1979-80

2ND GRADE WINNERS

END of SEASON ISSUE.

EDITORIAL

Despite the bitter disappointment of seeing our top side lose their semi-final, the 1979/80 season can be regarded as the Club's most successful season in 6 years. Undoubtedly the highlight of the season was the winning of the Grade Winners trophy by our top side. During the season, under the leadership of STU RANKIN (who must rank as the most successful coach the club has had), our number 1 team proved that they were the most talented and capable side in 2nd Grade. It was only the combination of poor umpiring and the pressure of the occasion which denied them the opportunity of completing the double.

Our number 2 side, as has been the case over a number of seasons, proved to be a disappointment in that they showed the ability to be finals contenders but never really fired in tight situations. Their efforts in winning 5 of their eleven games was identical to their performance during the previous season.

Finally, our number 3 side, which was the cause of much concern regarding the lack of numbers, performed creditably in winning 4 of their 10 matches. The most impressive performance was their excellent win over the side which went on to win both the premiership and the grade winners trophy.

What of next season? Once again our top side will find themselves in 1st Grade where they will obviously find the going a lot tougher. However, the last time Bentley was promoted from 2nd to 1st Grade they did well enough to reach the finals in 1st Grade. Significantly this was under the leadership of STU. Hopefully, our top players will have gained sufficient self confidence to emulate this performance next season. Our other two sides will also be looking for improvement on this season's standings. I believe this can be achieved as long as these sides are afforded a degree of stability - particularly in the captaincy department. Perhaps the answer lies in the exemption of captains from promotion.

Now onto the Club's activities off the field. Last season the Club involved itself in a variety of social events which, unfortunately, were poorly attended and financially a failure. This season, the committee wisely pruned the number of organised functions and concentrated on getting Bentley on an even keel financially. The highly successful gambling night achieved this purpose. Whilst there were a few grumbles over the lack of purely social events, the majority of members showed by their absence that such events are not always practical. This aspect of the Club's activities will have to be closely examined by the incoming committee next season.

In conclusion, may I thank all those connected with the publication of the "Cricketer" this season; in particular CLIVE REYNOLDS for providing the means of upgrading the quality of the final product, and BRIAN HAYWARD for his efforts in keeping the newsletter going in my absence.

The best of luck and see you all next season.
Tony (C.A.) Malins

CONGRATULATIONS!

Congratulations go to our Captain-coach, STU RANKIN, upon winning the Association Best Bowling Award in 2nd Grade. STU had a fine season, and in the qualifying games, he took 54 wickets at an average cost of 8.79

'A' SIDE

A series of fine all-round team performances saw the "A" Grade virtually seal the Grade Winners Trophy long before the season was over. A couple of losses late in the season somewhat deflated the team's confidence and this, together with sub-standard umpiring, cost the team a semi-final win. During the season, LLOYD DUNGEY, ANDREW HAYWARD, BILL HARMER, PETER QUARTERMAINE and STU RANKIN all shone with the bat at some stage, whilst PHIL ROBERTS, DAVE EWING and STEVE MILLS gave solid support. The bulk of the bowling fell on the shoulders of STU and ANDREW. They received excellent support from GREG NAIRN and GEORGE WOODHEAD.

TOP CLUB-MAN DEPARTS

After 2 seasons with Bentley, CLIVE REYNOLDS has taken up a coaching position with a Perth Mercantile side. CLIVE has made a number of significant contributions to the club during his short stay. A devoted fitness fanatic and an astute judge of cricket, CLIVE has been of great assistance to a number of younger players. His work in association with the magazine has been greatly appreciated by all. CLIVE will be greatly missed at Bentley. We thank him for his efforts and wish him well in his new endeavour.

