The President's Address

As I write this report I can't help but think about my best mate David Berry who passed away so tragically in November last year. I dedicate this report to David.

Our Club continues to grow and we should all be proud of the performances of young and old across the grades. There is no doubt the club is moving forward. We continue to advance our standing in the community, encourage more individuals to participate in sport, develop camaraderie within the club and hopefully forge lifelong friendships.

To the current committee, thank you on a job well done, some have done more then others, but all have contributed in their areas of their expertise. As a committee person you are expected to play a role however it is the people on the fringe of the committee that have really stepped up. To those persons we thank you very much.

To our coaches and selectors well done on putting forward 6 strong teams.

This year our club has been brilliantly lead by our Club Skipper Darren Solomon. The 1er's that Darren has bought to his team in particular, is the single biggest factor for our improvement from 5th to 2nd.

Well done to our Premiership Captains in Ken De Jager and Geoff Dart and our players that carried us to victory.

To our valued sponsors thank you again for your contributions throughout the season. Tonight we have many of you here and along with our special guests including club life members, Mayor of Canning Dr Michael Lekias, Federal Member for Swan Kim Wilkie, and Victoria Park MLA Ben Whyatt, along with Local councilors and representatives from the City Of Canning as well as apologies from our previous Premier of Western Australia Dr Geoff Gallop.

Thank you to all the partners and families of all the players who have been a part of our year, I look forward to seeing you all again come October 2008.

Best Regards Steve Shearing

The following was a comment that I had made over the last three years, and I feel it is appropriate that I share it with you again, with a "riding" comment,

2005/2006 & 2006/2007

Across the grades personally I can't help but feel there was still "petrol in the tank", our performances where admirable, but not scintillating and not special.

2006/2007

I believe we have made a large step moving forward in forfilling our goals. Winning 3 premierships and a third in the club championship is a scintillating effort. However the key to improve to become scintillating and special I believe is hard work in the middle. Hard work is an attitude rather then a skill. Our attitude in this area can improve and I believe we have basis of players to do it.

2007/2008

We have shown that with hard "focused" work, we can cut the grade. Our on field leaders have shown that we must have a plan. We must be focused on that plan. Although our performance in finals was not what we expected, we were there. Many other clubs were not. We should not be complacent or satisfied. We can do better; we know that, we will do better.

My name is Steve Shearing and I am proud to be the President of the Bentley Cricket Club

RIP David Berry

Coaching Staff Reports

As we are all aware, the A Grade side finished second on the ladder, and as the goal at the start of the season was to finish in the top four, this result was extremely satisfactory.

The main reason we qualified second was that the side played as a team unit with all players contributing at some stage of the season, resulting in 8 wins for the year. You will not find many Bentley players figuring in the Association averages or awards.

Much of our success was due to Darren Solomon's appointment as captain and his ability to unite our side as a team unit. He instilled in the players minds that they could win games from any position we may have been in

During the year we lost 3 games (Wembley Districts 1 and Subiaco/Marist 2) who have now qualified to play off in the grand final. For us to lose the semi final was extremely disappointing and hopefully the players are hurting as much as some of our older members who so desperately want to see Bentley win the A Grade premiership.

We are not far away from achieving that elusive premiership.

I would like to thank Steve Shearing, Andrew Hayward and all the committee for their support during the year. Special thanks to Greg Dart who worked tirelessly with Steve and Paul Coverdale in getting the Wyong turf pitch ready every week. Thanks also to Stafford and Ned for their assistance, Steve Cairns and Ray who organized practice, and Len Woodley for his work in the kitchen.

In what has been extremely difficult times during the year, Bentley should be proud in what they have achieved

Cheers Graeme Verco

Throughout the year the Cricketing Department have worked hard in recruiting new players to the Club, and no doubt they will be working hard in the future to maintain the standard of quality players we have at Bentley Cricket Club. At this point I would like to thank Andrew Hayward, Mark Petta, Graeme Verco and Steve Shearing for the guidance they have given me and the hard work and many hours they have all sacrificed in getting the job done.

I feel we as a Club have had a very successful year on and off the field. This is an excellent result and one that is very hard to achieve in a game that we have some much respect for. All Captains' should be commended for there excellent leadership roles and hard work in keeping their teams focused on the job at hand. Well done.

