# Presidents Report

Hello and good tidings to all those who may read this report. Our season saw the completion of a long-awaited generational project, the commencement of another as well as the expansion of our on-field footprint.

Simultaneously, our attempts to grow the club outside of senior men's cricket faltered and our grand final winning drought continued. We are indebted, as we are every season, to the fantastic support of our patrons, sponsors, life members, friends, family and partners for the continuation of the Bentley Cricket Club.

The completion of the turf practice wickets is the fulfilment of a goal the club has been pursuing for a long time. The genesis of this idea by committee member Chris Pritchard was noted in minutes under the presidency of Justin Warren on 6<sup>th</sup> June 2017. Costings were initially investigated by a special subcommittee of Chris, Ron Fernandez and Darren Leng. In subsequent years Chris became president and the club continued with fundraising efforts. Holly and Pitchy should be proud that their unwavering commitment to this project throughout their presidencies has finally been rewarded.

As the committee wrestled with the grant submissions and project management challenges involving Local and State Governments as well as the foibles of Cricket Australia's grants process, Steve Shearing was asked to take over custodianship of our ambition. Steve has employed his great array of management, communication, networking and collaboration skills with a fierce determination to see the delivery of this project, which we are now finally able to celebrate. Thank you, Steve.

The project would not have been possible without the assistance of the City of Canning, Major Patrick Hall has been an unwavering supporter of this project for many years. Our local MLA and club patron Hannah Beazley's support for this project was a huge boost for us, making it an election commitment in the lead up to the March 2025 poll was something we were never expecting when it seemed we had nowhere left to turn. Hers was the 'missing piece' of funding we were unable to secure through CA. Hannah's involvement with us is very special and something we'll always remember.

The City at time of writing has commenced works to completely reshape our facilities experience at Wyong with the impending demolition of the Canning Sports Club and the refurbishment of the Merv Mac into a sports club/bar area with an entirely new changeroom and storage building to be constructed in 2026 on the site of the CSC. We will remain at Wyong in 2026/27 for training and matches while the works are completed with some of our routines requiring adjustment until the new buildings become operational, hopefully before the end of the season.

It was very pleasing to introduce two new teams to the club this season with the "Lads and Dads XI" and the "Kevin XI" becoming our 5<sup>th</sup> and 6<sup>th</sup> sides, a number we have not boasted since 2010/11. Thanks to Les Saxon and Kevin Amalrajh for captaining and managing your sides every week. I sincerely hope both teams felt welcomed to Bentley and return next season.

Thank you to our top 4 captains Tas Harris, Lucky Singh, UJ Bhan and Kirk/Tony for finding the selection numbers every week under the at times exacerbated chairmanship of Andrew Stace, never an easy job but an essential one week in week out.

Despite the ongoing efforts of coaches Cam McNab, Darren Leng and occasionally the president, we have been unable to get sustainable enrollment in our junior "Blasters" program, we do not feel we can continue to develop a handful of kids each season who will play junior cricket at other clubs, we don't have the numbers to field a Bentley U10s side. We floated an expression of interest for a new women's team and received little response from the community; the seniors coach we had secured for the season ended his tenure before round one. Long time nets captain Steve Cairns and kitchen helper Chris Lockyer after many seasons had to take a step back from being with us every week. Their duties were taken on by the committee who sacrificed their own cricket to keep training running smoothly, these are roles we must fill before next season.

Turf training wickets gives our club the ability to enhance turf cricketing skills for many years to come as well as attract new members and retain existing. The opportunity to both train and play on turf is the realisation of a dream of our club to offer the finest facilities available anywhere in the competition. "The Club" for all its efforts to make this project happen is no more than the sum of its people: to everyone over these last 9 years who has sold raffle tickets, boxes of chocolates, worked a Bunnings Sizzle – thank you. Your efforts to give something back, asking what you can do for your club instead of what your club can do for you is why Bentley remains strong and independent after 70+ years. With the completion of this project and the dividends it promises, I am sure we can only get bigger, better and stronger next season.

