From The President

Season 1999/00 was always going to be a challenging one for the club. Coming off the unprecedented successes of the previous year which saw the club gain promotion to the 1st Grade, there was no doubt Bentley was going to be tested. Consolidation in 1st Grade was certainly a key goal for the new millennium but this was not to be. One wonders if the Y2K bug had something to do with it!!

History will show this season to be a disappointing one. Not only were our top two sides relegated, for the first time in five years, the Bentley Cricket Club did not win a premiership. This is a hard pill to swallow for a club that has tasted so much success in recent times.

Our 'A' Grade side proved to be competitive and battled valiantly all year. In my view the side was unlucky to be relegated by only the narrowest of margins (.41pts). Good luck also deserted the team. Two games in which Bentley were well placed to win were drawn because of rain. Add to this a couple of games lost by less than 20 runs, confirms this team was more than able to hold their own in the big league.

On a philosophical level though, one could perhaps view this season as a rebuilding year for the club. There were a large number of new players who joined the club and lots of new talent unearthed. This augurs well for the future. The efforts of the coaching committee led by Coach Steve, Chairman of Selectors, Greg Dart and all the grade captains must be recognised and applauded. A vote of thanks also goes out to our net captain in Staffy Dawson and Brian Hayward who continues to be involved in the club.

Sadly, 'BuddySteve', our coach for the last seven seasons, will not continue in this role next year. The good news is that he will be continuing as a player and his presence will no doubt have a strong bearing on the club's performance. Tribute must be paid to Steve. His reign as coach has brought unparalleled success to the club. The club has won five premierships during his time and also expanded from three to five teams. The fighting spirit and enthusiasm that he has instilled in the club cannot be overstated. His own dedication, professionalism, personal commitment and sheer hard work has established Bentley as a champion club. The committee is grateful to Steve for his contribution as coach. THANK YOU Steve!!

Off the field, the new look committee experienced a very challenging and demanding year. The tireless efforts of the committee, especially Lesley Magill and Donna Elpitelli, saw the club finish in a sound financial position. I thank the committee for a job well done.

One of the most pleasing aspects of the season was the personal contributions and assistance provided by other club members to the committee in fund raising activities. In particular the committee would like to thank Tony Magill for organising the Mock Gambling Night, Glen Hewitt for his work in running two successful cocktail parties and Anthony Brown for running the 100 club. I also take this opportunity to thank all of the club sponsors, especially our major sponsors in CarLine Mufflers and the Canning Sports Club, for their invaluable support. To all the other members of the club, especially all the Ladies who help in one way or the other, thank you for your support.

From The President

Where to from here? Our major focus for next year must be promotion to 1st Grade and to once again establish the club as a force in the competition. This will present a challenge to the new coach and committee both of whom must forge a close partnership in ensuring on field success.

The committee needs new blood, with motivation and enthusiasm, to meet the challenges the new millennium brings. One of these is the procurement of Turf facilities at Wyong Oval which will require a concerted fund raising effort. Work has commenced on this project with a Sub-committee led by Tony Magill given the task of progressing this issue over the winter. The new committee must also work on finding new sponsorship and look at more creative and innovative ways of raising funds. Strong support from within the club will be absolutely essential.

In conclusion, I have no doubt that the disappointments of this season will spur the club to success next year. Bentley is and will continue to be a great club, one I am proud to be associated with. Here's to season 2000/2001.

Ron Fernandez

Coach's Report

The millennium season has passed us by. As coach I can't help feel a little frustrated at our season. For the first time in six years we have no sides at all representing the Mighty Blues in the finals. It sure makes for a sudden finish to the season. Premierships are the measure of any Club and rightfully so. But success can be measured in many forms. The successful promotion of many players was pleasing. Some doing better than others but most enjoying the challenge of playing on "turf" or just in a higher grade.

There are many fine examples of this but one I will make special mention of is Paul Warren to the "A" side. Paul's efforts were outstanding behind the stumps and he also played some useful knocks with the bat. He is a competitor now an "A" grade one. Paul like others must refine these skills. But just as importantly concentrate on the 1%ers. These are quite often the difference between "players who think they want to do well and those who actually put those thoughts into actions."

The amount of new players registered in particular in 7ths & 9ths and the improvement of many of those players will see them enjoy their cricket more as well as improving the performance of sides they play in. The loss of key players in all grades caused strain. However the professional approach and methods of Greg Dart as our chairman of selectors deserves special praise. Also my personal thanks to Greg for his common sense approach on all issues. His ability to see both sides of any situation and just his general manner.

To our net coach Stafford Dawson again a person with similar attributes to Greg. A man you can rely on. The type of Guy you would call your right hand man. Have a discussion with and not necessarily agree with everything I have said. But still follow my instructions to the letter, just because I have asked him too. We could always discuss it later but at the time when it counted it was always 100% support never anything short.

Glenn Davies our second team skipper was again outstanding. His club first attitude should be commended. The example Glenn sets in all areas of his cricket is surpassed by few. To Greg, Stafford and Glenn my sincerest thanks for a job well done.