In closing once again I would like to thank all those people who have made the Bentley Cricket Club the Great Club that it is today and continue to be in the future, I would like to thank Committee Members, players and their families for all the support they have given throughout the season and look forward to your continue support throughout the seasons to come.

Regards Stafford Dawson Cricket Manager and Vice President

First Grade - Report

I would like to thank everyone involved with the Bentley Cricket Club for the support that was given to the A grade this year, it was very much appreciated by the whole squad.

We would also like to single a few people out that without their help we would not have been able to achieve what we have this season:

VERCS: One of the nicest bloke's I have had the pleasure of meeting. The one on one chats you have with boys is a great help to me and also to the squad as a whole. The support and advice you gave me throughout the season was SENSATIONAL and a big help.

OLD MAN SOL: Your work as our team manager was very much appreciated, whether it was running around the boundary to give 'pip' another drink or brewing that world famous cordial, you were always there for us. The support and advice you gave me throughout the season was also very much appreciated and yes I was listening most of the time.

DARTY: Thanks for your support throughout the season and also the power of work you put into the pitch preparation helping Covers.

ACE: You have worked so hard putting together the A grade squad and we are definitely moving in the right direction which has a lot to do with your tireless work! Thanks again.

We would also like to thank Steve and the committee for the power of work they do behind the scenes.

As for the season.... We are very proud of our second place and highest finish in over thirty years. The team improved this year in so many ways; more runs were scored as a team, more partnerships were built with the bat and the ball and most importantly we really begun to gel as a unit. We were never out of any game and I feel that strength will only get better.

We finished the season off with a record of 8 wins 2 losses and 1 draw and went into a semi final against Subiaco/Marist knowing we were good enough to go further. We had a great first day with the bowlers that had done the job for us all year excelling again; Chris Prescott, Shaun O'Shea, Paul Coverdale, Brendan Daye and Michael Knight. Unfortunately we faltered on the second day with the bat in hand and two hours of bad cricket made for a very disappointing end to the season.

As mentioned our batting did improve this year with more emphasis being put on batting as team and building partnerships, Paul Coverdale, Brendan Daye and the late starter in Arden Wittensleger all excelled with the bat this year. Our fielding and team work in the field was also a major improvement and had a lot to do with our success this year.

I would like to thank all the boys who played A grade this season as I thoroughly enjoyed my season with you. Special thanks go to Covers for your support and leadership this season, cheers mate. It is so important we do not go backwards next year and it is also important that the talent we have in the lower grades put their hands up to play higher grades. Although looking back we have achieved a lot this year there is also so much work to be done and lots of room for improvement, and more importantly lots of fun to be had!

Third Grade - Report

The reigning 3rd grade premiers were set for a good season in 2007/08 given the depth of the A-grade squad at the commencement of fixture 1. In many ways it was a good season yet again making it to the finals by finishing 3rd on the ladder. The reign came to a shock end in the semi-finals in an uncharacteristic defeat due to a poor batting performance by our powerful batting line up.

A few of the more memorable games included the 4th fixture against Fremantle/Mosman Park. This was the first game after David Berry's untimely passing which he was selected to play in earlier in the week. There was determination like no other to win this game and it had all the hallmarks of the way he played. The game against Western Suburbs was a modern day massacre. The team compiled the highest team score ever by a Bentley side. In a true team effort no individual scored a ton in the total of 405. Young spinner Chris Chellew (5 wickets) completed the rout dismissing them for 145.

By round 9 ladder leaders Subiaco/Marist had not been defeated. Batting first they made a competitive 239. Only once had a team chased more at Wyong on turf to win. The boys did it comfortably in a great team batting effort to make 274 with only 6 down to keep the winning streak at home intact.

Players of note this season which was particularly pleasing for me to see was the establishment of a new wave of young bowlers coming through the ranks. Tim D'Souza had an outstanding year and delivered on the potential he has promised for the last few seasons. He is now mastering his craft and can only get better and truly deserves to challenge for the role of the club's finest spinner. Hiten Shah was a stand out bowler in this grade. At times he was simply unplayable and a captain's dream to keep an end tied up. He is certainly an asset in the club's future plans. Chris Chellew showed a maturity beyond his years. He bowled some devastating spells of leg-spin and often claimed the scalp of the opposition's best batsman. His fielding and batting made him a valuable team member. Ben Mitchell came up for a few games at this level and now has a taste for the higher grades. He immediately looked at home and now knows that if he wants to put in some hard work anything is possible for him at this club.