# 1st Side Report

Season 2025/26 felt like a new beginning for the Bentley Cricket Club. We found ourselves relegated to second grade, sporting a vastly different team and a new captain. The outflux of players gave the club a chance to welcome new talent from a range of different backgrounds. Joseph Morton came in from WACA Cricket, while Amal Peiris and Chathuranga Rajapaksha joined from other WASTCA clubs. Alan Zanich joined from the South Metro Cricket Association, while young guns Tate Saxon and Chad Mathews doubled up for Bentley in the afternoon once they had finished their junior duties. Craig Stephenson made the trip over from England to play for our side. These players brought a diverse range of personalities to the First XI this season, which helped to enrich the team, and all contributed at various points with bat or ball in hand.

Change brings opportunity for returning players to step up and help fill the void left by those departed. Dave Melling was thrust into an opening role, which saw him flourish in white ball cricket. The First XI got off to a flyer, winning our first two one-day games against Ocean Ridge and Whitfords, thanks to scores of 108 and 77 from Dave. When Dave gets going, he takes pressure off the rest of the side as he scores freely, hitting boundaries regularly. I partnered with him at the top of the order, a role I had previously only filled once in the First XI for a return of 1, and his scoring allowed me to settle in and find some rhythm with the bat. Together we formed a strong opening partnership that ensured we were rarely in a position of strife early in games.

First XI legend Omid Fanayan got the opportunity to return to his favoured number three position in two-day cricket, and he showed why this is where he plays his best cricket. Omo scored 170 runs @ 34 with 2 x 50's in the toughest of the batting conditions to help set a strong platform for the rest of the side. Maybe he will even come back for another year?

Another player who stepped up with the bat this season was Cam Daw. Cam benefited from the added responsibility on his shoulders to have a career best year, scoring 259 runs at an average of just under 30. He scored his maiden First XI 50 (59 off 70) against North Beach in an epic 100 run stand with Craig Stephenson that gave the side hope of pulling off an unlikely victory against the eventual minor premiers. Cam also took the gloves for the major part of the year, and was extremely solid, taking 13 catches for the season.

Through the middle of the season, our form started to wane. After winning the first two games, we then lost four of our next five, including losing our three two-day games before Christmas. Our batting was okay during this time, with Omid scoring one of his 50s, me chipping in with two 50's, and Chucky blasting a memorable 52 off 55 balls against Kalamunda, but we struggled in the field and with the ball.

One player who really stood up during this time and became very dependable for me as captain for the rest of the season was import Craig Stephenson. Craig is a great thinker on the game of cricket and someone who has worked tirelessly at his craft. In two-day cricket I would rely on Craig for big spells, as he would bowl economically as well as picking up wickets. Against Bedford-Morley in round 5, he bowled 24-4-55-3, then backed it up against Swan Valley with 28-9-67-4. In a one-day win against Western Suburbs, Craig finished with the ridiculous figures of 8-2-8-1, an economy rate of just one! As alluded to previously, he also chipped in with handy lower order runs, including his part of 45\* in the 100 run stand with Cam.

Two-day cricket is often where class is required, but so too is some grunt, particularly with ball in hand. Each team has their workhorse who can bowl over after over, relentlessly testing the batter, searching for their weakness. Adam 'Chucky', 'Mr Clutch' Palumbo is Bentley's go to man when a team starts to get on top, as he has the capacity to both restrict and take wickets. Chucky was at his best in the two-dayers, where he took the first three wickets of the match against Bedford, and could easily have taken more if it wasn't for a hamstring injury, before he backed it up with 4-48 against Swan Valley to restrict them to 9-221d after they had raced out to 4-154. Unfortunately for me as Captain, I lost my go to man for much of the season, as Chucky succumbed to a few niggling soft-tissue injuries.

After Christmas, the side really needed to start winning games to stay in the hunt for finals. Two players who previously had been a bit quiet really stood up in this game. Tate Saxon is a young player of whom everyone in the team immediately noticed his class with the bat in hand. He times the ball well, plays elegant cricket shots, and has the ability to find the boundary comfortably. Against Western Suburbs, Tate anchored our chase of 181 with a composed 49. Tate is a player who may have a big future ahead and will always be welcome back at the Bentley Cricket Club.

Alan 'The Prophet' Zanich was another player who I rated highly who had not quite delivered in terms of runs on the board. Against Western Suburbs, he played the middle-order finisher role to perfection, scoring a near run-a-ball 30\* to guide us home to a much-needed win. Alan did not quite score the runs he would have liked this year, but regularly contributed in the field and produced mysterious prophecies that always seemed to come true... Long live the bin chicken!

