was challenged to prove that we could be more than a middle of the road team; history will tell that challenge was taken with great success.

We went to Xmas with a massive win against Balcatta, with Jai Thomas scoring a maiden ton leaving us at 3-3 and one win plus percentage out of the four at finals time.

We beat Freo-Mosman Park easily in the first game after Xmas with Leigh Martin going close to a well deserved maiden ton and went to face Doubleview-Carine with both teams sitting at 4-3 and the loser likely to be facing must win games for the remainder of the season. We batted on a green top (a bad decision after winning the toss) but had them 4/30 overnight, giving us a glimmer of hope. However on the second week they consolidated and steamrolled us, with the fielding and camaraderie showing some concerning signs of negativity (which turned out to be one off incidents in both cases).

After an easy win against High Wycombe we faced top of the ladder Applecross and did well to restrict them to 185. Tristan Francis then made a magnificent 150 leading us to a 3 wicket win and we were then half a game out of the final leading into the last game of the year against Swan Valley.

We headed to Swan Valley with almost the strongest team of the season on paper and despite them making 220, it was a great deck and ground and we chased the runs 4 down with the two best bats of the season Chris Pritchard and Leigh Martin making solid half centuries. A few phone calls later on Saturday night to check a few other scores confirmed we were playing finals cricket.

Along to the semi and we went in a bowler short as often a finals team is stronger with an extra batsmen. We played Wembley at Charles Veryard West and they won the toss and batted. Evan Britton produced a brilliant bowling spell (well supported by Ben Mitchell, Tim D'Souza and Max Duffy) and we rolled Wembley for 159. A solid start by Steve Daye and Aidon Thomas was followed by a mini collapse and at 3/60 it was a key moment in the game...enter Leigh Martin who shook the life out of Wembley with a brilliant 73* leading us into the Grand Final. The performance was as dominant as Wembley were ungracious in defeat.

So on we went to the Grand Final, once again at Charles Veryard, this time on the East ground, and we found ourselves playing Doubleview-Carine who had competed in the last four 3rd grade Grand Finals. They won the toss and sent us in, and once again we were in trouble against a seasoned bowling attack at 3/23, then 7/100, the only guy really showing the temperament and mental toughness needed was Chris Pritchard who completed a brilliant season with the highest score in the game, making 46. At 7/100 we needed the tail to kick and Anthony Brown (who hadn't played since Round 2 but came in for his experience and big game ability) and Ben Mitchell (who can hit a long ball but had struggled all year) put on 40 then Tim D'Souza joined Brownie for a further 30 as we scrapped our way to 170. We had a few overs without luck late on day 1 but knew we had a chance if we bowled well.

Come Sunday I thought I had made the biggest mistake of my cricketing life by leaving the covers on longer than they were allowed to be, and play started half an hour late but the conditions were perfect and pitch flat as the 'covers saga' become a non factor. We were determined to come out positive and even though it took 10 overs to break through, once Ben Mitchell got that first wicket it started a roll where they couldn't get a partnership going. Ben bowled brilliantly, taking 6 out of the first 7 wickets as DC was 7/90 at tea.

This soon became 8/110 and 9/129 before numbers 10 and 11 dug in and before we knew it there were 6 runs to get and an hour still to play. The situation was dire as the quicks had bowled themselves to exhaustion trying to win the

game, so the spinners were called upon and Anthony Brown came on under intense pressure having not bowled at all. On the fourth ball of his second over Brownie tossed one up and #10 swung, missed, and the castle was toppled – we were the champions! The feeling is unlike anything I have ever felt before, and after the pain of last year's GF this was the sweetest form of retribution. Sunday night and Monday were pretty much a blur; a mixture of a few drinks, relief, pure joy and great company ensured that. The elation was somewhat tempered by 1st and 6th grade losing, especially with my brother on the other side of the ledger in A grade and feeling the pain I felt last year. But having said that nothing will replace that feeling after winning the GF, and becoming a premiership captain I feel humbled to be mentioned alongside so many great names from our great club.

In the Grand Final, Ben Mitchell was the star taking 7/78 and the rest of the bowlers played their roles, while the fielding was top notch and the desperation was one that paid tribute to the fact we were in a Grand Final and a close and tense one at that.

The individual stars of the year were Leigh Martin and Chris Pritchard with the bat; Tim D'Souza, Ben Mitchell, Evan Britton and Jaxon Thomas with the ball and Jai Thomas with both. Blokes like Steven Daye, Jarrad Sibson, Fab Fanayan and Tristan Francis also played crucial roles but the truth is that every player picked throughout the year gave me what I expected them to; on paper a lot of people would have questioned the ability of the 3rd grade GF team to win the flag, but let history show a champion team will always be in a game.

