

# BENTLEY CRICKET CLUB

## PRESENTATION NIGHT 1996/97 SEASON

### FROM THE PRESIDENT

*At the start of the season we set our sights on becoming 'The Champion Club' in the Association. This ambition was not realised but I can say with great confidence that Bentley finished this year as a force to be reckoned with. Two consecutive premierships seasons is a very satisfying result and I predict that playing in grand finals will become a common occurrence at the Bentley Cricket Club. Once again, on the field the club has been brilliantly led by Steve Shearing who was well supported by Assistant Coach and Chairman of Selectors Dave Berry. Their professionalism, commitment and hard work continue to reap benefits for the club.*

*Congratulations to our 6th Grade side 'The Dream Team' who have swept all before them this season, not only finishing on top of the ladder but going on to win the premiership. The side was ably led by the "uncommon" captain Greg Dickerson who has made history within the club by being the only captain to date to lead two consecutive premierships teams. The down side to this great win was the absence of the 'Legend', Lloyd Dungey, due to illness on the second day. This provided the added motivation for the side to do well and the players did not let him down. I am sorry that the Legend was not there to enjoy that momentous occasion and I wish him a speedy recovery.*

*The efforts of the 4th Grade must also be acknowledged. They stormed into the final four after the last qualifying game, beat minor premiers Nedlands in the semi finals and finally succumbed to Bedford-Morley in the grand final. This loss, albeit a very disappointing one, will provide the motivation for the side to succeed next year.*

*Our other teams, although not making the final round, were competitive throughout the season. Our number one side continue to improve, recording the most number of wins in 10 seasons and finishing around the middle of the ladder. The 7th Grade must be ruing a couple of close losses early in the season. They have proven themselves to be giant killers by convincingly beating all the teams in the final four and finishing the season just outside the four. Our 9th Grade were the trendsetters early in the season but fell away towards the latter half. I am positive that the lessons learnt this year will strengthen the resolve of all the players in these grades to do better next season.*

*Off the field, the club's administration continues to be strong. This season in some respects saw a changing of the guard with a new look committee. Some of the old stalwarts in Ace Hayward, Leslic Magill and Legend Dungey provided the experience and guidance to the new comers. With 5 teams, the committee's major focus has been on financial matters, particularly fund raising. Financially, the club is in a satisfactory position. This is largely due to the tireless efforts of the committee and I take this opportunity to extend to them my appreciation and thanks for a job well done. I would also like to thank all those associated with the club for their support over the season.*

*Where to from here? The focus must turn to our top team again, as I believe this side is not far from a final four appearance. Our recruiting committee will once again be busy off season in attempting to attract and secure the services of two to three quality players. Promotion to the First Grade is our long term aim.*

*I also note that the Canning Shire has been requested to re position the training wickets and to add on a fourth net. I will be pursuing this vigorously with the Shire and hope to receive a favourable response.*

*Off the field, the committee must endeavour to attract new sponsors and consolidate the club's financial position. The club also needs new blood to join the committee and become involved in the administration of the club. The changing of the guard must continue to ensure the future growth and success of the club.*

*All in all, the 1996/97 season was a tremendous year for the club, the highlight being the back to back premierships. As my first year as President, it has been a challenging and rewarding one. I look forward to the next season.*

**Ron Fernandez**  
**President Bentley Cricket Club**  
**24 March 1997**

## COACHES REPORT

Congratulations to all players who have represented the Bentley Cricket Club during the past season. This era we are now entering will be the best and most successful stage our Club has experienced in our 43 year history.

Our pre-season goal of being the champion Club, all be it not reached, saw significant improvements within the playing strength of all grades and should see the Club closer to it's goal in 1997/98.

The introduction of a fifth team, a calculated gamble, paid off in terms of providing a game of cricket for additional players. Even though the expense is great this should be offset over the coming years.

The conduct and commitment of all players should be commended and all associated with the Club can honestly say they played a part in our successful finals campaign.

The squads which were chosen to represent the Bentley Cricket Club during the finals should be honoured to have done so. The feelings of finals is truly a great one, and certain happenings during a final are the things you will remember and cherish for the rest of your life. It may not be the actual win, but more so an actual wicket, run, catch or situation which best describes your feelings.

To Captains Glenn Davies, Greg Dickerson, Stephen Cairns and Paul Warren and Chairman of Selectors Dave Berry, well done, your views and thoughts have seen our sixth premiership and you are certainly a large factor, both current and in the future for the Club's continued success.