As we headed deeper into the season, injuries at various times to Chucky, Craig, Dave, and myself left us lacking experience in the bowling department. Luckily, Mitchell Crew found some outstanding form late in the season to excellently lead the bowling attack. Mitch started his run of form with six wickets over two innings against Curtin Vic Park, then backed it up with a monumental 27 overs, seven maidens, and seven wickets against North Beach in round 12. Two rounds later he added another five-wicket haul, 5-33 against Bedford-Morley, plus contributed 14 handy lower order runs in a successful chase. These performances helped catapult him to the First XI bowling award for the season. Well done Mitch, although maybe next season, a few more wickets before Christmas wouldn't hurt?

Another bright point at the back end of the season, was the emergence of 'THE CHAD'. Chad showed his class with bat in hand, notching up 196 runs at an average of 49 in just four innings after Christmas. Similarly to Tate, Chad will always be welcomed back to play cricket at the club.

Recruit Amal Peiris saved his best performance until the very last game of the season. The man dubbed "Snoop Dogg" is a unique personality with a passion for cricket. His passion shone through on many occasions, and he regularly chipped in with wickets, catches, and handy runs without quite taking over a game. That was, until the last round, where he scored 62 not out to guide the team home and ensure we finished the year on a high.

I would also like to congratulate Andrew Stace and Jesse Musitano, two club stalwarts who made their first XI debuts during the season. Well done lads. Furthermore, young bowlers Mitch Curwood and Joey Morton showed glimpses of their potential in the First XI this year, and both could make significant contributions to the side with ongoing training and better availability!

Overall, there were a lot of strong performances in the First XI this year, enough to see us make a one-day semi-final, but ultimately, we fell short of success and finished the season in eighth position, comfortably missing out on playing two-day finals. Nevertheless, I am proud and extremely grateful to everyone who played for the Bentley Cricket Club First XI throughout the season.

I look forward to next season, where as a team we can take learnings from seasons 2025/26, and fulfil our goal to move up the ladder and back into WASTCA First Grade.

## 2<sup>nd</sup> Side Report

Overall, the 2025/26 season proved to be a disappointing one for us, however, it also served as an important learning curve for the team. A number of players were experiencing their first season on turf wickets, which can be particularly challenging especially against strong bowling attacks. While my individual contributions as a player were limited, I believe that, as captain, I have laid a solid foundation for the team's future.

The season began on a positive note with a closely contested match against Ocean Ridge, where we narrowly fell short by just 10 runs. Notable contributions from Andrew Stace (52) and Josh Arcaro (27 not out) brought us within reach of the target, but we were unable to cross the line. Unfortunately, we struggled to regain momentum from that point onward.

Throughout the season, we faced ongoing difficulties in settling on a consistent and deserving playing XI, which significantly impacted our performance. This, combined with an out-of-form top order, meant that we rarely clicked as a batting unit, aside from one or two individual performances. The absence of Khush also weakened our bowling attack compared to previous seasons. On one occasion, despite posting a score in excess of 200 and having the opposition at 6/105, we were unable to defend the total, a reflection of our lack of consistency in both bowling and fielding. Missed opportunities in the field and a lack of strong batting partnerships further hindered our ability to compete effectively. Player availability and continuity, particularly with Umair, Jonty, and Vishav—were additional challenges. Ultimately, we were not able to perform at the required level.

The second side endured a difficult first half of the season, remaining winless except for a single victory against the bottom-ranked team. During the first half of the season, a standout moment was Pushkar's impressive century, however, even in that match, our bowlers were unable to restrict the opposition, resulting in a loss.

The second half of the season showed some improvement, despite the absence of Vishav for most matches due to his trip to India. We played more competitive cricket, put runs on the board, and finished the season on a high with a well-earned victory, thanks to significant contributions from our batting unit. Ending the season with a win was certainly a positive note to take forward.

We also saw the emergence of a young player, Albert Penter, in his first season in the second grade. He showed promise, though he will benefit from further development, particularly in handling pressure situations.

As captain, I take full responsibility for what has been a disappointing season. Given the talent within the squad, I had expected stronger results. While this is not where we aspire to be, I am optimistic about the future. The upcoming 2026/27 season presents an opportunity for a fresh start, and I am confident in our ability to regroup, improve, and contend for the premiership.

Finally, I would like to extend my sincere thanks to Jay and the committee for their trust and support in appointing me as captain of the second side. I am also grateful to all team members for their support, camaraderie, and for maintaining a positive and welcoming environment throughout the season. Despite the results, everyone gave their best, and I truly appreciated the spirit within the group. I look forward to the 2026/27 season and to achieving success for the club.