Thanks to so many people, and I am sure I will miss someone here but thanks to Solly (mate it was a pleasure working so close with you and the professionalism the Wednesday night training bought to my was critical come crunch time), Covers, Arden, Verccs, GD, Razor, Rieks, Stafford, Puff, Lachie, Donk, Lenny Woodley, Wingnut and Karen and the rest of the committee, Frenchy, Hollywood and the entire playing group (especially the A grade squad).

We 'work' together and we play together, the bond we have as a club is definitely a factor in being so successful, and as the late great Chuck Berry said time and time again

C'MON BENTLEY HERE WE GO NOW

Steve Paice Premiership winning captain

Back l-r: Anthony Brown, Rob Taylor, Jarrad Sibson, Max Duffy, Brad Keenan (12th man), Leigh Martin, Chris Pritchard (V/C), Jos Welsh, Front l-r: Ben Mitchell (MoM), Steve Paice (Capt), Tim D'Souza, Steve Daye.

5th Grade Report

One Game and percentage out of the four is where we finished for the 2009/2010 season and upon reflection is where we deserved to finish.

Our performance was inconsistent with both bat and ball whilst our fielding was typically of a high standard. Blair Chapman was the pick of our bowlers claiming 22 wickets at an average of 18. Blair played in 9 games and should be satisfied with a solid performance throughout the season. The remaining bowlers although "toiling hard" were not game breakers and failed to bowl consistently in partnerships.

Our batting was either very good or very poor and it was seldom that key players all clicked in the same fixture. Steve Shearing, Jos Welsh topped the batting with 317 @ 35 & 304 at 27 respectively. Danny Arcaro & Serge Perrozzi also made valuable contributions making 250 @ 27 & 205 @t 29. All four guys performed on par, but noticeably none really going on and making solid 100's.

In contrast our fielding was excellent with Nikul Patel outstanding behind the stumps with 12 dismissals and Max Duffy creating 5 run outs in 5 games, both players offer plenty in the field and should continue to develop there games and ultimately play "A" Grade cricket for the Bentley Cricket Club.

It was pleasing to see the guys being promoted through the season with several guys in Max Duffy, Jarrod Sibson, Anthony Brown, Robbie Taylor & Jos Welsh playing in our victorious 3rd Grade Premiership. Well done to all 5 people.

Congratulations to Steve Paice and his Team and commiserations to Darren Solomon, Ken Dejager, Brad Keenan & Justin Warren on there heart breaking losses during there final campaign.

Thanks to the Coaching Team especially Greg Sheppard, Paul Coverdale, Chris Prescott and Neil Gardner for there work during the week and for PC Smiths professional approach to a difficult job in our Chairmen of Selectors role.

In concluding, it was a season of lost opportunities on the field but the camaraderie & friendship within the team (& indeed the club) was a pleasure to be a part of and will be the sole driving force for me to play again.

Thankyou & Best Regards

Steve Shearing
5th Grade Captain

6th Grade Report

Going into this Season in a new grade I felt we would have needed to lift our game to compete with clubs with their 3rd side in the competition. Throughout the year we did exactly that and showed that not only can we compete with them we can beat them as we went through the year without losing a 2 Day Fixture until the Grand Final and even then fell agonisingly close to pulling off the perfect season in this format and finished in 2nd Spot on the ladder. Even in the One day format we only fell 1 game short of the Grand Final as well. So overall we did have an extremely successful year and should all be proud of what we accomplished within the first year of 6th Grade.

I would like to thank the coach (Greg Sheppard), the Chairman of Selectors (Pete Smith) and the Committee for all their help throughout the year to get the results we accomplished. I would also like to thank my Vice Captain (Gilly) and all that played 6th Grade and helped me out at any stage as it is hard to be successful without the help of your team mates. I hope all the guys that played 6th Grade this year will come back and work hard to try to go one better next season. I would also like to congratulate the guys in the team that got personal best in either runs or wickets this year whether it be within a game or over the whole season - well done.

I would like to finish with congratulating Steve Paice and all the boys that played in 3rd Grade this year for their great win in the Grand Final. Well deserved!!

I wish you all have a great break and hope to see you all fired up ready to push for more Premierships next year.

Ken de Jager
6th Grade Captain

9th Grade Report

The 2009/10 season was my 3rd season as a Bentley Blue, but it was my first ever season as a captain. We started off the season really well with 4 wins from our first 4 games which put us on top of the ladder. We were quickly brought back down to earth losing our next 3 games to give us a 4-3 record going into the Christmas break.