To Greg Dickerson and his team well done, a much deserved win.

To Glenn and his team a tremendous effort, Glenn's captaincy has now progressed to a stage where he will be a fine leader, a person and Captain who can rally his men but also lead from the front.

A Grand Final loss in cricket unfortunately gets our Club nothing or the players nothing to rest on the mantelpiece at home. We are only left with the feeling of being second this year and knowing it is not far away at our next try.

I look forward to seeing everyone over winter for a beer and the opportunity to associate with a wonderful group of people.

Steven Shearing,  
Coach Bentley Cricket Club.

**COMMITTEE MEMBERS :** SHANE CRANE  
LLOYD DUNGEY  
GUS EDMONDS  
SIMON MAGILL  
WARREN SHAW  
PAUL WARREN

## 2ND GRADE

Played eleven, won five, drawn one, lost five, a reasonable year for our first team, in fact the best since our second grade Premiership win in 1986.

The standard we have now reached in what we could call the JETBOTNY factor. A level of cricket which is the minimum any Bentley side should do in any given year. We always can't be premiers but you should have a personal standard which collectively over eleven players ensures the side wins games. It is also called personal pride and discipline.

Our side had more highlights than lows, however, some lows certainly stand out in the mind. I will however only talk of the highlights, of which there are many. Our great team fielding and bowling performance versus Doubleview, taking their last eight wickets for 22 runs. Serge Perrozzi an inspiration in the field all year, winner of the "A" grade best fielder and top votes in this game, cleaning up with bat and ball was the single biggest influence in this particular game. A year under his belt acclimatising to the Bentley style will see further significant gains for our Club from Serge.

The introduction of new blood to the first side saw the emergence of "JC" (Chandler Justin), a player who acquitted himself well and he too will benefit from a year with the Bentley Cricket Club. JC with his partners got us across the line on several occasions, a point certainly worthy of a mention. Well done JC.

For a side to improve there must be improvement within the ranks, one can do this by recruiting or by the improvement of individuals. Dave Barry's work ethic is second to none at our Club, he trains hard, is keen to assist others and hates opposition batsmen. Dave's efforts this year are again certainly worthy of special mention. Well done Junior (Dave Barry).

Dave along with Rod Duncan provided Bentley with the best opening attack in the grade and victory was certainly set up by these two fine fast bowlers. Rod was again our largest wicket taker and like several of his fast bowling counterparts was not always on the same wavelength as everyone else. His enthusiasm should see Rod improve on his 50 odd wickets to date, but maybe in a lesser role next season.

On behalf of all players I would like to thank Glad Sheppard for her professional help and assistance on Match days. Glad thankyou very much.(XXX).

Finally I need to extend my sincere thanks to our Assistant Coach and Vice Captain David Berry. His batting has been sensational, his keeping of wickets admirable and his advice and encouragement to our team we could have not done without. David's efforts in winning the Hayward Medal is a true indication of his skill and dedication to our Club. David congratulations and the players salute you.

Steven Shearing,  
Captain 2nd Grade.

## 4TH GRADE

Led by rookie skipper Glenn Davies, this side stormed through the latter part of the season, to completely demolish top side Thornlie in the semi final before finally going down to Bedford Morley in the Grand Final. Eight wins from thirteen games was an outstanding result by a team that was totally committed and prided itself on always doing it for the team.

The batting was brittle on some occasions, whilst being brilliant on others, and was once again superbly led by Greg Sheppard who regularly scored runs in the difficult opening position. Good support was provided during limited appearances by Brian Hayward and Jeremy Smyth, with Simon Magill and Kirk Spencer offering more consistent support. Jeremy's 106 in the last qualifying fixture was outstanding and stamped him as a class player of the future.

Bentley's bowling for much of the season was the best in the Competition, whilst Matt Sandison's ten wicket haul against Murdoch was individually superb, Matt throughout the year received backup from a quartet of fine medium pacers in Ian Dickerson, Shane Crane, Tony Magill and Kirk Spencer. Spinner Greg Sheppard once again showed he is a regular wicket taker, with 21 wickets to his name.

The fielding like most of the things this side did during the season was very much a team effort, there were however, two standouts in Tony Magill and keeper Glenn Davies who were at the forefront throughout in setting a great standard.

Once again this side produced a number of form players into the 2nd Grade, thereby providing the depth the Club needs to have a very successful and competitive top side.