### 3<sup>rd</sup> Side Report

The 2025/26 season was certainly a rollercoaster for the Bentley 3rd XI. We finished the season with a 6–6 record, narrowly missing out on finals, but the final ladder doesn't tell the full story of our year.

We had a difficult start to the season, losing our first four games in a row to begin 0–4. Things simply weren't clicking for us early on. There were games where we didn't make enough runs, games where we failed to capitalise on good positions, and moments where we probably made life harder for ourselves than it needed to be.

But one thing I'll give this group enormous credit for is that we never gave the season away.

We kept turning up, kept backing each other and gradually started finding the cricket we knew we were capable of playing. The results began to come, confidence grew, and what looked like a season that could have slipped away turned into a genuine push for finals. To recover from four straight losses at the beginning of the season and finish 6–6 showed a lot of character from the group.

Unfortunately, things didn't quite fall our way at the end and we narrowly missed finals. That was disappointing, especially after fighting our way back into contention, but we certainly made a season of it.

There were some fantastic individual performances along the way. Bohan Kane-Slocombe led the batting with 495 runs at an average of 55, including his maiden century for the club. After being stranded in the 90s a couple of times previously, he finally discovered there are actually numbers after 99. A seriously well-deserved hundred and an outstanding season with the bat.

Sahil Jangra scored 293 runs, while Joshua Ericson contributed 220, with both playing some important innings throughout the season.

With the ball, Neil Parimoo led the wickets with 17 at an average of 16.29, while Balwinder Saini took 14 wickets at an outstanding average of 7.36. Sukhbaj Brar took 13 wickets and Darren Leng finished with 12, showing the depth and contribution we had across our bowling attack.

More importantly, though, this season was never about one or two players. We had plenty of movement through the side, players stepping up from week to week and others helping us out whenever we were short. Everyone who represented the 3rd XI contributed to what we achieved as a team.

There are plenty of lessons we can take from the season. The biggest one for me is consistency. We proved that our best cricket is good enough to compete with anyone in the grade. The challenge next season is producing that cricket more consistently and not needing our backs against the wall before finding our best.

As captain, I'd like to sincerely thank every player who represented and supported the 3rd XI throughout the season. Whether you played every game, filled in when we needed numbers, or supported the boys from the sidelines, every contribution mattered.

A big thank you to Bentley Cricket Club, the committee, volunteers and everyone behind the scenes who put in countless hours to make sure we can get out there and play each week. I'd also like to acknowledge and thank our sponsors for their continued support of the club and our teams throughout the season.

Finally, to the boys — be proud of what we achieved together. The season didn't finish exactly where we wanted it to, but there's a lot of character in this group and plenty to build on. We showed that when we play together, back each other and believe in what we're doing, we can compete with anyone.

Enjoy the off-season, keep working on your games, and hopefully we all come back stronger, hungrier and ready to take another step forward next season.

**It's been a privilege captaining you boys. Thanks for backing me and each other all season.**

# One Day 4 Side Report

Coming into the season I had mentioned to the president that if required, I would be open to captain the side. Sure enough, a couple of weeks out, I did receive that request. I did have one condition, that Tony Magill be in the side all year as VC and back-office support (this condition came in handy after a couple of matches when UJ tried to poach him – Jay shut that down quickly).

I did experience a lot of firsts this year:

- First time I played in a game that was won with a ramp shot. McNab played out 4 dots in the last over, then gave the opposition kids something to remember by ramping over the keeper for a boundary, and get us off to a winning start
- Seeing players in my team carry their bats (Shearing 59\* against North Beach Carine, then the newly formed opening duo (after Shearing was late to the match and Daquino pulled out injured a few hours before first ball) of McNab (82\* and Magill 131\* against Western Suburbs – combined for 243\* opening partnership)
- Watching Christopher Cairns score his first runs for the club, against Balcatta out at Des Penman
- Playing without the full XI and delaying the start as we did not have enough at the ground for the official start time

We had 4 father/son combinations play in the side during the year – Michael and James Bowen, Simon and Jack Cleary, Gus and Elijah Edmonds and David and Beau Manning.