After the break, we then won 3 games on the trot to put us near the top of the ladder once again. We finished off the regular season really well with 2 excellent wins to finish 3rd overall, which meant we faced Swanbourne in the semi final at Allen Park. We won the toss and batted first, but 9 overs into our innings I was walking out to bat and we were 4/6, staring down the barrel of defeat. We managed to get our total to 79 and by the end of the 1st day we had them 5/59 and we all still believed we were a chance to win. On the 2nd day we all worked hard but they passed our score and just like that our season was over.

Having players like Cairnsy, Nairny and Lloyd in my team for most of the year was excellent for me as I learnt a lot from their 1000+ games experience. These blokes helped me a lot throughout the year it was also great to be playing with these 3 club legends as they each passed personal milestones this season. Stephen Cairns scored his 6000th run, Greg Nairn took his 600th wicket and Lloyd Dungey scored his 10000th run.

We scored more runs than any other team and Lloyd Dungey led from the front scoring 375 runs @ 31.25 with a top score of 98. Ed Daquino also batted well with 326 @ 23.29 with a top score of 53. I ended up scoring 301 @ 20.07 with a top score of 64*. Mick Gilders only played 7 games and scored 253 @ 50.60 with a top score of 69*. PC Smith only played 3 games for us but still scored 185 runs @ 61.67 with a top score of 141. Mitch Holland scored 156 @ 26.00 with a top score of 45*.

Once again it was Greg Nairn that stood out with the ball, as he took 25 wickets at 16.04. Swanni also bowled well taking 18 wickets @ 23.06. Brad Holly bowled his excellent line and length to take 15 wickets @ 18.93 and Mick Gilders bowled some unplayable spells to take 14 wickets @ 11.79 with best figures of 5/36. Our stand out fielder was Brad Holly as he took 10 catches and made 2 runouts, to take out the 9th grade fielding award.

Having Geoff Dart in the team was a great help for me as I played my first 2 seasons under him when he was captain of 9's. He helped me a lot with field placings and gave me advice throughout the season that made my job a lot easier. My vice captain Lachie Harris and also my cousin Mick Gilders were also a big help to me during the season. 2 of my fellow captains, Hollywood and Steve Paice, gave me great advice throughout the season and were always willing to answer any questions I threw at them. Being captain is not an easy job, so any help that made my job easier, is much appreciated.

I'd like to congratulate Steve Paice and his 3rd grade team for their fantastic 5 run win in the grand final. It was great to be a part of this game as I was lucky enough to be selected as 12th man, so thanks a lot Paicey. I'd also like to congratulate Prescott, Daysey, Hoover and the rest of the A grade team for winning the 20/20 grand final. A lot of hard work has been put in this season, so it is good to bring home 2 flags, well done boys.

It was unfortunate for us to bow out of the finals race in the semi final, especially after working so hard during the season. Now there is some unfinished business and a burning desire to go all the way next season. I look forward to captaining again next year and working even harder to bring home a flag for the Mighty Bentley Blues.

Cheers

Brad Puff Keenan
9th Grade Captain / Club Secretary

One Day Grade Report

This season was one that I believed promised a lot, but unfortunately for various reasons didn't deliver the ultimate prize in the end. I have really enjoyed the challenge of being Captain of our 1 day side and learnt a lot about the differences between the one and two day formats.

With only 7 teams in our grade we were always confident of making the top 4 and with Melville being so dominant the challenge of playing them in the Grand Final was always the goal. I guess in the end it makes the way we lost the semi final just that much harder to take, but the up side is that it has already set the challenge for us next season and I look forward to that very much.

We had a good season as a team and can certainly take a lot out of it. When I asked to Captain the side the main challenge I set myself was to make sure we all had a "Fun" season, where one of the most important aspects was that everyone had a job to do and the chance to improve themselves as cricketers as the season went on. If I had a "Most Improved" trophy it would undoubtedly go to Matt Ansley-Rose, his keeping has improved in leaps and bounds since the start of the season. It was also good to see Lalji "DK" Halai move up from the one day side and do well in higher grades and the introduction of young Jake Lockyer to senior's cricket was one of the highlights of the season for me. At 13 years of age to take 6 wickets for the season including 4/35 in one game was a sensational effort.