To all the players thank you for your time & support you gave to myself and my methods. Although it is difficult to get 100% support from all concerned I really thought we were close on some occasions. I look forward to giving my fullest support something I have always demanded of you to next year's coach.

In closing to quote Old Blue Eyes: "Regrets I have a few but then again too few to mention....I did it the Steve Shearing way."

With Thanks the Coach of the Mighty Blues

Steve Shearing

From The Selection Table

It seems to be only a short time since Steve and I sat down to discuss plans for season 1999/2000.

For various reasons some of these plans have not come to fruition and the club must now win back its rightful place in A grade.

Sure, we can offer excuses about our performance, with players being unavailable, the weather etc., but for each fixture the selectors were of the opinion that competitive teams had been selected. However, results did not always reflect this.

To my fellow selectors this year, Steve, Glenn, Dino, Greg S., Warren, Bruce, Scott and Damien, I thank you for your help, advice and patience on selection nights and at any other time that I wished to discuss matters with you.

To all trophy winners, and players who have achieved personal milestones, I offer my congratulations.

To all players, thank you for your help and understanding throughout the year, and please remember, it is the attitude and quality of the players that makes our club what it is.

To Ron and the committee, thank you for asking me to fill the roll of Chairman of Selectors for this season. I hope that my contribution has been as worthwhile as that of my predecessors.

To next years Chairman, whoever it may be, I offer my best wishes.

Finally, to my wife Helen and son Geoff, thank you for your support during the year.

Greg Dart

PS – There are only twenty four weeks to the start of the new season!

1st Grade Report

It's not in my nature to make excuses, however the record will show we were relegated by 41 runs. It is not fair to blame any individual but when it is this close it is fair to say that that extra partnership or extra effort to work hard at training or even just concentrating harder in a game could well have been the difference.

In saying all of this the buck stops with me and I accept this. Hopefully in years to come I may get the opportunity to Captain again and make amends. When it is as close as this was it is not all bad there is of course some very fine performances. Tony Magill and Scott Vallow again led the bowling with cameo performances from Danny Arcaro & Shaun O'Shea in games against Subi Marist and Whitfords respectfully.

Tony's all round ability makes him one of the most deserving winners of the Hayward Medal since its inception. His conduct is first class which may only be surpassed by his cricket skill level. The awards Tony will win tonight will be fitting of his season.

Our batting started a little shaky, the conditions were not great, however the longer the season went our batting certainly gained momentum and probably our strength in previous years our bowling fell away. In our last six games we had scored 206, 5/273, 166 (in a one dayer) 197, 201, and 221 for only one win, albeit the whether did seem to give us a raw deal in a couple of games.

Serge Perrozzi had an outstanding year putting his hand up, standing tall and opened the batting for the final 8 games making in excess of 300 runs. Mick Reilly's introduction proved an immediate success with a century in his first A grade game for the Blues. A few good performances from yours truly along with Danny Arcaro were other highlights.

Our fielding was of its usual high standard led by Paul Warren and Anthony Brown. The introduction of Paul, Anthony and Shaun O'Shea will see these players be the leaders in seasons to come. (Not too far away either.)

To our Vice-Captain Scott Vallow and Manageress Helena Magill thankyou for all of your valued help and assistance. From all the guys it is much appreciated. To my Co captains Glenn, Dino, Greg, Waz, and Bruce well done on endeavouring to maintain standards in a difficult year. To all of the players over the years that I have convinced to come along for the ride on the BCC "juggernaut" a special thanks to you especially the ones I have been fortunate enough to have Captained.

It is not fair to individualise so I won't but to the people who have supported me through thick and thin thankyou. I need not mention your names because support and loyalty is a quality that is given from you to me and when received it is surely noted.

To my wife Karen thankyou for your continued assistance and understanding. To Sheba & Cory I look forward to playing a few games at Wyong with you. To next years Captain I look forward to being of what assistance you may require from me.

Steve Shearing

3rd Grade Report

The 99/00 season saw the second of Bentley's teams being promoted to 3rd grade after winning back to back premierships in 4th grade. After playing in three consecutive grand finals in 4th grade the teams objective this season was to make the top four in 3rd grade.

The commencement of the season saw many of last year's premiership players unavailable for selection. This gave an opportunity for a lot of younger and new players a chance to play in 3rd grade. Players such as Glenn Hewitt, Stephen Paice, Paul Liadow, Gus Edmunds, Adrian Nation and Phil Johnston all played 3rd grade in the 1st game of the season.

The season did not get off to a good start with Bentley being all out for 124 against Wembley in the 1st game of the season with Captain Glenn Davies top scoring with 70. Fortunately the 2nd week of this game was washed out.

The highlight of the season was undoubtedly Mick Reilly's century against Shenton Park at Rosalie Park. Shenton Park batted first and scored 297 runs. The Bentley run chase was lead by Damien Rickards who scored 68 and Mick Reilly who scored a magnificent 103 runs. Mick started his innings steadily just pushing the ball into the gaps for 1's and 2's. After tea when the run rate needed to be increased Mick adjusted his batting accordingly and began to play more forcibly. The run chase was going along beautifully before Mick was out late in the day for 103 in what was with out question the best innings in 3rd grade for the season. Unfortunately all Mick's hard work was undone as Bentley was all out for 289 with five balls in the innings still remaining.