When all is said and done, I enjoyed the year, played cricket with good people, tried to promote the younger players and saw them develop and return some good results. On one occasion, young Beau Manning opening the bowling, having a catch dropped first ball, getting hit for some boundaries, but coming back and taking 4 wickets. In the same game, James Bowen obtained the very rare feat of getting a hat trick.

I would like to thank the president, committee and club for the support that was shown to me all year. Especially Tony Magill, as my right-hand man from start to finish.

Having a good mix of senior people through the team made things in the field a lot easier, Shearing, Dungey, McNab and Pritchard. Would like to send a special thanks to Christopher Cairns for being there the vast majority of games, coming on to field to help the old boys out and getting a couple of playing XI games under his belt in February. His enthusiasm was second to none, always supportive and happy to help out (even around the afternoon tea table).

It was good to see all pitching in during our games, scoring, umpiring (especially the young guys that were happy to do central umpiring – means we did not have to set the batting positions up by who could umpire), setting up the stumps, cooking afternoon tea, collecting cones etc.

Some of the highlights of the year are:

- Husnain Raza taking 5/10 v Bassendean
- Steve Shearing (59\*) and Raheel Ahmed (138) – partnership of 224 v North Beach Carine
- Cameron McNab (82\*) and Tony Magill (131\*) – partnership of 243\* v Western Suburbs
- Adam Carlson taking 4/13 v Fremantle Mosman Park
- Beau Manning taking 4/50 v Fremantle Mosman Park
- James Bowen taking 5/19 (including hat trick) v Fremantle Mosman Park

We had the pleasure of 41 different players during the year.

All in all, 5 wins, with 5 close losses (1 run, 3 runs, 1 wicket and 2 games in the 39<sup>th</sup> over) that could have seen us slip into finals if things fell our way.

# One Day 5B Side Report

With no real thoughts of playing this year until Jedd said that he would like to play some games "with his pop". So, I'm back playing.

After that Jedd and Shane created a whole team with half of the Fremantle u/15s, Albert, Levi, Mitch, Xavier, Cooper and Sam. Toby from Gosnells u14s and Beau from Jandakot. Then a couple of top senior players in Simon, Mitch's dad and Dave, Beau's dad. Lastly recruited a "retired " warhorse in Tim Horan who along with Simon and Dave did a great job in mentoring the young guys over the year. Obviously, we weren't sure how we would perform over the year, but we got a really good idea after the first game as we made 200 with Levi and Jedd making debut 50s. We did get beaten but this game laid the foundation for the season as after 17 games were on top of the ladder.

Because the boys had also done very well at Fremantle, finishing on top of the ladder there, they started their finals which were all day and couldn't participate in our last game. Unfortunately, we lost, but still remained in the top 4, and again as the boys still had Freo finals the following week, we couldn't get enough players to fill out team for the finals and sadly had to forfeit. But it was fantastic for, Simon, Dave, Tim and myself to see the boys perform at such a high standard over the entire season against men. Granted we were gifted with a team that were being coached by Shane, but we are going to take a little credit for our contribution.

The support we got over the season was unbelievable. Aaron scoring every week (sometimes doing live scoring and also the book which was quite brilliant). Over the year he had some sidekicks in Mel, and a varied assortment of young, old and whoever was around. Great job. To Mike and Ben our resident umpires thank you heaps guys, and to pretty much all the boys for their contribution. Great to see by the end of the season after mainly only doing square leg umpiring early, were doing a great job also doing central umpiring.

I'm sure the whole team had a very enjoyable year of cricket. As for me, loved every minute and would say one of my favourite seasons playing. Big thanks to all our support team in Mike, Erin, Hunter and Poppy Bakes, Ben Piggot, Amy and Maddy Caird, Kerryn and Brodie Manning, Mel and Alan Zanich, Lisa and Ruby Lawson, Andy and Margaret Lawson, Craig and Tanya Ladhams, Tony and Lorraine Bathgate, Graham Pentter , Kerrie Mac and Shane, Karen and Tate Saxon.

There are some really talented young players in this group and hopefully some of them will stick around over the coming years.

Finally, one of the great highlights for me this year was to play with the Bentley superstar legend Lloyd Dungey in round 17, his 650<sup>th</sup> game, which we won. The other great highlight was Lloyd took the catch to dismiss the last batsman and to see all the boys run and mob him like he was a famous movie star was absolutely fantastic and a very memorable moment. Wishing everyone the very best for the off season and will see everyone back next year.