The batting was strong all season thanks to a powerful middle order. Paul Warren and Troy Worcester were brutal against the bowling. Established batsmen Jos Welsh and Simon Magill also had a good season with the bat. Veteran Ken Dawson showed that he was not a spent force in the higher grades by consistently getting the team off to a good start at the top of the order. Omo Fanayan demonstrated greater maturity in his batting this season and was richly rewarded with a magnificent century.

The potential of this team was not reached, however the depth of ability looks to be in good shape for the flagship 1st grade next season. This team was more closely aligned to the 1st grade team than ever before which is a great sign for the future of the club.

Thank you to the committee this season for their continued support of this side and me as the captain. Praise also goes to Darren Solomon, Paul Coverdale and Ray Solomon for their professionalism and enthusiasm with the A-grade squad which kept me and the other players interested and performing at a higher level. To Jen Conley who was a godsend at home games to have someone getting to games even earlier than me and helping with the preparation. The players raved about her ability to get them right for the game and we would have had many more unavailable players due to injury if it were not for her expertise. To the many spectators that came to the game and supported us throughout the year thank you for your interest. Finally to my number one fan that was there every week your support for me was very much appreciated.

Simon Magill

Fifth Grade - Report

The Bentley 5th grade team rode a roller-coaster in the 2007/08 season, winning some games against teams that we probably didn't expect to, but losing to some of the worst teams in the competition, and in the end that cost us a finals berth as the season ended as a disappointment.

We started the year with a win by forfeit against the weakest team in the competition, and that result may have come back into our minds as the year went on and points and ladder jostling became more and more important. Following was a win against eventual premiers Doubleview/Carine, but a chance to play on turf ended up with a frustrating loss against Western Suburbs where we nearly defended 140. We then beat Fremantle/Mosman Park outright in an emotional tribute to Chucky, but lost the momentum when totally outplayed by Balcatta, leaving us 3-2 with Whitfords to come before Xmas.

A tough game ensued and we struggled with the bat and at 8/145 things looked grim, but Andrew Hansen played the best innings I saw all year in 5th grade and put on a valuable 80-odd with Blair Chapman, giving us 250 which we effortlessly defended.

At Xmas, I was realistically thinking we should finish in the four, needing to win 4 out of the last 5 games, with the first game after Xmas against High Wycombe being a must-win game. Unfortunately we picked the wrong game for our worst batting performance of the year, and lost in a deflating way.

A regulation win over South Perth followed, with Steve Shearing shining, but the next game against Subiaco/Marist ended up being the hardest pill to swallow, when we fought hard to make 230 against a quality bowling attack but couldn't bowl them out the next day, with most blokes just having one of those days in the field.

Statistically we could still make the finals but were comprehensively outplayed against Wembley Districts, ending our year after an all too familiar top-order batting collapse. The last game against Ocean Ridge was a dead rubber and in a way I think the long season took a toll on everyone as we lost to finish the season in 7th place on the ladder.

The season was full of highs and lows, but I won't mull over the lows - the highs were the batting of Steve Shearing, Chris Pritchard, Don McKeig, Glenn Davies and Glenn Hewitt and the bowling of Blair Chapman, Ed Daquino, Ben Mitchell and a host of other honest performers. Every player picked in my side gave 100% all the time, I never expected any less but it makes the job of being a first year skipper that much easier knowing you have a fully committed team behind you – not that I expected anything less from a team of Blue Boys.

Win or lose, we enjoyed each others company, and always had a beer and a laugh after the game. I am a severely competitive person and captain but have reached the conclusion that if you want to lose, you want to do it with your mates.

I'll miss someone here, but thanks to

- Pritchy, The Prez, Freighter and Glenny Davies for their vice-captaincy and 'senior input'
- Solly, Simon, Ken, Darty and PC for consisting a tight captaincy bunch
- Ned for taking players from my team late every selection night (just joking Ned, you did a great job)
- Ken Dawson for his input and constant challenging (I mean that in a good way Ken!)
- Stafford and the committee for the mountain of work they do
- Acer for his ongoing passion and for representing me at my first and last tribunal appearance!

And lastly to everyone at the club, we had a tough year off field losing a club legend, but everyone pulled together and had arguably our most successful season ever.