Bentley only won 2 games this season in 3rd grade and they were against Bassendean and Swanbourne. The team was very competitive in all games in a season that was shortened by weather and the association's incompetence. Our second last game of the season turned into a one day game at Shelley Reserve because Curtin / Vic park decided they wanted to play a scratch match at Barblett Reserve when Bentley was fixtured to play Nollamara at that ground.

It was very disappointing to see the team finish this season in second last position on the ladder. Almost 30 players played in 3rd grade this season. This is an indication that the best possible combination was rarely available. Having said that it also gave the club a chance to give a lot of different players an opportunity of playing on turf wickets. Players such as Stephen Paice, Steve Henshall Adrian Nation and Phil Johnston should benefit from this opportunity and go on to be future A grade players for the club.

Glenn Davies

5th Grade Report

Firstly I would like to thank all the players that played 5th grade this season. Your support and help to me in my first year as captain has been most appreciated.

Our first half of the season was at times a bit frustrating, getting so close in many games that could have made a big difference at the end of the season. Whilst our bowling efforts were good all year, our batting let us down, but hard work through the season started to turn this around.

After the Christmas break I felt that all the guys really dug in and gave their all, giving us three wins in a row. Outstanding performances throughout the year with the bat were Dino Elpitelli 71, Simon Magill 69, Peter Smith 67 and Glenn Hewitt 57. With hard work there is still a lot of potential high run makers in coming seasons.

Dean Scott, a new player at our club, has bowled well all season taking 27 wickets with best bowling of 6/27. Dean has great ability to be an outstanding bowler at Bentley in future seasons. Other good performances were Dino Elpitelli 23 wickets B/B 4/33, Rick Pugh 4/41 and Gus Edmunds 3/17.

Some young players have emerged this season showing bright futures, Geoff Dart and Steve Paice have come up the grades and performed well.

Lloyd Dungey was once again brilliant in the field and consistently valuing his wicket. I would also like to thank Lloyd for his advice and encouragement throughout the season.

For me personally, I have enjoyed my time as captain, I have learnt many invaluable lessons. The support of my whole team, coach and committee has been greatly appreciated.

To my wife Donna, thankyou for your tireless efforts off the field for myself and team this season.

Dino Elpitelli

7th Grade Report

The 1999/2000 season was not one of the better seasons we have had. The players who played 7ths this season had the physical abilities to compete at this level, but possibly not the self confidence in those abilities to perform at a consistent standard. This resulted in us finishing the season in 9th position with 1 outright win, 2 first innings wins, 1 draw, 6 losses and 1 outright loss.

There were some outstanding performances with both bat and ball during the season. Outstanding bowling performances were: Rick Pugh 7/42 off 18 overs v Bassendean, Shane Crane 6/16 off 14.5 overs v Kalamunda and 5/33 off 15 overs v Shenton Park, Greg Sheppard 5/17 off 12 overs v Shenton Park, Steve Henshall 5/77 off 21 overs v Melville and Ian Dickerson 7/49 off 21 overs v Doubleview and 5/78 off 27 overs v Curtin/Vic Park. Outstanding batting performances were: Steve Cairns 65no (batting through the innings) v Kalamunda and 59 v Whitfords and Mick Dicker-Lee 55no (1st 50 for the club) v Bassendean.

A rewarding aspect of the season was watching players who started in this grade finish the season in higher grades: Rick Pugh to 5th grade and Steve Henshall to 3rd grade.

Thank you to all the players who played under my captaincy this year, especially to my vice-captains Steve Cairns and Derek Gascoigne.

With a bit of work during the pre-season I am sure we will once again see Bentley 7th grade and all grades become the trendsetters of the Suburban Turf Cricket Association.

Greg Sheppard

9th Grade Report

The season was for us very mixed, from having 345 runs scored against us in one game to beating three of the top four sides in the last five games of the season.

During the season we used 45 players in the side and I would like to take this opportunity to thank everyone for their efforts throughout the season.

As has been the case in recent seasons our bowling out shone our batting once again. With Doug George-Kennedy, Warren Blake, Kevin Magill and Warren Shaw leading the way, Doug in particular had a very good season taking 24 wickets at 10.40.

While the batting was not great players like Kevin Magill, Warren Blake, Doug George-Kennedy and Bruce Bindon who did a lot of the hard yards when we were in trouble, all had seasons to be reasonably happy with. Kevin in particular with 260 runs at 22.

I would like to take this opportunity to thank my vice captain Bruce Bindon who ran the side for almost half our matches, for his invaluable assistance throughout the season and is as good a right hand man as you could ask for. Also chairman of selectors Greg Dart for ensuring we had a full side in all games, which at times meant playing himself.

I would also like to thank all the ladies who came along each week to watch their other halves play especially Natalie, Peta, Dianne and Sheree for all their help and support during the season.

Keep working hard and the results that weren't quite there this year will come.

Again thank you to all involved.

Warren Shaw