'B' SIDE

After entertaining thoughts of taking part in the finals, the "B" Team encountered a mid-season slump which put paid to their dreams. A lack of stability in the batting line-up due to the many promotions (and demotions) during the season had an unsettling effect. For consistency over a number of games, only BRIAN HAYWARD and CLIVE REYNOLDS achieved any heights. There were some great individual performances (as the averages indicate) by BILL HARMER, LLOYD DUNGEY, PHIL KENRICK and PHIL ROBERTS whilst VIC EIKELBOOM, NEVILLE MCGREGOR, MARTIN TYAS, MARK SEAMAN, STEVE CAIRNS, TONY MALINS and ALF SCHNEIDER provided a modicum of support. In the bowling department, NEVILLE, GEOFF FARRALL and RAY HARMER proved to be reliable wicket takers. HAYDN GRAY and VIC each gave support to this trio whilst TONY showed good form on turf wickets.

'C' SIDE

The lack of players training regularly placed a huge strain on our "C" team this season. Bearing this in mind, they did well to win 4 games. DAVE SAVILLIE and KEN ESMOND provided the basis of the batting line-up. This pair received good support from PETER ROACH and DEREK DUDLEY whilst KEN RITCHIE, KEITH CHAPMAN (both "filling in"), MIKE FARRALL, ALF SCHNEIDER and MARK SEAMAN all gave solid performances. ALF, playing in the latter half of the season, was the chief wicket taker, ALAN SAUNDERS performed consistently and GEOFF FARRALL (in the early games) and DAMIAN KNOWLES (2nd half of the season) were successful spinners.

BITS & PIECES

***FOURTEEN members made their debut with the club this season. Of these, 3 (STEVE MILLS, DAMIAN KNOWLES and KEN BOYES) earned selection in the top side. Last season, 16 players joined the club and 3 made the top team. It is puzzling that, with 30 new members in 2 seasons, we had difficulty in filling our number 3 side at times.

***BILL HARMER established a unique record when he became the first Bentley player to score a half century in all 3 sides in one season. BILL certainly had a fine season with the bat, scoring a total of 501 runs at an average of 33.4. Only LLOYD DUNGEY with 517 runs at an average 36.9 was able to better this performance. It is by no coincidence that it was this pair that established a club record opening stand of 198 and between them featured in 9 stands in excess of 50.

***SLOWLY but surely GEORGE WOODHEAD draws closer to scoring his 500 th run for the club. After 12 seasons and 131 games, next season could see GEORGE successful. Of course, if he hadn't run out of partners so often (a club record of 49 times not out) GEORGE would be shooting for double his present target!

***GEOFF FARRALL's tally of 36 wickets for the season suggests that he will have little trouble in reaching the "impossible" figure of 1000 wickets for Bentley. I guarantee that the victim that gives him that remarkable figure will wonder what all the commotion is over.

***AN INDICATION of the improvement of batting standards within the club is that 9 of the 20 record partnerships in the top two sides were set in the past 3 seasons. Cynics might suggest that pitches favour batsmen more than they used to.

***WHILST on record partnerships, have you noticed how certain names keep cropping up? KEN ESMOND, KEITH CHAPMAN and BILL HARMER each feature in 4 records whilst BRIAN HAYWARD figures in 3. LLOYD DUNGEY has been in no fewer than 7 century stands, yet only one of these is a record.

***UNFORTUNATELY my records have not included hat tricks, thus denying RAY HARMER a well deserved mention. I hope to remedy this situation by including records of this feat in future issues (when I have the opportunity to go through the score books again)

***DURING the past 7 seasons, our number 1 side has lost only 2 games outright. During this period, they have registered 13 outright wins. Considering that 4 of these 7 seasons have been in 1st Grade, this gives ample evidence of Bentley's ability to perform creditably at the top level of competition. The number 2 side have won outright 14 times in the past 5 years. In this time they have lost outright 7 times

***THE COMBINED FIELDING VOTES of all grades reveals that our top men in this area during the season were:
STEVE MILLS (143), DAVE SAVILLE (104), PHIL ROBERTS (97), BRIAN HAYWARD (89), LLOYD DUNGEY (88), RAY HARMER (82), KEN HARMER (81), HAYDN