Our batting this season was led by a few old timers in Jamie George 230 @ 38.33, Paul Warren 269 @ 29.89 and myself 355 @ 32.27 with Mike Warren showing how good it is to value your wicket, being dismissed only 3 times for 131 @ 43.67. A couple of other highlights obviously worth mentioning were Michael Knights 100 not out vs Curtain Vic Park and Mick "Dave" Gilders 104 v Applecross that also included a 171 opening stand with Mark Warren (78). Our bowling and fielding this season held it's own in most games with Mike Warren topping the bowling stats with 19 wickets @ 19.26 and an economy rate of just under 4.5, Jamie George 13 @ 17.38 at just over 5 and Michael Knight 8 @ 17.25 at 3.73 (off 37 overs). As previously mentioned Jake Lockyer's 4/35 was certainly a highlight, but the highlight of the season for us was Paul Warren's maiden club wicket! For the first time ever in his career I'll mention his bowling stats in a season wrap-up: 2.5 overs 0 maidens 1 for 23 @ 23 with a best ever 1/8 v Curtain Vic Park, welcome to the 1 run 1 wicket club Cat!

This season had its own special meaning for me, being able to play with 3 of my brothers in the same team and have our dad "Big Al" as team manager was something I will never forget. But since the end of the season I have also reflected on the fact that just because you want it to happen doesn't mean it just will! We should never forget that we need to continue to work for our success, as our 3rd Grade showed this season it's not over until it's over, on either side of the fence!

As always I look forward to next season and the challenges it brings...

Justin "Hollywood 419" Warren One Day Grade Captain

Twenty20 Grade Report

With a bad loss in the T20 grand final last year the Bentley boys went out this season to go one better to win the grand final. We did this with an easy victory over the Subi-Marist Cricket club. It all started back in October when we travelled to Kent Street to play Applecross. We started off with a narrow loss losing by 6 runs. Fab Fanayan had a game out making 70 no and taking 3 wickets. Brad Holly also made his T20 debut and picking up his 1st T20 wicket with his 1st ball. He finished with figures of 2/26.

Round 2 of the CaptureSport T20 was against Curtin Vic Park with Laurance Paice captaining his 1st game for the club. We cruised to victory with a 7-wicket win. Wingnut (on Debut) picked up 2 wickets and skipper Paice and Fab Fanayan continuing his good form with 40s respectively.

As a small interlude to the WASTCA T20 Comp Bentley were invited to play in the T20 State-wide Knockout comp against WACA and Country teams. Bentley Travelled to Esperance (by plane) for a game in the Deep South. All that attended had a great time but we sadly went down by 30 runs. Leigh Martin with 19 and Prescott 22 we the best with the bat with the bowling honours were shared around, the trip proved to be a great team bonding experience as we only went from strength to strength after that.

As Round 3 came upon us we recorded another easy victory against 2nd grade side Kalamunda. Tristan Francis made a sensational debut in T20 with a 50 no off only 30 balls as Bentley went on to win by 9 wickets.

With the Dave Berry game upon us in Round 4 once again Bentley recorded another easy victory against South Perth to regain the cup. Also a Co-Captain of the T20 competition Brendan Daye performed on the big stage picking up 3 wickets to take out a man of the match.

With Bentley through to the quarter-finals we came up against Balcatta. On a 40 degree day Paul Coverdale produced a high class 80 no and picking up 3 wickets with the ball. With a tough start Bentley won by 30 runs to progress into the semi-finals.

As the semi-final came up and only having 4 players out of the 12 there at the start of the 1st ball we won the toss and batted. Getting us off to a good start with Tristan Francis and Arden Wittensleger pushing the score up at 6 an over. Arden also made a good start with 17 and Tristan finished on 27. As the overs ticked on we lost a few quick wickets. With Paul Coverdale still at the crease still Skipper Prescott entered the crease and combined with Covers to produced a defendable score of 136, Covers went on to make 43 not out and Prescott 20 not out. The side went out to field confident that 136 was defendable against Whitfords. Whitfords got off to a good start until Omo Fanayan pulled off a brilliant catch. They then fell behind the run rate and could not chase down 136 and ended up with 123. Prescott was the pick of the bowlers with 2/20 and Coverdale backing up his 43 with 2 wickets.

So, Bentley had made it through to their 2nd T20 grand final. We rolled up to the ground with a few players a bit under the weather due to a famous Bentley bus trip the night before Bentley had lost the toss and had to bowl. Very confident going into this game we got off to a great start with Hiten Shah picking up a wicket in his 1st over. Opening at the other end was English import Jack Brooks who claimed a wicket in his 1st over. As the overs ticked on and some tight bowling the team knew they were in with a great chance. Then enter Jack Brooks for his 2nd spell. In 1 extraordinary over Brooks got a smart run out to keeper Jack Duffy and then very next ball pulling off one of the best individual fielding efforts with a direct hit throw, including a celebratory lap of honour to go with it. Simply awesome!! Brooks finished with 2 wickets and 2 run outs and Prescott chipping in with 3 wickets.