#### 6TH GRADE

##### PREMIERS & GRADE WINNERS

The Dream Team took all before them this season to lose only one game mid-year and thereby claim the Club's sixth Premiership Flag. The selection policy in mixing experience with youth produced a well balanced, confident side that played exceptionally well during the finals campaign.

Back to back Premiership captain Greg Dickerson again led the side brilliantly, whilst managing to score better than 300 runs and lead the batting. He received superb support from young guns Damian Rickards and Justin Warren, with veteran Lloyd Dungey consistent throughout, and Mal Dickerson and Brian Hayward prominent in the latter part of the season.

The 175 run undefeated opening partnership, an Association record, between Greg Dickerson and Mark Murphy was a magnificent effort in concentration in difficult playing conditions, as was Dicko's hundred. Damian Rickard's 112 against Nedlands, when under pressure to hold his place in the team, was sensational and showed that he is more than capable of playing in the higher Grades.

Mark Lukan and Ace Hayward dominated the bowling and generally had the measure of all opposition batting lineups. Their combined opening spells consistently had sides in trouble and ensured the team chased reasonably small targets. Ace's 6 for 13 in the semi-final and Mark's ten wicket haul in the first fixture were standout performances.

Eye-catching performers in the field were keeper Bart Scalora, with 5 great catches against Shenton Park, as well as a number of solid efforts in the latter part of the year, and Justin Warren both behind the wickets and in the field where he was magnificent.

The team earned promotion to 5th grade for next season.

## 7TH GRADE

The season 1996/97 for the 7th grade was a season of ups and downs. With the side losing four of the first six games and then after Christmas in the second half of the season convincingly beating three of the sides in the top four. The side improved greatly both in there approach to the game and with great spirit ending with six wins out of the eleven fixtures.

The bowling attack was the strongest in the 7th grade, with only one side scoring over 200 against us and still not winning. All the bowlers performed well, lead by Billy (The Kid) Cox, Craig Rickards, Gus Edmonds and Lindsay (Buzza) Guy. With cameo performances by David Narbey, Glen Hewitt, Justin Chandler and Mark Murphy.

The backbone of the batting for the side was carried by Brendan Kelly, Ron Fernandez, Tony Zerafa and John Kane with nearly all the team at one stage or another producing two or three match winning innings at critical points in a game. We also had guest appearances by Steve Shearing, Jeremy Smyth and Paul Linehan.

No team can win a game without team spirit and heart. and as the captain the 7th grade side showed that we had what it takes, with excellent ground fielding led week after week by Brendan, Bill, Craig, Lindsay and Kevin Magill, as well as those players who joined the team later such as Robbie Bennett, Mark Murphy and Ross Jevons. All the players gave at some point in the season an effort that lifted the team.

It would be very remiss of me not to highlight some of the individual efforts, although those players would tell you it was a team effort. Brendan's 85 and many other gutsy innings, Lindsay's 8 for, John Kane's match winning 54 and Bill and Craig's tandem bowling efforts, in both obtaining wickets and restricting the scoring in many games.

I apologise if I have missed any one person, however, if the 7th grade can maintain a steady line up of 6 to 7 core players, a flag will be produced in season 1997/98.

Thankyou to all the players and helpful support of the selection committee, and the great support given by wives, girlfriends, mums and dads.

Stephen Cairns.  
Captain 7th Grade

### 9TH GRADE

The inaugural year for the Bentley 5th side saw them led by first year captain Paul Warren and compete in the One Day Competition. Eleven wins and nine losses was a fair effort given the ever changing nature and rotating roster of the available personnel.

The batting at times was the weak link of the side as they struggled to make, or chase competitive scores. There were however, two standouts in Paul and Justin Warren, both of whom scored better than 300 runs whilst batting superbly at the top of the order and continually giving the team the required good starts. Justin's maiden century, in the game against Shenton Park, during which he batted throughout the innings to remain 115\* was sensational and the obvious individual highlight of the year.

Whilst the batting at times disappointed, the same could not be said for the bowling. A number of players, in particular Warren Shaw, Chris Smart, Glen Hewitt, Justin Warren and Derek Gascoine all at times produced outstanding individual performances in the Grade where each bowler is restricted in the number of overs per game to seven.

The fielding standard was set by Ross Jevons and Paul Warren with sound performances throughout the season, whilst in limited games Kevin Magill also performed admirably.

A credit to this side is that six players commenced the season in this Grade and went on to play significant roles in the 2nd Grade side later in the season.