We have a lot of unfinished business from this year, and with the support of the committee I would love the opportunity to captain again next year.

Thanks Steve Paice

Seventh Grade - Report

Back to Back Premiers 2006/07 & 2007/08

At the end of the season it's time for us captains to sit back relax and reflect on the season that was. For 7th Grade you could say it was a highly successful season by not only winning the Minor premiership but by also winning the Grand Final against Bassendean.

In reflection the success of the team on the field wasn't because we were loaded with superstars it was because the guys that played gave it 100%, enjoyed their cricket and played as a team and not as individuals. And due to this there wasn't a reliance on any one player to perform week in week out as there were always other guys ready to step up and do what was required to win.

But to get these results much work goes on not just in the game track but on the training track and behind the scenes and therefore there are many people to be thanked.

I will start by thanking my Vice Captain Chris Lockyer, we didn't always see eye to eye through the year and both of us like do things completely different but we still had the same philosophy and that was that the team needed to enjoy their cricket and both of us believed that this would bring us success (which it did).

The other people to thank are the Coaching Staff, Committee, Chairman of Selectors, Cricket Manager and the Captains from all our other Grades this year. The amount of work all of you guys have put in this year must be commended so thankyou all (If I missed anyone please blame Stew as I have only had 20 minutes to write this). ((Stew - DON'T LIE KEN!!))

I would also like to give a special thankyou to one Jennifer Conley for helping not just myself but many guys at the club to stay on the field even when our bodies were saying we've had enough. You will be sorely missed.

And lastly I would like to thank all the guys that played 7th grade this year as not only did you make it a successful season but more importantly a very enjoyable season.

Just before I finish my spiel I would like to congratulate 9th Grade for their One Day Premiership and winning the Minor Premiership this year and I would also like to congratulate all the teams that made Finals this year. It shows that we are heading in the right direction and in the coming years we should dominate this competition in all grades. Lets bring home 7 Flags next season. Hope to see you all back then when 7th Grade tries for a three peat.

CARN THE BLUEBOYS, HERE WE GO NOW.

Ninth Grade - Report

Unfortunately the 2007/08 season finished with an anti climax for the 9th grade side. After earlier winning the Minor Premiership (11 wins (two outright), two losses & a forfeit) and the One Day Competition, we were knocked out in the Semi Final. It was disappointing that a couple of hours of bad cricket ended things for us, and we should all take something out of the semi for next season.

Having said that, the team played some excellent cricket this season and all of those involved should be proud of their individual efforts and how they contributed to the team's achievements. We had over 40 players through the team, 12 of whom made their debut for the club, and were fortunate that most weeks we had a good mix of experienced cricketers to help the newer guys settle into the team.

Whilst we had many admirable performances this season, the standouts were Greg Nairn's 11 wicket haul (5/23 & 6/52) against eventual premiers Western Suburbs, Jamie George's maiden century (160) in a one day game and Chris Taylor's Man of the Match effort (72 & 4/36) in the One Day Final.

When batting we set ourselves two goals; to bat our over's, knowing that this would enable us to post a competitive total, and to bat in partnerships to deny the opposition momentum. We achieved these goals more often than not, resulting in us passing 180 11 times including two scores of over 300, while we had 14 partnerships over 50 runs and five over 100. Notable knocks were Justin Warren's 71*, Geoff Dart 69, Lloyd Dungey's 64*, along with an excellent 43 from Stephen Cairns, while first year players Brad Elliman and Mark Lisk both had solid performances earning them promotion to higher grades.

In the field, all bowlers were asked to keep it full and on off stump and impressed with their ability to do so, whilst they were backed by fielding that was generally of a high standard. The experience of Greg Nairn, Shane and Jamie George, Kirk Spencer and Chris Taylor was an asset to the team and along with the exciting development of Luke Johnson, Daniel Swansson, Brad Keenan and Dave Inglis gave us one of the more potent attacks in the grade, demonstrated by us taking 20 wickets in a game three times. These four guys have all shown they have the potential to play higher grade cricket in the future, and all of them rose to the challenge when we needed them to.

Lachie Harris had a good year for us with the gloves and in the outfield (including two solid boundary catches as 12th man in our One Day Final), as did Justin Warren, whilst Cam McNab's and Brad Keenan's ground fielding and catching would be welcomed in any grade at the club. Special mention must also be made of Greg Nairns inspirational efforts in the field, setting the standard for the rest of the team to follow.