Chasing 73 for victory Arden and Tristan got us off to a quick start with 43 on the board after 3 overs. As we lost a few wickets Bentley chased down 73 with the winning run a wide to record a 6 wicket win. Every batsman that went in all chipped in with the score and Tristan Francis launching a big 6 to get us going. Jack Brooks was named man of the match for his efforts.

Finally I would like to throw a big thank you to Greg Dart, Graeme Verco and Neil Gardner who helped out the whole T20 season and giving up their Sundays to help out 12 boys every week.

Thanks to the Bentley Cricket Club for letting us 3 lads take on the responsibility of captaining and looking forward to more premierships as years go on.

Chris Prescott, Laurence Paice and Brendan Daye

- Strike Rate (SR) calculated only on games where balls faced have been recorded. Excludes runs scored against Applecross and Esperance in 2009/10 Season.

Wickets/runs from these matches have not been used for calculating points in the Ralph Dungey and Consistency trophies. The Capture Sport Twenty20 Player of the Year Trophy is based upon the WASTCA points system. Points awarded including all games (including finals and statewide representative games). The total points have then been divided by the number of games played. A player must have played a minimum of 2 games in the Twenty20 competition to qualify for this award.

Rules used for the Grade Awards

Bowling Average / Aggregate in a Grade: A player must have bowled a minimum of 50 overs and taken 15 wickets in the selected grade to qualify for a bowling average trophy in that grade. The bowling aggregate trophy will be awarded to the player who takes the most wickets in the grade.

Batting Average / Aggregate in a Grade: A player must have scored a minimum of 150 runs and had 5 innings in the selected grade to qualify for a batting average trophy in that grade. The batting aggregate trophy will be awarded to the player who makes the most runs in the grade.

Fielding: Fielding votes are awarded by the players at the completion of each match will be recorded and tallied to determine the winner in each grade.

The Hayward Medal is awarded to the player in the highest grade of the club who receives the highest recorded votes from the umpires votes during the regular season. A player may receive this award if they have received another playing award

Donald "Lloyd" Dungey - 10,000 Runs

Lloyd Dungey became the first player in the Club's history to pass the 10,000 run mark on Saturday, 16 January 2010, when he scored 39 in 9th Grade against Curtin-Victoria Park.

Dungey debuted for Bentley in the 1965/66 season as a 13 year old. He has now completed the equivalent of 483 two day fixtures, and will surely become the first person to play 500 games sometime next season.

An elegant, right hand batsman, Lloyd played his best cricket through the Club's Golden Years of the 1970's and 1980's. Perhaps his finest knock was when he batted for over 4 hours in the 1985/86 2nd Grade Grand Final, as Bentley chased down Marist Newman's 270.

A testimony to the fact that he still has a bit of 'touch' is that he has now scored 375 runs this season in 9th Grade at an average of 31.25, including a top score of 98 and taken home the Batting Aggregate Trophy.

Lloyd has an amazing record on field but just as impressive is his off-field personality, where he displays class, grace and a very rarely seen humbleness spring to mind.

Universally respected and recognised by team mates and opponents alike as a true gentlemen of the game, Lloyd can be very proud of his achievements to date!

Well done Legend!

Some statistics on how he got there and what he has achieve

Achievement	Result	Comments

*- Denotes a Player ineligible for this award due to winning another major award

Ralph Dungey Award: Will be awarded to the player who has not received another playing award and receives the highest points by a player as per the Ralph Dungey points system in that year during the regular season. The Ralph Dungey points system is calculated by adding the total wickets multiplied by ten (10), total number of runs scored, and the total fielding votes.

Twenty20 statistics have been kept totally separate. These results do not include any invitational or club game results and have only been maintained since the 2008/09 season.

Additional Authors Note

Trophies are awarded as per the Club's constitution with all grade and club performance awards based upon non-finals games. The constitution was altered last year with changes in the rules for qualification being made which have been reflected in this year's award.

Finally, all statistics for 2009/10 in this Yearbook have been obtained from MyCricket, as at 31 March 2010. Any omissions/errors will hopefully be rectified when scorebooks have been received and the Club's statistics database has been updated.

More statistics can be found at the club's website www.bentleycc.com and will be updated.

The author would like to thank the "Guru" Stew Jefferys for his assistance taking on this task of compiling this record. He must be congratulated for his work over recent years preparing this document, it a a huge task which generally has little rewards. The committee must also be thanked for its assistance in preparing this document especially Brad Keenan and Lachie Harris for their assistance in gathering the reports contained within this yearbook. I would also like to thank Sue Paice for the photos of the two premiership teams for inclusion with the yearbook, much appreciated.