Personally the most pleasing thing was the way the team went about our cricket, and the team spirit. The guys played a higher standard of cricket than the grade would suggest, not so much with the skills they showed, but their attitude, endeavour and professionalism. The way everyone consistently encouraged their teammates and put the team's performance ahead of their own is a credit to themselves as well as the quality of people at the club.

To everyone that played for the side I'd like to thank you for your efforts, both on and off the field, with the gear, drinks, at training etc. Your assistance and positive vibes not only made it a pleasure to captain the team but also to play alongside you.

We didn't have an official VC this season, but three guys deserve mention for their input to the team. Greg Nairn on field was a great help, and off it he was invaluable. He umpired many games for us, collected fees, scored and in general made my life easy. The other two are good mates, and even though Jamie George and Justin Warren only really came into the side after the break, their experience and counsel at the start of the season is much appreciated, and helped me get up to speed initially. There is also a big thanks to the committee for your support throughout the year, as well as the coaching staff and training staff.

In finishing I'd like to congratulate all the other skippers, particularly Darren and Simon for their efforts in qualifying for the finals, and Ken and his band of merry men on their Minor Premiership and backing up last year with another Premiership.

Go the Blues.

One Day Side - Report

This season turned out to be very challenging after a magnificent start. Last season we were premiers and commenced proceedings this season with a massive win. Chris Taylor and Ken Dawson had a record opening stand of 253 in 26 overs against Bedford/Morley before we finished at 4 for 342 which is a record one day score. Chris scored 164 and Ken 99. The opposition was all out for 69. The second game was also a win against eventual finalist Melville but from then on pickings became slim. Only two more victories in 16 games were achieved and both of those against the hapless Bedford/Morley lineup.

58 different players turned out for this team during the season. 25 of those played 1 or 2 games only. Only 6 played 8 or more games. As a result there was not a 'core' of players every week to enable a more consistent effort. Young juniors (under 13's) filled the team on many occasions and their development in senior ranks was excellent. Several players came out of retirement to help us field a side and I and the club appreciate those that did so, often at very short notice.

Many higher grade players had games when they were unavailable on successive weekends and some were surprised at the quality of some of the opposition players. I think overall the standard of the One Day competition was higher this year with many teams made up of a combination of experienced players and younger exciting players.

We were a stronger batting side than we were at bowling. We were all out in 4 games (two scores below 100) but dismissed the opposition on only 3 occasions. Five times we lost with the opposition four wickets or less down. Against Subiaco/Marist in round 7 we lost in the last over and against South Perth in round 13 we scored 5 for 233 and lost on the last ball of the day. This shows our lack of bowling depth. No bowler took 20 wickets in the season. Luke Davidson took 5 for 17 in his debut in the win against Bedford/Morley and PC Smith took 4 wickets in one game. No one else got a four wicket haul.

On the batting side Chris Taylor scored 122 in the close loss to Subiaco/Marist to go with his first game heroics. Tony Magill scored his first 100 for the club in just under 200 games when he got 112 in the nail biter against South Perth.

Last season we only had one century partnership and lost only 2 games for the season. This year we had 5 century partnerships. The first one between Chris Taylor and Ken Dawson was in a winning game. Chris Taylor and Chris Lockyer opened against Subiaco/Marist with a 129 stand. PC Smith and Tony Magill combined for 105 for the third wicket in the second win over Bedford/Morley. The same two combined for the third wicket, also, against South Perth to the tune of 156. In the last game of the season newcomer Ryan Hampson combined with PC Smith to register 120 for the second wicket.

I would like to thank all those who participated with me throughout the season especially the young ones. Craig Strauss improved in leaps and bounds with both bowling and batting and took some good catches. Joe Twomey with the bat showed dedication and consistency. Lachie Harris not only kept wickets on occasions but had the best bowling figures in one game. Rod "Rocket" Duncan made a comeback late in the season and I welcomed his experience and support when he played. Geoff Hatherley at 62 showed you are never too old to play this magnificent game when he turned out 10 times over the summer.

A special thankyou to "JT" (John Taylor) for umpiring most of our games this season. Without him on occasions we would have had difficulty finding enough players with the knowledge to score or umpire when we were batting.
